Heritage Covenants & Preservation Michael McMordie, Frits Pannekoek, 2004 Urban planners government officials and preservation activists are increasingly at odds as every day more and more heritage buildings are threatened with

destruction to make way for urban development and revitalization Stakeholders in these often emotionally and politically charged debates have arrived at what is potentially a solution that can satisfy all parties in the equation Heritage covenants are a complex legal instrument involving the sale or donation of a heritage interest to a not for profit organization or government agency In an unprecedented initiative the Calgary Civic Trust in the year 2000 brought together experts and leaders in heritage covenants from Canada Great Britain and the United States to discuss the future of this unique preservation instrument This book is a result of the proceedings and focuses specifically on this sophisticated aspect of heritage preservation

South-Bucks and Thames-side Region W. R. Davidge (William Robert),1928 *The Thames Valley from Cricklade to Staines* Walter Longley Bourke Mayo (8th Earl of),Patrick Abercrombie,S. D. Adshead,William Harding Thompson,Council for the Preservation of Rural England. Thames Valley Branch,1929 *Sherman's Wife* Julia Camoys Stonor,2012-09-13 Sherman s Wife is Julia Camoys Stonor s blackly humorous childhood memoir Her mother Jeanne came from an impecunious Catholic aristocratic family and careened her way through the bedrooms of Mayfair Madrid and Rhode Island Her father was Sherman the half American 6th Baron Camoys whom Jeanne effectively blackmailed into marriage Jeanne insisted that she and Sherman spend their honeymoon with one of her lovers Hitler s foreign minister Joachim von Ribbentrop Once installed at the Stonor Park estate Jeanne set about acquiring money and power through any means possible including but not limited to theft sexual blackmail and murder In this frank and unflinching portrait of English upper class life in the 1940s Julia Camoys Stonor manages to evoke Mommie Dearest and Brideshead Revisited in equal measure

Archaeologia ,1921 **A Country Parson** Wilfred Watts,1979 **Journal of the Royal Institute of British Architects** ,1910 **The Wind At My Back** Paul Maunder,2018-05-17 In this deeply personal and lyrical exploration of what it means to ride a bicycle Paul Maunder explores how our memories have a dialogue with landscape and how cycling and creativity are connected Taking a journey through the places that have shaped him we ride across wild moorland through suburbia and city streets into quintessentially English pastoral scenes We see too some of the darker parts of the British countryside sites of great secrecy that intrigue the imagination This is a book about how landscape can sustain us and how even an hour s escape can inspire our creative sides The bicycle allows us to explore and dream and return in time for dinner

On Chesil Beach Ian McEwan,2009-02-24 1 INTERNATIONAL BESTSELLER NOW A MAJOR MOTION PICTURE The bestselling author of *Saturday* and *Atonement* brilliantly illuminates the collision of sexual longing deep seated fears and romantic fantasy in his unforgettable emotionally engaging novel The year is 1962 Florence the daughter of a successful businessman and an aloof Oxford academic is a talented violinist She dreams of a career on the concert stage and of the perfect life she will create with Edward the earnest young history student she met by chance and who unexpectedly wooed her and won her heart Edward grew up in the country on the outskirts of Oxford where his father the headmaster of the local school struggled to keep the household together and his mother brain damaged from an accident drifted in a world of her

own Edward's native intelligence coupled with a longing to experience the excitement and intellectual fervour of the city had taken him to University College in London. Falling in love with the accomplished shy and sensitive Florence and having his affections returned with equal intensity has utterly changed his life. Their marriage they believe will bring them happiness, the confidence and the freedom to fulfill their true destinies. The glowing promise of the future however cannot totally mask their worries about the wedding night. Edward, who has had little experience with women, frets about his sexual prowess. Florence's anxieties run deeper; she is overcome by conflicting emotions and a fear of the moment she will surrender herself. From the precise and intimate depiction of two young lovers eager to rise above the hurts and confusion of the past to the touching story of how their unexpressed misunderstandings and fears shape the rest of their lives, *On Chesil Beach* is an extraordinary novel that brilliantly movingly shows us how the entire course of a life can be changed by a gesture not made or a word not spoken.

Chilterns at Work Jill Eyers, 2018-07-15 *Chilterns at Work* is a fascinating pictorial history of the working life of the Chilterns area in South East England in the last hundred and more years.

The Oxford Handbook of Roman Britain Martin Millett, Louise Revell, Alison Moore, 2016-09-01 This book provides a twenty-first century perspective on Roman Britain, combining current approaches with the wealth of archaeological material from the province. This volume introduces the history of research into the province and the cultural changes at the beginning and end of the Roman period. The majority of the chapters are thematic, dealing with issues relating to the people of the province, their identities and ways of life. Further chapters consider the characteristics of the province they lived in, such as the economy and settlement patterns. This Handbook reflects the new approaches being developed in Roman archaeology and demonstrates why the study of Roman Britain has become one of the most dynamic areas of archaeology. The book will be useful for academics and students interested in Roman Britain.
