

The background of the book cover is a detailed historical engraving. The top section shows two men in 19th-century clothing working on a canal bed, one using a shovel and the other a long-handled tool. Below this, the title 'The ERIE CANAL Reader' is prominently displayed. The bottom section of the engraving depicts a canal boat with several people on board, navigating a narrow waterway. The banks are steep and lined with trees, and a horse-drawn cart is visible on the right bank. The overall scene captures the historical significance of the Erie Canal.
