The English Sentencing System:

The English Sentencing System Rupert Cross,1975 Based on lectures given in the University of Oxford

Sentencing Guidelines Andrew Ashworth,Julian V. Roberts,2013-07-18 The politics of criminal sentencing has recently crystallised around the issue of whether and how a system of structured sentencing should inform judicial approaches to punishing criminals Increasingly structured sentencing guidelines are being introduced to frame judicial discretion This volume is the first to examine the experience in England and Wales in the light of international developments This collection of essays begins with a clear and concise history of the guidelines as well as a description of how they function Topics addressed include the effect of guidelines on judicial practice the role of public opinion in developing sentencing guidelines the role of the crime victim in sentencing guidelines and the use of guidelines by practicing barristers In addition the international dimension offers a comparative perspective the English guidelines are explored by leading academics from the United States and New Zealand Although there is a vast literature on sentencing guidelines across the United States the English guidelines have attracted almost no attention from scholars As other jurisdictions look to introduce more structure to sentencing the English scheme offers a real alternative to current US schemes Contributors include practicing lawyers legal and socio legal academics and also scholars from several other countries including New Zealand and the United States providing a multidisciplinary and cross jurisdictional approach to sentencing This book will be of interest to academics from law sociology and criminology legal practitioners and indeed anyone else with an interest in sentencing around the world

Unlocking the English Legal System Tom Frost, Rebecca Huxley-Binns, Jacqueline Martin, Shaneez Mithani, 2025-06-11

Unlocking the English Legal System will help you grasp the main concepts of the legal system in England and Wales with ease. Containing accessible explanations in a clear and logical structure, it provides an excellent foundation for learning and revising. Key features include: Clear learning outcomes at the beginning of each chapter; set out the skills and knowledge you will need to get to grips with the subject; Key Facts summaries throughout each chapter allow you to progressively build and consolidate your understanding; End of chapter summaries provide a useful checklist for each topic; Cases and judgments are highlighted to help you find them and add them to your notes quickly; Frequent activities and self-test questions and sample essay questions are included so you can put your knowledge into practice and prepare you for assessment. A new Critiquing the Law feature is designed to foster essential critical thinking skills. The 8th edition has been fully updated throughout to reflect recent developments and changes in the law, including significant updates to the legal implications of the UK's exit from the European Union and the running of the new Solicitors Qualifying Examination (SQE). The book is also supported by updated digital learning resources. Part of the Unlocking the Law series, it is essential reading for all core modules on the English Legal System.

Slapper and Kelly's The English Legal System David Kelly, 2020-05-31 Slapper and Kelly's *The English Legal System* explains and critically assesses how our law is made and applied. Trusted by generations of academics and students, this authoritative textbook clearly describes the legal rules of England and Wales and their collective influence as a sociocultural institution. This latest edition has been extensively restructured and updated, providing up-to-date and reliable analysis of recent developments that have an impact on the legal system in England and Wales. Key learning features include: useful chapter summaries which act as a good check-point for students; food-for-thought questions at the end of each chapter to prompt critical thinking and reflection; sources for further reading and suggested websites at the end of each chapter to point students towards further learning pathways; and an online skills network including how-tos, practical examples, tips, advice, and interactive examples of English law in action. Relied upon by generations of students, this book is a permanent fixture in this ever-evolving subject.

Introduction to the English Legal System 2017-2018 Martin Partington, 2017 This text offers a lively analysis of the issues which currently face the English legal system, but without getting into the level of detail found in other texts.

Sentencing and Criminal Justice Andrew Ashworth, 2015-08-20 Now in its sixth edition, *Sentencing and Criminal Justice* has been extensively rewritten to reflect recent legislation, guidelines, and judicial decisions. New material includes comparative sentencing research which looks at models from other countries in comparison with the approach in England and Wales, and an additional chapter focusing on civil preventive orders and other ancillary orders. Written with clarity of expression coupled with critical analysis, this textbook offers an unrivalled combination of expertise, accessibility, and coverage. This is the essential text for anyone interested in criminal justice.

