Walter Cohen

The English Mummers And Their Plays Traces Of Ancient Mystery:

The English Mummers and Their Plays Alan Brody, 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas Drama, Performance and Polity in Pre-Cromwellian Ireland Alan John Fletcher, 2000-01-01 A study of the early history of drama and performance in Ireland from the 7th century through the 16th and 17th centuries ending on the eve of the arrival of Oliver Cromwell The Story of Drama Gary Day, 2016-08-25 Tracing the history of tragedy and comedy from their earliest beginnings to the present this book offers readers an exceptional study of the development of both genres grounded in analysis of landmark plays and their context It argues that sacrifice is central to both genres and demonstrates how it provides a key to understanding the grand sweep of Western drama For students of literature and drama the volume serves as an accessible companion to over two millennia of drama organised by period and reveals how sacrifice represents a through line running from classical drama to today s reality TV and blockbuster movies Across the chapters devoted to each period Day explores how the meanings of sacrifice change over time but never quite disappear He charts the influences of religion social change and politics on the status and purposes of theatre in each period and on the drama itself But it is through a close study of key plays that he reveals the continuities centred around sacrifice that persist and which illuminate aspects of human psychology and social organisation Among the many plays and events considered are Aeschylus trilogy The Oresteia Aristophanes Women at the Thesmophoria Menander s The Bad Tempered Man the spectacles of the Roman Games Seneca s The Trojan Women Plautus s The Rope the Cycle plays and Everyman from the Middle Ages Shakespeare s King Lear and A Midsummer Night s Dream Middleton s The Revenger s Tragedy Jonson s Every Man in His Humour Thomas Otway s The Orphan William Wycherley s The Country Wife Wilde s A Woman of No Importance Beckett Waiting for Godot Tennessee Williams s A Streetcar Named Desire Suzan Lori Parks s Topdog Underdog Sarah Kane s Blasted and Charlotte Jones Humble Boy A conclusion examines the persistence of ideas of sacrifice in today s reality TV and blockbuster movies *All Silver and No Brass* Henry Glassie, 1983 A beautifully written exploration of a vanishing holiday ritual that can be traced back to the dramas of the sixteenth century and beyond Philadelphia Inquirer Santa Claus, Last of the Wild Men Phyllis Siefker, 2006-12-11 Much of the modern day vision of Santa Claus is owed to the Clement Moore poem The Night Before Christmas His description of Saint Nicholas personified the jolly old elf known to millions of children throughout the world However far from being the offshoot of Saint Nicholas of Turkey Santa Claus is the last of a long line of what scholars call Wild Men who were worshipped in ancient European fertility rites and came to America through Pennsylvania s Germans This pagan creature is described from prehistoric times through his various forms Robin Hood The Fool Harlequin Satan and Robin Goodfellow into

today's carnival and Christmas scenes In this thoroughly researched work the origins of Santa Claus are found to stretch back over 50 000 years jolting the foundation of Christian myths about the jolly old elf **Traffic and Turning** Jonathan Burton,2005 It will be of interest to all those interested in questions of early modern contact history English relations with Islam and the East English theater history and cultural politics **BOOK JACKET Petticoat Heroes** Rhian E. Jones,2015-11-20 The first book on Rebecca Riots since 1989 The book looks at the Rebecca riots protest movement in Victorian Wales in a context informed by not only British and European historiography but also other disciplines including literature and anthropology The book is informed by recent work in cultural and gender history which it applies for the first time to the symbolic and ritual content of the protests The book's epilogue discusses historical protest in the context of the contemporary resurgence of leaderless extra parliamentary protest around the world including Occupy Anonymous and anti austerity movements **Ritual Imports** Claire Sponsler,2004 Performing conquest the J meze Matachines dances Selective histories Albany's Pinkster Festival Philadelphia's Mummers and the Anglo Saxon revival Reinventing tradition Brooklyn's Saint play America's passion plays Medieval plays and medievalist players **Vikings and the Danelaw** James Graham-Campbell,Richard Hall,Judith Jesch,David N Parsons,2016-11-30 A selection of papers from the 13th Viking Congress focusing on the northern central and eastern regions of Anglo Saxon England colonised by invading Danish armies in the late 9th century known as the Danelaw This volume contributes to many of the unresolved scholarly debates surrounding the concept and extent of the Danelaw **Dramatic Texts and Records of Britain** Ian Lancashire,1984-08-02 In 1800 entries this valuable reference work covers texts and records of dramatic activity for about 400 sites in Britain from Roman times to 1558 Grouped in sections texts listed chronologically Records of England Wales Scotland Ireland and Other classified by county site and date and doubtful texts and records the entries summarize the contents of each record and give bibliographic information Professor Lancashire presents a comprehensive survey of almost every type of literary and historical record document and work civic church guild monastic and royal court minutes and financial accounts national records Chancery Parliament Privy Council Exchequer royal proclamations wills local court rolls jest books poems prose treatises sermons archaeological remains artifacts illustrations He brings together works in several normally unrelated fields Roman theatre in Britain medieval drama as such including the Corpus Christi play and the moral play court revels of the Tudors and of their predecessors in England and Scotland and finally Latin and Greek drama as played in Oxford and Cambridge colleges An introduction outlines the history of early drama in Britain Appendixes include indexes of about 335 towns or patrons with travelling players complete with rough itineraries about 180 playwrights and about 320 playing places and buildings There are illustrations four maps and a large general subject and name index **Civic and Medical Worlds in Early Modern England** E. Decamp,2016-06-15 Through its rich foray into popular literary culture and medical history this book investigates representations of regular and irregular medical practice in early modern England Focusing on the prolific

