Transport decisions in an age of uncertainty E.J. Visser, 2012-12-06 Proceedings of the 3rd World Conference on Transport Research Rotterdam The Netherlands April 1977 **Transport and Energy Research** Junyi Zhang, 2019-09-17

Transport and Energy Research A Behavioral Perspective deals with the transport issues associated with energy from a behavioral perspective in an interdisciplinary and systematic way Existing transport and energy research has focused on technologies and energy efficiency however more efficient technologies do not necessarily lead to energy reduction Unfortunately very limited behavioral research can be found in the literature This book covers major transport modes in major countries It emphasizes the importance of researching the behaviors of not only transport and energy service users but also transport and energy service providers policy makers organizations company managers and other stakeholders who are involved in and or affected by transport and energy policies It not only overviews the history of relevant research and presents new developments but also extensively discusses the future research issues Various findings are summarized for reducing energy consumption from a behavioral perspective This book provides readers with behavioral insights into more effective policymaking Behavioral interventions are recommended as a key policy instrument for reducing energy consumption in a sustainable way It provides policy makers with comprehensive insights into making more effective policies over the whole process of policymaking The book can serve as a handbook for researchers and a textbook for graduate students in the fields of transport energy environment planning public policy behavioral studies and so on Examines transport and domestic issues associated with energy from a behavioral perspective in both an interdisciplinary and comprehensive way Offers an overview of current relevant research and the most recent developments Provides rich information about future research trends and innovative insights into effective policymaking

The Factors Affecting Household Car Ownership: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Factors Affecting Household Car Ownership : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Factors Affecting Household Car Ownership : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
