The Enthusiasts A Biography Of John And Katharine Glasier:

The Enthusiasts : a Biography of John and Katherine Bruce Glasier L. Thompson, 1971 Greek and Roman Classics in the British Struggle for Social Reform Henry Stead, Edith Hall, 2015-06-18

Greek and Roman Classics in the British Struggle for Social Reform presents an original and carefully argued case for the importance of classical ideas education and self education in the personal development and activities of British social reformers in the 19th and first six decades of the 20th century Usually drawn from the lower echelons of the middle class and the most aspirational artisanal and working class circles the prominent reformers revolutionaries feminists and educationalists of this era far from regarding education in Latin and Greek as the preserve of the upper classes and inherently reactionary were consistently inspired by the Mediterranean Classics and contested the monopoly on access to them often claimed by the wealthy and aristocratic elite The essays several of which draw on previously neglected and unpublished sources cover literary figures Coleridge the Cockney Classicist poets including Keats and Dickens different cultural media burlesque theatre body building banner art poetry journalism and fiction topics in social reform the desirability of revolution suffrage poverty social exclusion women s rights healthcare eugenics town planning race relations and workers education as well as political affiliations and agencies Chartists Trade Unions the WEA political parties including the Fabians the Communist Party of Great Britain and the Labour Party The sixteen essays in this volume restore to the history of British Classics some of the subject s ideological complexity and instrumentality in social progress a past which is badly needed in the current debates over the future of the discipline Contributors include specialists in English Literature History Classics and Art

Romancing the Revolution Ian Bullock, 2011 Over two decades have passed since the collapse of the USSR yet the words Soviet Union still carry significant weight in the collective memory of millions But how often do we consider the true meaning of the term Soviet Drawing extensively on left wing press archives *Romancing the Revolution* traces the reactions of the British Left to the idealized concept of Soviet democracy Focusing on the turbulent period after the 1917 Russian Revolution author Ian Bullock examines the impact of the myth of Soviet democracy the belief that Russia was embarking on a brave experiment in a form of popular government more genuine and advanced than even the best forms of parliamentarism *Romancing the Revolution* uncovers the imprint of this myth on left wing organizations and their publications

The British Working Class and Enthusiasm for War, 1914-1916 David Silbey, 2004-12-15 Millions of men volunteered to leave home hearth and family to go to a foreign land to fight in 1914 the start of the biggest war in British history It was a war fought by soldier citizens millions strong most of whom had volunteered willingly to go They made up the army that first held and then in 1918 thrust back the German Army to win it

Fabianism and Culture Ian Britain, 2005-10-20 This book is an attempt to remedy the neglect of the cultural and aesthetic aspects of English socialism in the late nineteenth and twentieth centuries An outstanding symptom of this neglect is the way in which the Fabian Society and its two leading lights Sidney and Beatrice Webb have usually been

depicted as completely indifferent to art and to the artistic ramifications of socialism Most commentators have painted Fabian socialism as a narrowly utilitarian programme of social and administrative reform preoccupied with the mechanisms of politics and largely oblivious of wider more human issues One of the basic aims of the book is to question this bleakly philistine image by showing the basis of the Fabians beliefs in romanticism as well as utilitarianism **Socialist Women** June Hannam, Karen Hunt, 2012-11-12 This fascinating new study examines the experiences of women involved in the socialist movement during its formative years in Britain and the active role they played in campaigning for the vote By giving full attention to this much neglected group of women *Socialist Women* examines and challenges the orthodox views of labour and suffrage history Torn between competing loyalties of gender class and politics socialist women did not have a fixed identity but a number of contested identities June Hannam and Karen Hunt probe issues that created divisions between these women as well as giving them the opportunity to act together In three fascinating case studies they explore women s suffrage women and internationalism the politics of consumption Believing above all that being a woman was vital to their politics these individuals sought to develop a woman focused theory of socialism and to put this new politics into practice *Routledge Library Editions: Women and Politics* Various, 2021-06-23 Routledge Library Editions Women and Politics 9 Volume set presents titles originally published between 1981 and 1993 The set draws attention to the importance of women and how their presence and active involvement in politics and related fields during the twentieth century has been crucial throughout the world *Anarchist Seeds beneath the Snow* David Goodway, 2011-12-12 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and Colin Ward to the war in Iraq this challenging volume will energize leftist movements throughout the world *Women against cruelty* Diana Donald, 2021-06-01 *Women against cruelty* is the first book to explore women s leading role in animal protection in nineteenth century Britain drawing on rich archival sources Women founded bodies such as the Battersea Dogs Home the Royal Society for the Protection of Birds and various groups that opposed vivisection They energetically promoted better treatment of animals both through practical action and through their writings such as Anna Sewell s *Black Beauty* Yet their efforts were frequently belittled by opponents or decried as typifying female sentimentality and hysteria Only the development of feminism in the later Victorian period enabled women to show that spontaneous fellow feeling with animals was a civilising force Women s own experience of oppressive patriarchy bonded them with animals who equally suffered from the dominance of masculine values in society and from an assumption that all powerful humans were entitled to exploit

