Subliminal Leadership Thomas Frankl, 2023-11-22 Understanding the power of subliminal influence makes or breaks leaders. What is it that subliminally motivates people to give their best, not just what's in their job description? How do you build an outstanding team? Spoiler: it's not just by putting the best people in a team. The answer lies in the power of subliminal influence. This book explains in a clear and accessible way this important yet little-known and understood area of psychology and leadership. As

Emotional Intelligence helped managers and leaders to understand the importance of empathy in the workplace Subliminal Leadership takes us to the next level by explaining how influence through non verbal communication mostly happens below the threshold of our conscious awareness subliminal forms of body language and communication which influence other people s attitudes thinking and behavior and which may boost or undermine a leader s authority the performance of teams or the quality of key customer relationships Readers will learn how we unconsciously communicate and how we positively or negatively influence other people in the process Understanding subliminal influence will help people in or aspiring towards leadership positions to build trust understand others emotions make better decisions and strengthen professional relationships Based on recent scientific research in disciplines as diverse as psychology evolutionary biology anthropology medicine neuroscience and management studies the book offers a breakthrough multidisciplinary approach to influence and leadership This book is for everyone interested in the psychological biological and medical dimensions of leadership

Gender Intentional Crop Breeding: From Integration To Institutional Innovation Hale Tufan,Vivian Polar, Jacqueline Ashby,2025-06-02 Significant progress in agricultural technology development has remained persistently blind to social and gender inequalities Creating agricultural research ecosystems and institutions that address gender inequality requires structural and systemic analysis One of the major areas of investment in agricultural innovation is plant breeding Integrating social welfare objectives in plant breeding is a good starting point to catalyze progress towards gender equality objectives in research for development at a global scale yet devoid of structural change these efforts risk falling short of expectations Intentionally addressing gender in plant breeding research can reshape the technical options goals and intended impact of breeding programs Improving the benefits delivered to rural women through plant breeding can be achieved through new methods and learning critically analyzing systematic barriers to equitable plant breeding research and documenting experiences that demonstrate positive change There is a wide diversity of global experiences where gender research has analyzed how gender differences influence needs preferences and potential benefits from crop varieties and crop specific traits Some of these experiences were able to successfully integrate results and learning from gender research into breeding processes and decisions while some have failed to demonstrate concrete actionable results in breeding programs

Advances and Applications in Computer Science, Electronics and Industrial Engineering Jyrki Nummenmaa,Federico Pérez-González,Bruno Domenech-Lega,Jean Vaunat,Félix Oscar Fernández-Peña,2019-10-23 This book presents the proceedings of the Conference on Computer Science Electronics

and Industrial Engineering CSEI 2019 held in Ambato in October 2019 with participants from 13 countries and guest speakers from Chile Colombia France Japan Spain Portugal and United States Featuring 23 peer reviewed papers it discusses topics such as the use of metaheuristic for non deterministic problem solutions software architectures for supporting e government initiatives and the use of electronics in e learning and industrial environments It also includes contributions illustrating how new approaches on these converging research areas are impacting the development of human societies around the world into Society 5.0 As such it is a valuable resource for scholars and practitioners alike Readers' Guide to Periodical Literature, 1927 Climate Change as Class War Matthew T. Huber, 2022-05-10 How to build a movement to confront climate change The climate crisis is not primarily a problem of believing science or individual carbon footprints it is a class problem rooted in who owns controls and profits from material production As such it will take a class struggle to solve In this ground breaking class analysis Matthew T Huber argues that the carbon intensive capitalist class must be confronted for producing climate change Yet the narrow and unpopular roots of climate politics in the professional class is not capable of building a movement up to this challenge For an alternative strategy he proposes climate politics that appeals to the vast majority of society the working class Huber evaluates the Green New Deal as a first attempt to channel working class material and ecological interests and advocates building union power in the very energy system we need to dramatically transform In the end as in classical socialist movements of the early 20th Century winning the climate struggle will need to be internationalist based on a form of planetary working class solidarity The Industrialisation of Soviet Russia Volume 7: The Soviet Economy and the Approach of War, 1937-1939 R. W. Davies, Mark Harrison, Oleg Khlevniuk, Stephen G. Wheatcroft, 2018-07-11 This book concludes *The Industrialisation of Soviet Russia* an authoritative account of the Soviet Union's industrial transformation between 1929 and 1939 The volume before this one covered the good years in economic terms of 1934 to 1936 The present volume has a darker tone beginning from the Great Terror it ends with the Hitler Stalin pact and the outbreak of World War II in Europe During that time Soviet society was repeatedly mobilised against internal and external enemies and the economy provided one of the main arenas for the struggle This was expressed in waves of repression intensive rearmament the increased regimentation of the workforce and the widespread use of forced labour *Advanced Manufacturing in Biological, Petroleum, and Nanotechnology Processing* Augustine O. Ayeni, Olagoke Oladokun, Oyinkepreye David Orodu, 2022-05-03 This book covers advanced manufacturing in biological petroleum and nanotechnology processing for the development of novel products and systems that incorporate enhanced pollution control and waste management for environmental remediation The book is divided into three parts The first section looks at the design and application of process systems the second section focuses largely on pollution control and management and the final section discusses areas related to process modeling and simulation Coverage highlights the integration of smart tools and solutions and looks at current advances in monitoring industrial and environmental processes that can assist in making