Unlocking the English Legal System Rebecca Huxley-Binns, Jacqueline Martin, Tom Frost, 2017-05-12 Unlocking the

English Legal System will help you grasp the main concepts of the legal system in England and Wales with ease. Containing accessible explanations in clear and precise terms that are easy to understand, it provides an excellent foundation for learning and revising. This edition considers recent case law and legislation as well as the outcome of the UK's referendum on membership of the EU, the decision of *Willers v Joyce* and its impact on the role of the Privy Council in the system of precedent, the new Combined Family Court, the Legal Education and Training review and changes to the profession and funding cuts to legal services and legal aid. The *Unlocking the Law* series is designed specifically to make the law accessible. Each chapter opens with a list of aims and objectives and contains diagrams to aid learning. Cases and judgments are prominently displayed as are primary source quotations. Summaries help check your understanding of each chapter and there is a glossary of legal terminology. New features include problem-based questions with guidance on answering as well as essay questions and answer plans plus cases and materials exercises. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units.

Sentencing and Punishment Susan Easton, Christine Piper, 2023 Fully reworked, restructured and updated and incorporating changes following the 2019 general election, this fifth edition is the essential guide for anyone studying sentencing and punishment as part of a law or criminology course. *Introduction to the English Legal System 2016-17* Martin Partington, 2016 This text offers a lively analysis of the issues which currently face the English legal system but without getting into the level of detail found in other texts. Sentencing Guidelines and Commissions Julian V. Roberts, Arie Freiberg, Rhys Hester, 2025 In *Sentencing Guidelines and Commissions* Julian V Roberts, Arie Freiberg and Rhys Hester synthesize existing literature on commissions and guidelines, identify key issues and problems and clarify the future of commissions and guidelines since the creation of the first commissions in 1980. Drawing upon almost fifty years of additional developments and accumulated research on guidelines, commissions and councils, the authors explore the benefits of sentencing councils and commissions and sentencing guidelines. Further, the authors look back to the cumulative experience since the first guidelines were created and propose model regimes for legislatures to consider based on the American, English and Australian approaches.

Sentencing the Self-Convicted Julian V Roberts, Jesper Ryberg, 2023-02-23 This book addresses the fundamental ethical and legal aspects penal consequences and social context arising from a citizen's acceptance of guilt The focus is upon sentencing people who have pleaded guilty in short post adjudication rather than issues arising from discussions in the pretrial phase of the criminal process The vast majority of defendants across all common law jurisdictions plead guilty and as a result receive a reduced sentence Concessions by a defendant attract more lenient State punishment in all western legal systems The concession is significant At a stroke a guilty plea relieves the State of the burden of proving the defendant's guilt beyond a reasonable doubt and in open court Plea based sentencing has become even more visible in recent years The book provides insightful commentary on the following questions If an individual voluntarily accepts guilt should the State receive this plea without further investigation or any disinterested adjudication Is it ethically acceptable to allow suspects and defendants to self convict in this manner without independent confirmation and evidence to support a conviction If it is acceptable what is the appropriate State response to such offenders If the defendant is detained pretrial the ability to secure release in return for a plea may be particularly enticing Might it be too enticing resulting in wrongful convictions

Handbook on Sentencing Policies and Practices in the 21st Century Cassia Spohn, Pauline Brennan, 2019-06-14 Sentencing Policies and Practices in the 21st Century focuses on the evolution and consequences of sentencing policies and practices with sentencing broadly defined to include plea bargaining judicial and juror decision making and alternatives to incarceration including participation in problem solving courts This collection of essays and reports of original research explores how sentencing policies and practices both in the United States and internationally have evolved explores important issues raised by guideline and non guideline sentencing and provides an overview of recent research on plea bargaining in the United States Australia and the United Kingdom Other topics include the role of criminal history in sentencing the past

and future of capital punishment strategies for reducing mass incarceration problem solving courts and restorative justice practices Each chapter summarizes what is known identifies the gaps in the research and discusses the theoretical empirical and policy implications of the research findings The volume is grounded in current knowledge about the specific topics but also presents new material that reflects the thinking of the leading minds in the field and that outlines a research agenda for the future This is Volume 4 of the American Society of Criminology s Division on Corrections and Sentencing handbook series Previous volumes focused on risk assessment disparities in punishment and the consequences of punishment decisions The handbooks provide a comprehensive overview of these topics for scholars students practitioners and policymakers
