Ebook: Managerial Accounting - Global Edition Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis, and throughput costing, while also including traditional topics such as job order costing, budgeting, and performance evaluation. Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current, and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition.

Tulsa Sounds Elven Lindblad, 2024-01-31 Tulsa, Oklahoma might not be the first place one considers in the history of American music, but this city in northeastern Oklahoma has a rich and diverse musical heritage that deserved to be celebrated. You'll learn how Tulsa musicians and bands influenced the worlds of rock and roll, country, jazz, blues, R & B, hip hop, rap, and so much more. There is the happy toe tapping Western Swing played by Bob Wills and the Texas Playboys. The blend of rock and blues and jazz and swamp style pop championed by Leon Russell and J.J. Cale. The danceable funk of The Gap Band and the smooth R & B of that group's lead singer Charlie Wilson. Then there are country music stars like Garth Brooks and Zach Bryan. And Tulsa being a turning point for jazz legend Count Basie. *Tulsa Sounds: Contributions to American Music* is a must read for anyone that loves music and wants to learn more about the rhythm of life found in the American Heartland.
