

European Executive Committee

A new executive committee was elected at the EURIG meeting in 2017 in Italy:

Renate Behrens, German National Library (European representative in RSC)

Hanne Hørl Hansen, DBC (chair)

Marja-Liisa Seppälä, National Library of Finland (vice chair)

Ahava Cohen, National Library of Israel, Secretary

The Committee has held 7 skype meetings during the year

The European Executive

Dominique Ritleng

The European Executive:

The European Executive David Granick, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Executive Power of the European Union Deirdre Curtin, 2009 The picture of Brussels based bureaucrats exercising arbitrary executive powers is one of the favourite images conjured by Eurosceptics across the political spectrum This book offers a richer understanding of the nature of the EU s powers how they relate to national governments and how they are controlled

An Emergent European Executive Order Jarle Trondal, 2010-02-25 This book poses two pertinent questions First if a European executive order is emerging how can we empirically see it Second if a European executive order is emerging how can we explain everyday decision making processes within it The goal of this book is two fold First it identifies key institutional components of an emergent European executive order The nucleus of this order is the European Commission The Commission however is increasingly supplemented by a mushrooming parallel administration of EU level agencies and EU committees This book provides fresh empirical survey and interview data on the everyday decision making behaviour role perceptions and identities among European civil servants who participate within these institutions Secondly this book claims and empirically substantiates that an emergent European executive order is a compound executive order balancing a limited set of key decision making dynamics One message of this book is that an emergent European executive order consists of a compound set of supranational departmental epistemic and intergovernmental decision making dynamics Arguably a compound European executive order transforms the inherent Westphalian order to the extent that intergovernmentalism is transcended and supplemented by a multidimensional mix of supranational departmental and or epistemic dynamics This book also theoretically explores conditions under which these decision making dynamics gain prevalence It is argued that the decision making dynamics emerging within an emergent European executive order are conditioned by the formal organisation of its composite parts and by the patterns of social interaction that emerge among its civil servants Political processes and political systems can neither be adequately understood nor explained without including the organisational dimension of executive orders

Controlling the EU Executive? Gijs Jan Brandsma, Jens Blom-Hansen, 2017-09-07 Every year the EU Commission issues thousands of rules based on powers delegated by the Council of Ministers and the European Parliament But delegation is carefully controlled

Traditionally control has been exerted through a system of committees of member state representatives comitology However this system was contested by the European Parliament which was left without any influence The Lisbon Treaty introduced a new control regime for delegated powers the so called delegated acts system which was meant to supplement the existing system The new system involves direct control by the Council of Ministers and the European Parliament and thus for the first time gave the European Parliament real influence over delegated powers However the choice over which delegation regime to use in practice has turned into one of the most vehement institutional conflicts in the EU political system This book represents the first comprehensive investigation of this conflict It does so by a combination of methods and data including process tracing of the introduction of the new system in the Lisbon Treaty case studies of selected post Lisbon delegation situations and statistical analysis of datasets comprising hundreds of post Lisbon legislative files

Executive-legislative (Im)balance in the European Union Diane Fromage, Anna Herranz-Surrallés, 2021-02-11 Ten years after the entry into force of the Lisbon Treaty has executive predominance in EU related matters disappeared How have executive legislative relations in the EU evolved over a crisis ridden decade from the financial and migration crises to Brexit and the COVID 19 pandemic The Lisbon Treaty could be expected to lead to the re balancing of powers in favour of parliaments for it significantly enhanced the roles of both the European Parliament and national parliaments A decade later the contributions to this edited volume examine for the first time in such an extensive breadth and from a multi level and cross policy perspective whether this has actually materialised They highlight that diverging tendencies may be observed and that important variations over time have occurred depending particularly on the occurrence of crises As stated in the fascinating epilogue by Peter Lindseth University of Connecticut School of Law this is an admirably coherent collective volume whose contributions provide an excellent overview of key aspects of executive legislative relations in the European system since the Treaty of Lisbon This edited volume will hence be of interest to both academics and practitioners interested in future reforms designed at the European and national levels to improve the EU s democratic quality

The European Union Simona Piattoni, 2015 This volume seeks to answer the question Which institutional architecture for which kind of democracy for the EU and discusses a series of institutional architectures in light of the democratic quality of the processes and decisions generated by them

The Federal Future of Europe Dusan Sidjanski, 2000 The history current state and likely future of the European Union

American Foreign Policy United States. Dept. of State, United States. Department of State, 1957

The Oxford Handbook of Political Executives Rudy B. Andeweg, Robert Elgie, Ludger Helms, Juliet Kaarbo, Ferdinand Müller-Rommel, 2020 This Handbook provides definitive reference work on political executives and their key role in political systems It records the current theoretical and methodological debates and sets the agenda for future research in this prominent and extremely wide ranging field of research

Subnational Parliaments in the EU Multi-Level Parliamentary System Gabriele Abels, Annegret Eppler, 2016-01-11 SUBNATIONAL OR REGIONAL PARLIAMENTS with