figures of the barber surgeon and barber surgeon the author explores what it meant to the early modern population for a group of practitioners to be associated with both the trade guilds and an emerging professional medical world The book uncovers the differences and cross pollinations between barbers and surgeons practices which play out across the literature we learn not only about their cultural civic medical and occupational histories but also about how we should interpret patterns in language name choice performance materiality acoustics and semiology in the period The investigations prompt new readings of Shakespeare Jonson Middleton and Beaumont among others And with chapters delving into early modern representations of medical instruments hairiness bloodletting procedures waxy or infected ears wart removals and skeletons readers will find much of the contribution of this book is in its detail which brings its subject to life *Drama of a Nation* Walter Cohen, 2019-06-30 During the sixteenth and seventeenth centuries in the midst of an international florescence of drama the English and Spanish theaters displayed striking and unique similarities Although these two national theaters developed in relative isolation from each other in both countries the plays synthesized native popular traditions and neoclassical learned conventions a synthesis found neither in the more elite Italian and French drama of the time nor in any other European drama before or since In *Drama of a Nation* Walter Cohen illuminates the causes of this significant parallel development Working from a Marxist perspective Cohen seeks to establish correlations among individual plays dramatic genres theatrical institutions cultural milieus and political and economic systems He argues that the drama owed its distinctiveness to the public theaters especially of London and Madrid which opened in the 1570s and closed under government order seventy years later Both drama and theater in turn depended on a relative cultural homogeneity perpetuated by a state that primarily served the aristocracy Absolutism he maintains first fostered and then undermined the public theater *Masques, Mayings and Music-dramas* Roger Savage, 2014 *Masques Mayings and Music Dramas* comprises a sequence of in depth case studies of significant aspects of early twentieth century English music theatre Vaughan Williams forms a central thread in this discussion and Stratford upon Avon serves as a geographical focus point for mediating conflicting visions of an English musical tradition But the reach of the book is much wider shedding new light on English Wagnerism at Glastonbury especially and on the reception of Wagner's ideas as a point of emulation and resistance No less significant is the discussion of Purcell and the seventeenth century masque one of the primary sources for re imagining an English dramatic tradition and the more familiar images of the May festival the Mummers play and the pageant play which are tellingly re contextualised The book also looks at the associations between Vaughan Williams the theatre artist Edward Gordon Craig and the impresario Serge Diaghilev The sequence is framed by the image of the pilgrim vagabond Vaughan Williams's setting of the poetry of Matthew Arnold and Robert Louis Stevenson as a metaphor and paradigm for his creative career and personal progress The book not only sheds light on the activities and ambitions of principal agents but also illuminates a particularly dynamic moment in the re emergence of a distinctively English music theatrical practice one

especially concerned with calling on aspects of the past to help to secure a worthwhile future. Notions of Englishness turn out to be less insular than sometimes thought and the idea of a musical renaissance more complex when the case studies are understood in their proper historical context. Scholars and students of twentieth century English music theatre and opera will find this volume indispensable. Roger Savage is Honorary Fellow in English Literature at the University of Edinburgh. He has published widely on theatre and its interface with music from the baroque to the twentieth century in leading journals and books.

Medieval and Early Modern England on the Contemporary Stage Marianne Dugeon, 2021-09-20. This volume explores the multiple connections between contemporary British theatre and the medieval and early modern periods. Involving both French and British scholars as well as playwrights, adapters and stage directors, its scope is political as it assesses the power of adaptations and history plays to offer a new perspective not only on the past and present but also on the future. Along the way, burning contemporary social and political issues are explored, such as the place and role of women and ethnic minorities in today's post-Brexit Britain. The volume builds into a dialogue between the ghosts of the past and their contemporary spectators. Starting with a focus on contemporary adaptations of Shakespeare's plays, then concentrating on contemporary history plays set in the distant past and ending with the contributions of famous playwrights sharing their experience, the book will be of interest to practitioners as well as students and researchers in drama and performance studies.

