The Hard Awakening:

The Hard Awakening Hassan Barnaba Dehqani-Tafti, 1988-01-01 **Iran and Christianity** Mark Bradley, 2011-10-27 In this enlightening study Mark Bradley looks at the growing underground church in Iran. Given the hostility of the regime, it is often assumed that Christianity is withering in Iran, but in fact more Iranian Muslims have become Christians in the last 25 years than since the seventh century when Islam first came to Iran. Beginning with an in-depth look at the historical identity of Iran religiously, culturally, and politically, Bradley shows how this identity makes Iranians inclined towards Christianity. He goes on to look at the impact of the 1979 revolution, an event which has brought war, economic chaos, and totalitarianism to Iran, and its implications for Iranian faith. The study concludes with an analysis of church growth since 1979 and an examination of the emerging underground church. This is a fascinating work guaranteed to improve any reader's knowledge of not only Iranian faith and church growth but of Iranian culture and history as a whole, thanks to the thorough treatment given to the country's background. *The Hard Awakening* Hassan B. Dehqani-Tafti, 1981 *Lazarus Awakening Study Guide* Joanna Weaver, 2015-07-21 Do you feel trapped in a tomb of regret, doubt, or fear? Are you tripped up by patterns and behaviors you need to leave behind? It's time to come forth with this eight-session companion guide. Just as Jesus called Lazarus from darkness, He is calling you to come out of the false beliefs and habits that keep you from receiving His unconditional love. He is calling you to know deep in your spirit that God not only loves the world; He loves you. This eight-session study guide for use with Joanna's book and companion video content (available separately) is designed to draw you deeper into the historical and spiritual truths we learn from the story of Lazarus, a friend called out from death into the life-giving arms of Jesus. Eight sessions of video content, taught by Joanna and filmed in the Holy Land, are also available on DVD or by online streaming. **Awaken Your Inner Power!** Robert Morgen, 2008-01-03 **The Living Church**, 1981 **Temple Bar**, 1899 *The Genesis of German Conservatism* Klaus Epstein, 2015-03-08 Although Conservative parties did not exist in Germany until after the Napoleonic Wars, there did emerge around 1770 traceable organized political activity and intellectual currents of a clearly Conservative character. The author argues that this movement developed as a response to the challenge of the Enlightenment in the fields of religion, socioeconomic affairs, and politics, and that this response antedated the impact of the French Revolution. Believing that Conservatism cannot be treated properly as a specialized phenomenon or simply as an intellectual movement, Professor Epstein correlates it with the political and social forces of the time. Anglican Studies Mark David Chapman, Sathianathan Clarke, Martyn Percy, 2016 The Anglican Communion is the third largest Christian denomination and claims a membership of some 80 million members in about 164 countries Given that there are only around two hundred countries in the world this makes the churches of the Anglican Communion the most geographically widespread denomination after Roman Catholicism The 44 essays in this volume embrace a wide range of academic disciplines theological historical demography and geography and different aspects of culture and ethics They are united in their discussion of what is effectively a new inter disciplinary subject which we have termed Anglican Studies At the core of this volume is the phenomenon of Anglicanism as this is expressed in different places and in a variety of ways across the world This Handbook covers a far broader set of topics from a wider range of perspectives than has been hitherto attempted in Anglican Studies At the same time it doesn't impose a particular theological or historical agenda The contributions are drawn from across the spectrum of theological views and opinions It shows that the unsettled nature of the polity is part of its own rich history and many will see this as a somewhat lustrous tradition In its comprehensive coverage this volume is a valuable contribution to Anglican Studies and helps formulate a discipline that might perhaps promote dialogue and discussion across the Anglican world

Scribner's Magazine ..., 1907 **American Missionaries in Iran during the 1960s and 1970s** Philip O.

Hopkins, 2020-09-22 This work explores the interaction of American Protestant missionaries with Iranians during the 1960s and 1970s It focuses on the missionary activities of four American Protestant groups Presbyterians Assemblies of God International Missions and Southern Baptists It argues that American missionaries predisposition toward their own culture confused their message of the gospel and added to the negative perception of Christianity among Iranians This bias was seen primarily in the American missionaries desire to modernize Iran through education and healthcare and between the missionaries relationship with Iranian Christians Iranian attitudes towards missionary involvement in these areas are investigated as is the changing American missionary strategy from a traditional method where missionaries had the final say on most matters related to American and Iranian Christian interaction to the beginnings of an indigenous system where a partnership developed between the missionary and the Iranian Christian