legislative competences are increasingly active in EU affairs and are recognized as POTENTIAL ACTORS IN THE EU S MULTI LEVEL SYSTEM BY EU LAW However studies on the territorial effects of European integration and on the Europeanization of parliaments as well as parliamentarism have so far disregarded this group of parliaments In the existing theoretical concepts of multi level parliamentarism subnational parliaments do not have a place until now The book addresses this theoretical and empirical gap Referring TO STUDIES ON PARLIAMENTARISM FEDERALISM AND EUROPEANIZATION the contributions discuss how to include subnational parliaments in the existing research A total of 74 subnational parliaments from eight member states is affected by the new system which allows them to participate in the so called Early Warning Mechanism of subsidiarity control The situation in six EU member states is analyzed in detail The country chapters illustrate and analyze how subnational parliaments in the federal member states Austria Belgium Germany and in the decentralized devolved ones Great Britain Italy Spain functionally adapt to the new opportunity structure and discuss the repercussions on legislative executive relations as well as on interparliamentary relations With contributions from Gabriele Abels Katrin Auel and Martin Gro e H ttman Peter Bursens Frederic Maes and Matthias Vileyn Peter Bu j ger Josep Mar a Castell Andreu and Mario K lling Ben Crum Annegret Eppler John Erik Fossum Anna Lena H genauer Sabine Kropp Robert Ladrech Erik Miklin Matteo Nicolini Werner J Patzelt Tapio Raunio Werner Reutter Gerhard Stahl and Bert Kuby Gracia Vara Arribas **Parliamentary Oversight of the Executives** Elena Griglio,2020-10-01 Oversight of executives has always been a key function of parliaments and one that is central to developing the relationship between the executive and legislative branches of government However in reality governments are taking a more pronounced role in controlling legislation diluting the influence of parliament This book plots this trend in parliaments across Europe to illustrate points of convergence and divergence In so doing it suggest tools and methods that parliaments can develop to bolster their crucial oversight role *The European External Action Service* David Spence,Jozef Batora,2015-08-18 This book questions whether the institutions and practices of the emerging EU diplomatic system conform to established standards of the state centric diplomatic order or whether practice is paving the way for innovative even revolutionary forms of diplomatic organisation

A Constitution for the European Union Charles Beat Blankart,Dennis C. Mueller,2004 The leaders of the European Union member states have declared that a European constitution should have the aim of bringing institutions closer to the citizens This text looks at how a common policy could be agreed as well as discussing what powers it might have The Palgrave Handbook of the European Administrative System M. Bauer,J. Trondal,2015-01-28 Drawing on research from the administrative sciences and using organizational institutional and decision making theories this volume examines the emerging bureaucratic framework of the EU and highlights that analyzing the patterns and dynamics of the EU s administrative capacities is essential to understand how it shapes European public policy **European Union Agencies as Global Actors** Florin Coman-Kund,2018-05-01 This book examines a largely unexplored dimension of the European agencies

namely their role in EU external relations and on the international plane International cooperation has become a salient feature of EU agencies triggering important legal questions regarding the scope and limits of their international dimension the nature and effects of their international cooperation instruments their status within the EU and on the global level and leading potentially to tensions between EU law and international law This book fills the existing knowledge gap by scrutinizing the international cooperation legal framework and practice of EU agencies including their mandate tasks and instruments together with their legal status as actors with a global dimension It sets out a general legal analytical framework which combines legal parameters from EU and international law to assess EU agencies as global actors and examines in detail three case studies on carefully selected agencies to shed light on the complexities of EU agencies daily international cooperation

EU Executive Discretion and the Limits of Law Joana Mendes, 2019 This edited collection analyses how the law governs and should govern the exercise of discretion by the EU's executive powers in light of post 2010 developments which have expanded such powers

The Political System of the European Union Simon Hix, Bjørn Høyland, 2022-04-21 Starting from the observation that the European Union now possesses many of the attributes of modern political systems Hix and Høyland take an innovative approach to analysing researching and teaching the EU Using the general theories of political science to understand how the EU works this text covers each of the main processes in the EU political system executive legislative and judicial politics public opinion interest groups and democracy and regulatory monetary and foreign policies introducing the key political science tools reviewing the relevant theories and applying the knowledge in detailed descriptive analysis As well as incorporating new data and the latest research this new edition examines the consequences of the dramatic political and policy developments in the EU over the past decade The methodology used in the text makes the political system of the EU accessible to political science students as a whole as well as those specifically studying and researching the EU

Electricity Network Regulation in the EU Leonardo Meeus, Jean-Michel Glachant, 2018-03-30 The UK model of incentive regulation of power grids was at one time the most advanced and elements of it were adopted throughout the EU This model worked well particularly in the context of limited investment and innovation a single and strong regulatory authority and limited coordination between foreign grid operators This enlightening book shows that since 2010 the whole context has changed and regulation has had to catch up and evolve The EU is entering a wave of investment and an era of new services and innovation which has created growing tensions between national regulatory authorities in terms of coordinating technical standards and distribution systems This is being played out against an increasingly disruptive backdrop of digitization new market platforms and novel business models

A Companion to European Union Law and International Law Dennis Patterson, Anna Södersten, 2016-05-02 Featuring contributions from renowned scholars A Companion to European Union Law and International Law presents a comprehensive and authoritative collection of essays that addresses all of the most important topics on European Union and international law Integrates the fields of European

Union law and international law revealing both the similarities and differences Features contributions from renowned scholars in the fields of EU law and international law Covers a broad range of topical issues including trade institutional decision making the European Court of Justice democracy human rights criminal law the EMU and many others

Independence and Legitimacy in the Institutional System of the European Union Dominique Rittleng, 2016-02-12

As EU non majoritarian bodies such as the European Commission the Court of Justice of the European Union and the European Central Bank grow in political influence many have identified the pressing need to keep these bodies accountable to the repositories of the EU's democratic legitimacy This collection of essays sheds light on the inherent tension between independence and legitimacy in the EU's institutional system and explores the options of reconciling the two Featuring analysis from both legal and political perspectives the volume assesses whether to what extent and how it is possible to control the various EU independent bodies and make them answerable for what they do while at the same time upholding their independence

The Top Books of the Year The European Executive The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. The European Executive : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

The European Executive Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The European Executive PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The European Executive PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The European Executive free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The European Executive Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
