The Faith Of Jimmy Carter

Jimmy Carter

The Faith Of Jimmy Carter:

Faith Jimmy Carter, 2018-03-27 In this powerful and personal New York Times bestseller President Jimmy Carter contemplates how faith has sustained him in happiness and disappointment and considers how we may find it in our own lives All his life President Jimmy Carter has been a courageous exemplar of faith Now he shares the lessons he learned He writes The issue of faith arises in almost every area of human existence so it is important to understand its multiple meanings In this book my primary goal is to explore the broader meaning of faith its far reaching effect on our lives and its relationship to past present and future events in America and around the world The religious aspects of faith are also covered since this is how the word is most often used and I have included a description of the ways my faith has guided and sustained me as well as how it has challenged and driven me to seek a closer and better relationship with people and with God Quoting eminent Protestant theologians in *Faith* President Carter describes his belief in religious freedom moral politics and the place of prayer in his daily life He examines faith s many meanings he describes how to accept it live it how to doubt and find faith again This is a serious and moving reflection from one of America s most admired and respected citizens *Sources of Strength* Jimmy Carter, 2011-08-24 NEW YORK TIMES BESTSELLER An insightful and moving collection of fifty two Biblical meditations from former President Jimmy Carter For me the ancient texts always come alive when I explore them with a searching heart I hope they will be for you as they have been for me sources of strength Jimmy Carter from the Preface Former President Jimmy Carter has won the respect and affection of millions for his long career as a humanitarian a peacemaker and a model of faith in action The Sunday school classes he led at his hometown church in Plains Georgia were legendary These weekly sessions are remarkable for the ability of regular folks to walk in grab a seat and exchange views with the thirty ninth president of the United States says The New York Times But they are also remarkable for what Mr Carter has to say For *Sources of Strength* President Carter has curated fifty two of his favorite Bible lessons one for each week of the year from the fifteen hundred or so he taught over the decades A thoughtful and inspiring book *Sources of Strength* captured the heart of the country and can be enjoyed on its own or as a companion to Carter s bestselling spiritual autobiography *Living Faith* Living Faith Jimmy Carter, 2011-08-31 Make it easy on yourself read *Living Faith* in Large Print All Random House Large Print Editions are published in a 16 point type For almost three decades President Carter has regularly spent part of each Sunday reading from scripture and sharing his personal faith with neighbors friends and visitors at his Baptist church in Plains Georgia In *Living Faith* he draws on this experience exploring the values closest to his heart and the personal beliefs that have nurtured and sustained him For President Carter faith finds its deepest expression in a life of compassion reconciliation and service to others *Living Faith* is filled with stories of people whose lives have touched his some from the world stage more from modest walks of life We see how President Carter learned about other faiths from Prime Minister Menachim Begin and President Anwar Sadat learned a lesson in forgiveness from a clash with commentator

George Will how he was inspired by the simple theology of preacher Ely Cruz Love God and the person in front of you and how the cheerful strength of family friend Annie Mae Rhodes taught him the meaning of patient faith Rooted in scripture and infused with a vision of how a dynamic faith can enrich our public and private lives this is the most personal book yet by one of our most admired Americans a warmly inspirational volume to give and to share From the Trade Paperback edition

The Faith of Jimmy Carter Jessyca Russell Gaver,1977 The Personal Beliefs of Jimmy Carter Jimmy Carter,2002 Living Faith originally published New York Times Books 1996 Secret Strength originally published New York Times Books 1997

Redeemer Randall Balmer,2014-05-13 Discusses how the progressive principles of a born again Evangelical Christian peanut farmer which included racial justice women s rights and concern for the plight of the poor won the presidency in 1976 a sharp contrast to today s conservative views of the Religious Right 25 000 first printing **Redeemer, Second Edition** Randall Balmer,2024-04-11 This illuminating biography of our thirty ninth president by an acclaimed historian of American religion presents Jimmy Carter as the last great standard bearer of progressive evangelical politics Evangelical Christianity and conservative politics are commonly viewed today as inseparable But when Carter a Democrat and unabashed born again Christian won the presidency in 1976 he owed his victory in part to American evangelicals Yet four years later those very same voters abandoned Carter for Ronald Reagan and the Republican Party signaling the eclipse of Christian progressivism by the Religious Right Balmer briskly narrates Carter s religious and political development his stunning rise from peanut farmer to Georgia governor to president of the United States his accomplishments and missteps and his swift fall from political grace With a keen eye for the dynamic politics of the 1970s and 80s and the inner workings of right wing religious organizing Balmer provides a compelling account of an often misunderstood moment in American political history full of insight into the character and motivations of the nation s longest lived president Now in paperback for the first time this edition includes a new afterword on the forces that led to Carter s 1980 defeat and the ways his policy priorities and values extended to his long career as a humanitarian and activist after leaving the White House **Faith and Freedom** Jimmy Carter,2006 President Carter has written importantly about his spiritual life and faith In this book he offers a personal consideration of moral values as they relate to the important issues of the day He puts forward a passionate defense of separation of church and state and a strong warning of where the country is heading as the lines between politics and rigid religious fundamentalism are blurred He reacts to some trends involving both the religious and the political worlds as they have increasingly become intertwined and including some of the most crucial and controversial issues of the day frequently encapsulated under moral values They include preemptive war women s rights terrorism civil liberties homosexuality abortion the death penalty science and religion environmental degradation nuclear arsenals America s global image fundamentalism and the melding of religion and politics Sustained by his faith Carter assesses these issues in a forceful and unequivocal but balanced and courageous way From publisher description **Through the Year with Jimmy Carter**

