## Preparation

The 1st degree Entered Apprentice Mason is prepared for initiation by being deprived of all monies, metals and articles of value. He is blindfolded. His left breast, right arm, and left knee is made bare. His right heel is made slip-shod. A halter (rope) is placed around his neck.

The Entered Apprentice degree teaches, "As the Sun rises in the East to open and illumine the glorious day, so the Worshipful Master presides in the East, to open the Lodge, to rule and govern it with good and wholesome advice and instruction."

The 'Worshipful Master,' who sits in the east in Freemasonry, is the symbolic human embodiment of the sun. His deputy the Senior Warden, who sits in the west represents the moon. The 'Worshipful Master' is thus elevated to the post of a 'light-bearer.'

Masonic adept W.L. Wilmshurst alludes to this matter in his book 'The Meaning of Masonry,' where he expounds, in great detail, the esoteric (or hidden) spiritual significance of this peculiar custom. He states, "The Senior Warden, whilst the Master's chief executive officer, is his antithesis and opposite pole...At best he in the West can but reflect and transmit that greater light from the East, as the moon receives and reflects sunlight" (PP. 101-102).

As soon as the Worshipful Master opens the Entered Apprentice Lodge meeting - the Deacons raise their wands over a mystical three-branched candlestick flickering within the Lodge known as the Three Great Lights.

## Light

The guide then knocks three times on the Lodge door seeking entry. To which he bears, "Who comes there?"

The conductor of the Entered Apprentice degree then replies, "One in darkness, who wishes to approach the Light."

The Entered Apprentice conductor/guide says, "Brother Senior Warden, by direction of the Worshipful Master, I present to you this candidate for Freemasonry, and crave your fraternal assistance in having him placed in the proper position in order to take an obligation."

The Senior Warden replies, "Let the candidate stand erect, and face the east." The conductor then turns the Entered Apprentice candidate, so that he faces the Masonic altar and the 'Worshipful Master' in the east. The Deacons also turn and face the East.
