The Hermit:

The Hermit's Story Rick Bass, 2003-09-18 A Los Angeles Times Best Book of the Year Uniformly excellent stories about our relationships with each other and with the treacherous natural world Publishers Weekly In the title story a man and woman travel across an eerily frozen lake under the ice The Distance casts a skeptical eye on Thomas Jefferson through the lens of a Montana man s visit to Monticello Eating begins with an owl being sucked into a canoe and ends with a man eating a town out of house and home and The Cave is a stunning story of a man and woman lost in an abandoned mine Other stories include The Fireman Swans The Prisoners Presidents Day Real Town and Two Deer Each is remarkable in its own way sure to please both new readers and avid fans of Rick Bass s passionate unmistakable voice Bass focuses a naturalist s eye not only on the frozen lakes and interplay of predator and prey often found in his work but also on the ebb and flow of human emotions and relationships Thought provoking and entertaining these stories move along quickly but continue to resonate long after the reader is done several have been anthologized in award collections Library Journal Beautiful in their magical imagery dramatic in their situations and exquisitely poignant in their insights these stories of awe and loss are quite astonishing in their mythic use of place and the elements of earth air fire and water Booklist Bass puts his talent as a nature writer to terrific use The New York Times Book Review Bass s language glistens with the beauty of the landscapes he evokes San Francisco Chronicle Book Review

The Hermit's Box Valerie Nell Tucker, 2009-09 On a weekend trip to the beach a family visits their friend a hermit named Robert who lives at Fort Fisher N C

The Hermit's Hut Kazi K. Ashraf, 2013-10-31 The Hermit s Hut offers an original insight into the profound relationship between architecture and asceticism Although architecture continually responds to ascetic compulsions as in its frequent encounter with the question of excess and less it is typically considered separate from asceticism In contrast this innovative book explores the rich and mutual ways in which asceticism and architecture are played out in each other s practices The question of asceticism is also considered as neither a religious discourse nor a specific cultural tradition but as a perennial issue in the practice of culture The work convincingly traces the influences from early Indian asceticism to Zen Buddhism to the Japanese teahouse the latter opening the door to modern minimalism As the book s title suggests the protagonist of the narrative is the nondescript hermit s hut Relying primarily on Buddhist materials the author provides a complex narrative that stems from this simple structure showing how the significance of the hut resonates widely and how the question of dwelling is central to ascetic imagination In exploring the conjunctions of architecture and asceticism he breaks new ground by presenting ascetic practice as fundamentally an architectural project namely the fabrication of a last hut Through the conception of the last hut he looks at the ascetic challenge of arriving at the edge of civilization and its echoes in the architectural quest for minimalism The most vivid example comes from a well known Buddhist text where the Buddha describes the ultimate ascetic moment or nirvana in cataclysmic terms using architectural metaphors The roof rafters will be shattered the Buddha declares and the

architect will no longer build the house again As the book compellingly shows the physiological and spiritual transformation of the body is deeply intertwined with the art of building The Hermit s Hut weaves together the fields of architecture anthropology religion and philosophy to offer multidisciplinary and historical insights Written in an engaging and accessible manner it will appeal to readers with diverse interests and in a variety of disciplines whether one is interested in the history of ascetic architecture in India the concept of home in ancient India or the theme of the body as building The Hermit's Curse & Other Plays N. Maheswari Devi,2019-12-30 It is often said that the better nature of a man can be best judged by how he treats his inferiors The Hermit s Curse puts this to the test from the get go how would a proud king treat a humble hermit in a chance meeting And what consequences do his actions have This is a story of ripple effects whether one girl s devotion and desperate hope can put a stop to a string of misfortunes then remains to be seen On the other hand the Last King of Vanni tells a much less personal story Instead like an epic of old it chronicles a heroic king s struggle to keep his land safe as it is threatened by foes from abroad and home alike Yet one cannot help but be drawn by the complex and intense emotions of the princess the court poet the various villains and of course the king himself In such tumultuous times who will find their happiness and at what cost Lastly King Sangili of Jaffna is an exploration of a young man struggling to reconcile his private quest for love and justice with the duties of the throne that have been thrust upon him Unlike the typically confident ruler of lore he is troubled by his inexperience and the difficulty of making wise choices And with conspiracy afoot at each turn the eponymous character has no time to lose in figuring out for himself what it truly takes to be king **Corea the Hermit Nation** William Elliot Griffis,1888 **The Hermit's Cave : or, Theodore and Jack** Eleanora H. Stooke,2023-07-11 In The Hermit s Cave or Theodore and Jack Eleanora H Stooke weaves a captivating narrative that explores themes of friendship adventure and the quest for identity Set against the backdrop of a mysterious cave the story unfolds through the eyes of two boys Theodore and Jack whose summer escapades take them into a world filled with intrigue and moral dilemmas Written in a delicate yet engaging literary style Stooke s prose combines vivid descriptions with a whimsical tone reminiscent of 19th century children s literature while hinting at the emerging realism of her time The book serves as an essential reflection on youth dynamics and the rites of passage making it a pertinent read in the context of Victorian era literature which frequently grappled with the themes of imagination and personal growth Eleanora H Stooke an author noted for her contributions to juvenile fiction draws upon her extensive background in education and her insights into child psychology to illuminate the universal experiences of adolescence Her understanding of children s inner worlds and the societal pressures they face deeply informs this narrative Stooke s personal experiences and keen observations of youth allow her to create relatable characters who embody the struggles and joys of growing up all while embarking on adventures that teach them valuable life lessons I highly recommend The Hermit s Cave or Theodore and Jack to readers who cherish tales of youthful adventure rooted in timeless themes of friendship and self discovery Stooke s ability to craft a rich evocative world encourages readers

to reflect on their maturation processes and the bonds formed along the way This book is not only an enthralling read for young audiences but also serves as a poignant reminder for adults of the significance of childhood experiences

The Hermit's Cave, or Theodore and Jack Eleanore H. Stooke,2024-03-18 The Hermit s Cave or Theodore and Jack is a classic children s book written by Eleanora H Stooke and illustrated by Richard Tod The story follows two young boys Theodore and Jack as they discover a hidden cave and befriend a mysterious hermit who lives there As they explore the cave and its secrets the boys learn valuable lessons about friendship courage and kindness Goodreads

The Mystery of the Hermit's Hut Peter Tan,2017 When their usual travel plans fall through Lee Su Lin and her little brother Su Yang reluctantly spend their school holidays on Pulau Ubin instead Along with their new friends the sensible and smart Zizi and the perpetually hungry Bus they form the Sengkang Snoopers and discover a mysterious hut at the top of a quarry hill where a hermit is rumoured to live When they hear strange sounds coming from the hut they just can t keep away but what will they find there

The Hermit's Cave; Or the Fugitive's Retreat. A Romance Zara WENTWORTH,1821

Out of the Hermit's Meadow and Wood Victor Densmore,2011-07-01 The bulk of these poems were written by Densmore between the years 1998 and 2003 Similar in scope to the poems of Carl Sandburg and Robert Frost with the imagistic power of Wallace Stevens his poetry comes from a quiet and thoughtful observation of life nature and the people who inhabit both The poems throughout are gentle and warm but never without purpose and drive In their unfolding is revealed a comforting philosophy of time memory and the events of which both are composed In an early review of the original print run Tom Slayton then editor of Vermont Life Magazine said Victor Densmore s poetry is finely wrought and sweet and reminds me a bit of the poetry of the late William Mundell who also celebrated the passing life of the farm He s currently working on his second book