animals at will **Women Humanitarians** Sybil Oldfield, 2001 The 150 British women humanitarians listed in this volume are those who made large contributions both in Britain and worldwide Forerunners of organizations such as OXFAM Amnesty and Medecine sans Frontieres they also pioneered refuges for homeless women literacy projects and famine relief

Government and Politics in Kent, 1640-1914 H. C. F. Lansberry, 2001 Early modern Kent with emphasis on changes in government from private patronage to a broader commercial and professional power base This volume the seventh in the Kent History Project complements those already published on The Economy of Kent and Religion and Society in Kent between 1640 and 1914 The volume begins with an important new assessment of the impact of the Civil Wars and Interregnum in Kent which challenges some of the interpretations of previous studies of this period of Kent's history The major thrust of the volume is however the transformation of Kent's government from a system controlled by a small number of landed families into one in which on the eve of the First World War a much broader range of people from the commercial industrial and professional classes was involved There are also detailed studies of political radicalism in Kent between the late eighteenth and early twentieth centuries and of the impact of crime and the maintenance of public order The text is supported by appropriate maps tables and contemporary illustrations Contributors BRIAN ATKINSON BRUCE AUBRY JACQUELINE EALES PAUL HASTINGS BRYAN KEITH LUCAS FREDERICK LANSBERRY ELIZABETH MELLING

Socialism, Sex, and the Culture of Aestheticism in Britain, 1880-1914 Ruth Livesey, 2007-10-18 This book examines the lives and works of a group of writers at the heart of the revival of the socialist movement in Britain It examines the beliefs and sexual politics of familiar figures like William Morris and George Bernard Shaw alongside those of lesser known writers and activists like Edward Carpenter and Isabella Ford **Sources In British Political History, 1900-1951** Chris

Cook, Jeffrey Weeks, 1978-10-05 From 1970 to 1977 a major project to uncover source material for students of contemporary British history and politics was undertaken at the British Library of Political and Economic Science Financed by the Social Science Research Council and under the direction of Dr Chris Cook this project has attempted a unique and systematic operation to locate and then to make readily available those archives that provide the indispensable source material for the contemporary historian This volume the fifth in the series provides a guide to the papers of propagandists who were influential in British public life Included in this volume are the papers of such persons as newspaper editors leading economists social reformers socialist thinkers trade unionists industrialists and a variety of theologians and philanthropists In all this volume not only completes the findings of the project but opens up the archive sources of a hitherto neglected area of research into contemporary social and political history *Modern England 1901-1970* Alfred Havighurst, 1976-05-13 This is a comprehensive bibliography of all printed books articles and standard texts on England Ireland Scotland the Commonwealth and the colonies up to 1970 This handbook will serve as a useful guide to scholars teachers at all levels advanced students and the general reader interested in examining the period in some depth **Dictionary of Labour**

Biography K. Gildart, D. Howell, 2016-04-30 Volume XIII of the Dictionary of Labour Biography maintains the standard of original and thorough scholarship for which the series has earned its outstanding reputation A unique study of nineteenth and twentieth century British history each entry is written by a specialist and engages with recent developments in the field of labour history

Oxford Dictionary of National Biography: Gibbes-Gospatrie Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002