Jimmy Carter, 2011-12-20 In *Through the Year with Jimmy Carter* the thirty ninth President of the United States takes you on a unique journey into the heart of the Christian faith Based on more than three decades of practical Bible teaching the readings in this ebook draw from the riches of God s Word and the compelling experiences of Mr Carter s own life Whether through fascinating glimpses into behind the scenes activity at the White House or insightful remembrances of his career in the U S Navy Mr Carter never ceases to connect the wisdom of Scripture with your own crucial place on the stage of life Frank honest sometimes funny sometimes heartbreaking and always relevant *Through the Year with Jimmy Carter* challenges readers to be more Christ like every day of their lives *The Man from Plains* David Kucharsky, 1977 *The Carpenter's Apprentice* Dan Ariail, Cheryl Heckler-Feltz, 1996 Throughout his career as a statesman Jimmy Carter has been guided by his Christian beliefs *The Carpenter's Apprentice* explores his spiritual development offering an intimate insight into the role his faith has played in both public service and private life Through interviews with friends and family *The Carpenter's Apprentice* explores the roots of Carter s faith and the way he lives out a genuine and down to earth Christianity today including his childhood and family background the presidential years the historic 1979 Camp David Accords his Sunday school teaching experiences his marital partnership with Rosalynn his work with Habitat for Humanity the founding and philosophy of the Carter Center his work as an international peacemaker and the behind the scenes successes of his trip to North Korea *The Carpenter's Apprentice* includes exclusive quotes personal interviews and never before published anecdotes as well as a special section on what to see and do if you plan to visit Plains Georgia It also describes the unique ministry of Jimmy Carter s local church how visitors from around the world are welcome and what it s like to hear the former President teach in Sunday school **BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *A Call to Action* Jimmy Carter, 2014-03-25 Looks at the suffering discrimination and abuse suffered by women throughout the world often as a result of distorted readings of religious texts as witnessed by the author and the testimony of women representing different regions and religions *The Religion of President Carter* Niels Christian Nielsen, 1977 *The Real Jimmy Carter* Steven F. Hayward, 2004-03-19 Hayward reveals a man who he argues has been given a dangerously free pass by historians who is not only a failed ex president but as vindictive as he is egotistical and a self righteous busybody who leaves disaster in his wake *Faith and the Presidency From George Washington to George W. Bush* Gary Scott Smith, 2006-10-12 Publisher description *The Presidents & Their Faith* Darrin Grinder, Steve Shaw, 2012-03-21 The old adage never discuss religion and politics is roundly rejected in this incisive exploration of presidential history and religious faith The Presidents religious instruction was the responsibility of religious societies not the civil state What drove Washington to make that argument and what if he had lost Who wouldn t feel like the exasperated FDR when he said I can do almost everything in the Goldfish Bowl of the President s life but I ll be hanged if I can say my prayers in it It bothers me to feel like something in the zoo being looked at by all the tourists in Washington when I go to church No privacy in that kind of going to**

church and by the time I have gotten into that pew and settled down with everybody looking at me I don't feel like saying my prayers at all But even more importantly what's real what's a show and why does it matter when it comes to faith and politics These questions and more are unpacked and examined leading to a whole new understanding of how religion and politics interfaced through America's history and how they will play out in our future In this climate of religious and political tensions The Presidents Their Faith casts a civil yet entertaining and insightful spotlight on the unique mix and frequent mix ups of politics and religion in America

Religion and the American Presidency Gastón Espinosa, 2009 This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon It explores how presidents have drawn on their religious upbringing rhetoric ideas and beliefs to promote their domestic and foreign policies to the nation This influence is evident in Washington's decision to add "so help me God" to the presidential oath accusations by Adam S. Stephens that Jefferson was an infidel Lincoln's biblical metaphors during the Civil War and FDR's call to fight against Nazi totalitarianism on behalf of Judeo-Christian civilization It is also apparent in Truman's support for Israel Eisenhower's Cold War decision to add "In God We Trust" on American currency the debate over JFK's Catholicism Jimmy Carter's born-again Christianity Reagan's Evil Empire speech Clinton's public repentance and George W. Bush's crusade against Islamic terrorists This volume explores these issues of religion and power in the presidencies of Washington Jefferson Madison Lincoln FDR Truman Eisenhower JFK Carter Reagan George H. W. Bush Clinton and George W. Bush through scholarly interpretations primary sources and illustrations

Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen, 2011 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born-again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J. Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by *Roe v. Wade* feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day

Religion and the American Presidency Mark J.

Rozell, Gleaves Whitney, 2023-12-20 This book chronologically analyzes fourteen key US Presidents from Washington to Biden to highlight how religion has informed or influenced their politics and policies For years leading scholars have largely neglected religion in presidential studies Yet religion has played a significant role in a number of critical presidencies in US history This volume reveals the deep religious side to such presidents as Truman Eisenhower and Reagan among others and the impact that faith had on their administrations Now in its fourth edition this work includes analysis of Joe Biden as the second Catholic president in United States history and provides a timely update to a key text in the study of religion and the presidency *Keeping Faith* Jimmy Carter, 1982 President Jimmy Carter won the Nobel Peace Prize in 2003

As recognized, adventure as competently as experience practically lesson, amusement, as with ease as treaty can be gotten by just checking out a ebook **The Faith Of Jimmy Carter** also it is not directly done, you could agree to even more on the subject of this life, concerning the world.
