The Facts About Sarawak A Documented Account Of The Cession To Britain In 1946:

The Facts about Sarawak Anthony Brooke,1983 **The Fact about Sarawak** Anthony Brooke,1983 *The White Rajah* Steven Runciman,2011-02-03 The White Rajah documents a fascinating time in Sarawak made possible by high integrity of three generations of Brooke men *The White Rajah* Steven Runciman,1960-01-03 The Sultan of Brunei gave the title of Rajah and sovereignty of Sarawak a province of Borneo to James Brooke in 1841 as a reward for helping to peacefully resolve an uprising in the region Brooke established his reign over the area and two further Brooke descendants ruled Sarawak as a British protectorate for the next hundred years until Japanese occupation during World War II followed by cession to Britain Between the three Rajahs they expanded Sarawak territory successfully squashed piracy and put in place a structured government and justice system that brought harmony to a diverse multicultural society that had long been in turmoil from clashing cultures particularly with the widespread practice of headhunting Published first in 1960 as Sarawak ceded to Malaysia The White Rajah documents this unique and fascinating time made possible by the human sympathy selflessness and a high integrity of three generations of Brooke men *British Colonial Rule in Sarawak, 1946-1963* Vernon L. Porritt,1997 Sarawak romanticized as the Land of the White Rajahs until 1946 lost its independence became a British colony and then became a state in the Federation of Malaysia all in the short span of seventeen years This book attempts to provide some answers to the questions often raised in connection with this period of unparalleled change in Sarawak s history a period which has largely been neglected by researchers The Cession of Sarawak to Great Britain, 1946 Bujang bin Mohammed Nor,1999 **The Facts about Sarawak** ,19?? *The End of the Brooke Raj in Sarawak* Colin N. Crisswell,1994 *The cession of Sarawak to the British crown in 1946* Bob Reece,1977 The cession of Sarawak by the third Rajah to the British Crown finally resolved the ambiguous position of a European ruled Malay state which remained within the British imperial system for 100 years without being a formal part of it External pressures principally the Japanese invasion had made direct British control both necessary and irresistible The problem of the succession also helped to ensure that the Rajah s agreement was not difficult to obtain But it was already apparent in the 1930s that Brooke rule had come to the end of the road and could only look backwards The Brooke administration s failure to re define native interests in the light of economic and social developments had removed the rationale upon which the Raj was avowedly based The legitimization of cession was a grubby affair undertaken more for the benefit of British domestic opinion than the people of Sarawak Nevertheless it provided an issue which fostered the political development of Sarawak from a loose group of communities linked only by a common acceptance of the Rajah s authority to a multi racial state with its own nationalist tradition Sarawak nationalism took the form of a movement to restore Brooke rule but it envisaged the establishment of an independent native state in which power would be shared between the Malays and the Ibans **The Cession of Sarawak to the British Crown in 1946** Robert Reece,1977 *The Raja of Saráwak* Gertrude Le Grand Jacob,1876 **The Facts**
