like self styled anarchist and maverick artist and real estate mogul and museum director Bob Cassilly who died at the controls of his bulldozer while building Cementland in St Louis And because of the chronological organization of the book the stories one next to the other make for an addictive as salted peanuts book Mark O Hatfield the celebrated antiwar Republican senator from Oregon next to Nancy Wake of the title the impoverished New Zealander who grew up to become a high society hostess and heroine of the French Resistance the socialite who did indeed kill a Nazi with her bare hands
