human being but the author here brilliantly gives us hints and clues that Jarren has more heart and fairness than most This is an epic Hero s Journey with a strong feeling of Assassins Creed theme meets A Court of thorn and roses with a male main character Also the magical hidden world he finds he is part of reminds me of the Spiderwick Chronicles The Author turns the different fictional landscapes into something worthy of visiting Jarren s world is intriguing dangerous and mysterious as our protagonist discovers that everything he knows has been a lie This is a story of life versus annihilation of all life Elonia our mythical dryad world is in utmost danger Frankly I could not put it down despite the many life interruptions I have on a daily basis I highly recommend this EPIC adventure fantasy story **Slapping the Table in Amazement** Mengchu
