The English Teacher Joseph E. Mersand, 1977 The English Teacher Joseph E. Mersand, 1977 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1979 **English Journal**, 1997 Indiana English, 1979 **The Psychological Foundations of Education** Olga K. Baatz, Charles Albert Baatz, 1981 University Writing in Central and Eastern Europe: Tradition, Transition, and Innovation Mădălina Chitez, Claudia Ioana Doroholschi, Otto Kruse, Łukasz Salski, Dumitru Tucan, 2018-09-10 This book explores specific issues related to academic writing provision in the post communist countries in Eastern Central and Southern Europe Although they have different cultures and writing traditions these countries share common features in what regards the development of higher education and research and encounter challenges different from Western European countries Since academic writing as a discipline is relatively new in Eastern Europe but currently plays an essential part in the development of higher education and the process of European integration the volume aims to open discussion on academic writing in the region by addressing several issues such as the specific challenges in providing academic writing support at tertiary level in post communist countries the limitations and possibilities in implementing Western models of academic writing provision or the complex interactions between writing in national languages and writing in a second language Additionally the book presents several recent initiatives and possible models for providing academic writing support in universities in the area The important role of academic writing in English a common feature in post communist countries is reflected in the sections which focus on writing in English as a foreign language as well as on the impact of English upon national languages The volume will be of interest to academic writing researchers and teachers and those involved in teaching academic writing at the tertiary level **History Teacher's Magazine**, 1915 Asia in Western and World History: A Guide for Teaching Ainslie T. Embree, Carol Gluck, 2015-05-20 A guide aimed at introducing students to the history of Asia in conjunction with Western and world history *English as an International Language in Asia: Implications for Language Education* Roland Sussex, 2012-07-10 Noting ASEAN's adoption of English as its sole working language this book analyzes the language education policies of Vietnam Malaysia Indonesia Japan Sri Lanka and China and traces the influence of globalization on English language education in Asia *Language Teaching and Learning* Debbita Tan Ai Lin, Christine Liew Ching Ling, Ambigapathy Pandian, 2014-06-19 In every discussion on the role that language plays in our lives every orator from prominent politicians and corporate figures to linguists educational experts and others concedes that language is important in all spheres of life Language is both personal and introspective as well as public and communal Without it we would not be able to communicate and articulate our thoughts and feelings to ourselves to those in our inner circles and to those in the world at large Without it we would not be able to establish partnerships and collaborations and to unite peoples of diverse backgrounds and intrinsic values Without it too we would not be able to learn new discoveries and gain new knowledge The nurturing of a language learning culture is of the utmost importance to ensure

that language teaching and learning supports the development of individuals societies nations and populations Language researchers educators and practitioners need to ensure that their learners are empowered to remain relevant They need to produce critical and analytical thinkers and successful language users in listening speaking reading and writing The collection of chapters in this volume addresses language teaching and learning dilemmas and draws attention to the challenges researchers have overcome and those they continue to face The book chapters here reflect the transcendence by language teaching and learning of ordinary boundaries especially with the advent of the digital revolution and provide new perspectives pedagogies and approaches that help shape ethical responsible and sustainable policies Readers of this volume whether language practitioners students researchers policy and decision makers concerned educationists or any interested individual will gain new insights and experiences as they explore new identities new instructional media for interactive teaching and learning and new modes of meaning in diverse local and global contexts
