*The Exciting Church* Charlie W. Shedd, 1975-01-01      **United Methodists Today** ,1975      **Presbyterian Survey** ,1975

**Remember, I Love You** Charles W. Shedd, 1992-02-14      **The Bible's Amazing Hidden 2%** William L.

Wagner, 2021-04-12 My background is that I am a licensed civil engineer a pastor a professor of theology a university president and a missionary As a young theology student reading the Bible I found many verses of Scripture that I could not fully understand In going to commentaries and speaking with professors I did not receive the answers that I was looking for This book is an attempt to look at many of the problem areas of the Scriptures and to find the reasons why they appear in the Bible I found that only about 2 percent of the Bible begins to open the door to the real meanings of heaven hell eternity angels demons etc This 2 percent is important for us to correctly realize that God does not expect us to understand more than what He has given in His Word Our Heavenly Father has revealed to us what we need to know while here on earth The Bible begins with creation and ends with the final judgment Above us is heaven and below us is hell This book gives a diagram which shows us the area of interest in his revealed Word What exists outside of this area of revelation is unknown to us because God decided not to reveal all to us Much of my ministry has been working with university students in many countries They often look at these problem scriptures and need good answers but seldom get them such as the whole concept of creation Realizing that the Bible is not a book of science but a book that shows us how to live I feel that there is a good explanation that students can and will accept I am convinced that it will never be possible for us to fully understand all of God's Word but in looking at these problem verses and understanding why they have been given we come to the conclusion that much of the Bible will never be truly understood while we live here on earth However many of these verses open the door to even a greater understanding and that is for us to know how truly great our God is      **The Global House Church Movement** Rad Zdero, 2004-06-01 A major church shift is happening all around the world God is once again bringing back the power and simplicity of New Testament style Christianity The Lord is raising up the global house church movement Do you want to reach your friends and your nation with an approach to church life and church planting that is biblical and effective If so read this book      **The Living Church** ,1945      **Proverbs** Sue Edwards, In this meaningful devotional women's ministry leader Sue Edwards helps readers decipher biblical pearls of wisdom and learn timeless life lessons Throughout this eight week Bible study women will learn what the proverbs say about daily life how they apply to modern times and how they reveal the wisdom of God for all readers Includes a leader's guide in the back      **Amazing Concepts** Grady Lee, 2013-07-16 For 2000 years there has been much misinterpretation concerning the following topics causing division in the Christian Faith Today using computer power to research the Bible alone for the topics and some history for background information these truths stand out Here is hoping and praying you will use these studies to understand God's program of redemption reconciliation and His method of getting his message out to mankind Topics for Study in this series THE BIBLE