Labour and the Free Churches, 1918-1939 Peter Catterall, 2016-10-06 Did the Labour Party in Morgan Phillips famous phrase owe more to Methodism than Marx Were the founding fathers of the party nurtured in the chapels of Nonconformity and shaped by their emphases on liberty conscience and the value of every human being in the eyes of God How did the Free Churches traditionally allied to the Liberal Party react to the growing importance of the Labour Party between the wars This book addresses these questions at a range of levels including organisation rhetoric policies and ideals and electoral politics It is shown that the distinctive religious setting in which Labour emerged indeed helps to explain the differences between it and more Marxist counterparts on the Continent and that this setting continued to influence Labour approaches towards welfare nationalisation and industrial relations between the wars In the process Labour also adopted some of the righteousness of tone of the Free Churches This setting was however changing Dropping their traditional suspicion of the State Nonconformists instead increasingly invested it with religious values helping to turn it through its growing welfare functions into the provider of practical Christianity This nationalisation of religion continues to shape British attitudes to the welfare state as well as imposing narrowly utilitarian and material tests of relevance upon the churches and other social institutions The elevation of the State was not however intended as an end in itself What mattered were the social and individual outcomes Socialism for those Free Churchmen and women who helped to shape Labour in the early twentieth century was about improving society as much as systems

Sanctifying Theology Jacob Lett, Jonathan M. Platter, 2023-10-30 Sanctification is not merely a practical and isolated doctrine but should permeate the whole horizon of theology dogmatics ethics practices as well as the sciences and the arts The essays are collected under the twin convictions that theology can be sanctified and sanctifying The whole of theology is inflected by holiness and so theology should aim to share in God's sanctifying work Sanctifying Theology contributes new possibilities in Wesleyan holiness theology and explores their contribution to various Christian doctrines and contemporary issues Written in honor of the work of Thomas Arthur Noble the essays in this book are attentive to the streams of theology that have most influenced him the fathers the Wesleys and the Torrances Both constructive and exploratory the topic of the essays cover among other things 1 consideration of how Wesleyan holiness theologies contribute to ecumenical theological discussions 2 readings of Wesleyan holiness theology through the lens of the church fathers and the Torrances and 3 explorations of how these conversations and sources might shape contemporary practical and ethical concerns The essays work both for the Wesleyan tradition and

from the Wesleyan tradition for the church catholic showing how recent trajectories in Wesleyan holiness theology might contribute to broader discussions **Dictionary of Labour Biography** Keith Gildart, David Howell, 2018-02-04 The Dictionary of Labour Biography has an outstanding reputation as a reference work for the study of nineteenth and twentieth century British history Volume XIV maintains this standard of original and thorough scholarship Each entry is written by a specialist drawing on an array of primary and secondary sources The biographical essays engage with recent historiographical developments in the field of labour history The scope of the volume emphasises the ethnic and national diversity of the British labour movement and neglected political traditions **Glasgow: 1830 to 1912** Thomas Martin Devine, 1995 Covering the period of political reform at the beginning of the 1830s to the great expansion of the city's boundaries in 1912 it examines the adjustments which had to be made to cope with some of the fastest urban growth in Europe Particular attention is paid to the people institutions and power structures as Glasgow's intricate class profile is unravelled and the pivotal role of politics and government is fully explored

As recognized, adventure as skillfully as experience just about lesson, amusement, as competently as union can be gotten by just checking out a ebook **The Enthusiasts A Biography Of John And Katharine Glasier** along with it is not directly done, you could take even more nearly this life, regarding the world.

We manage to pay for you this proper as skillfully as simple habit to acquire those all. The Enthusiasts A Biography Of John And Katharine Glasier Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Enthusiasts A Biography Of John And Katharine Glasier has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Enthusiasts A Biography Of John And Katharine Glasier has opened up a world of possibilities. Downloading The Enthusiasts A Biography Of John And Katharine Glasier provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Enthusiasts A Biography Of John And Katharine Glasier has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Enthusiasts A Biography Of John And Katharine Glasier. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Enthusiasts A Biography Of John And Katharine Glasier. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Enthusiasts A Biography Of John And Katharine Glasier, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download The Enthusiasts A Biography Of John And Katharine Glasier has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Enthusiasts A Biography Of John And Katharine Glasier Books

1. Where can I buy The Enthusiasts A Biography Of John And Katharine Glasier books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