Rethinking G.K. Chesterton and Literary Modernism Michael Shallcross, 2017-11-27. This book comprehensively rethinks the relationship between G.K. Chesterton and a range of key literary modernists. When Chesterton and modernism have previously been considered in relation to one another, the dynamic has typically been conceived as one of mutual hostility grounded in Chesterton's advocacy of popular culture and modernist literature's appeal to an aesthetic elite. In setting out to challenge this binary narrative, Shallcross establishes for the first time the depth and ambivalence of Chesterton's engagement with modernism as well as the reciprocal fascination of leading modernist writers with Chesterton's fiction and thought. Shallcross argues that this dynamic was defined by various forms of parody and performance and that these histrionic expressions of cultural play not only suffused the era but found particular embodiment in Chesterton's public persona. This reading not only enables a far-reaching reassessment of Chesterton's corpus but also produces a framework through which to re-evaluate the creative and critical projects of a host of modernist writers, most sustainably T.S. Eliot, Wyndham Lewis and Ezra Pound through the prism of Chesterton's disruptive presence. The result is an innovative study of the literary performance of popular and high culture in early twentieth-century Britain which adds a valuable new perspective to continuing critical debates on the parameters of modernism.

The Devil from Over the Sea Sarah Covington, 2022. Since his brutal conquest of Ireland, Oliver Cromwell has attained the status of Ireland's national ogre. This book uncovers the ways in which he was memorialised and sometimes conveniently forgotten from 1660 to 1900, exploring his diverse personae in history writing, religious works, literature, political polemic, folklore and the landscape.

Christmas

in Pennsylvania Alfred Lewis Shoemaker,1999 Originally published in 1959 and written by a pioneer in American folk life studies this classic work examines the folk origins of Christmas in Pennsylvania Composed of interviews and newspaper reports it records holiday traditions from the eighteenth century through to the early twentieth century In this edition Don Yoder has contributed a new foreword providing insight into Alfred L Shoemaker s influential career and the significance of this still vital work and an afterword offering a look at recent research on Christmas customs Christmas in Pennsylvania Alfred L. Shoemaker,Don Yoder,2019-08-22 Bestselling classic with historical accounts full color vintage images and a selection of recipes from Pennsylvania s Christmas past Originally published in 1959 and written by one of the seminal figures in American folklife studies this classic work examines the folk origins of Christmas in the Keystone State Composed of interviews and contemporary newspaper reports it records holiday traditions from the eighteenth century through the early twentieth century including mummers Christ Kindel and Kriss Kringle Christmas trees and trimming Belsnickels the Philadelphia carnival of horns Moravian pyramids and putzes Pittsburgh firecracker celebrations and holiday treats Now with full color images this edition includes Don Yoder s new expanded afterword on recent research of Christmas customs and a selection of traditional recipes

Shakespeare's Wife Germaine Greer,2009-02-24 A New York Times Book Review Notable Book of the Year A polemical ground breaking study of Elizabethan England that reclaims Ann Hathaway s rightful place in history Little is known about the wife of the world s most famous playwright a great deal none of it complimentary has been assumed The omission of her name from Shakespeare s will has been interpreted as evidence that she was nothing more than an unfortunate mistake from which Shakespeare did well to distance himself Yet Shakespeare is above all the poet of marriage Before him there were few comedies or tragedies about wooing or wedding And yet he explored the sacrament in all its aspects spiritual psychological sexual sociological and was the creator of some of the most tenacious and intelligent heroines in English literature Is it possible therefore that Ann who has been mocked and vilified by scholars for centuries was the inspiration Until now there has been no serious critical scholarship devoted to the life and career of the farmer s daughter who married England s greatest poet Part biography part history Shakespeare s Wife is a fascinating reconstruction of Ann s life and an illuminating look at the daily lives of Elizabethan women from their working routines to the rituals of courtship and the minutiae of married life In this thoroughly researched and controversial book Greer steps off the well trodden paths of orthodoxy asks new questions and begins to right the wrongs done to Ann Shakespeare

The Relationship Between the Church and the Theatre Christine C. Schnusenberg,2017-06-12 This work has grown out of the question regarding the negative relationship of the Church Fathers toward the Roman theatre and the apparent subsequent theatre vacuum of over 400 years ca 530 AD to 930 AD This is considered to be the time which lies between the end of the Roman theatre and the appearance of the quem quaeritis tropes This work moves between these two poles on the one hand between the polemics against the pagan Roman theatre which the Church Fathers described as a theatrum

daemonicum and on the other hand the appearances of dramatic liturgical configurations in the Christian Church This work attempts to connect these two opposite poles instead of separating them This study begins with an examination of documents dealing with the patristic polemic This is followed by an examination in chronological sequence of the development of the liturgical dramatic manifestations from Jerusalem to Amalarius of Metz It also examines the allegorical method connected with this development In conclusion the argument is maintained that aside the theatrum daemonicum a theatrum infictitium et sapirituale is beginning to develop
