Andrea Lunsford's research shows that students are writing more than ever in classrooms workplaces and social spaces in local communities and around the world. The *Everyday Writer* Fifth Edition is the first tabbed handbook to help the participants in this literacy revolution build on the smart decisions they make as social writers and use their skills in their academic and professional work. With Andrea Lunsford's trademark attention to rhetorical choice and language and with new chapters on public writing critical reading and understanding how and why to use documentation, *The Everyday Writer* gives today's students the information they need to be effective ethical writers. New illustrations by graphic artist G B Tran make complicated concepts clear and inviting for students.

Teaching Creative Writing to Second Language Learners Ryan Thorpe, 2021-12-20

This timely and accessible book offers engaging guidance to teachers of second language students on teaching creative writing in their classrooms. Creative writing is a tool that can inspire second language learners to write more play with language and enjoy and improve not only their writing but also their speaking listening and reading skills. Addressing the expectations and perceptions of writing in another language, Thorpe demonstrates how to foster successful creative writing environments and teach and assess creative writing in a way that is tailored to the distinct needs of non native speakers. Covering key topics such as cultural storytelling voice genre and digital composition assessment and more, Thorpe shares successful creative writing instructional practices informed by current research in creative writing and second language education. Each chapter includes insights advice and student examples that can help new teachers take their first steps in more reflective second language creative writing classroom. An invaluable resource for instructors of non native students and an ideal text for pre service teachers in courses in TESOL writing instruction and applied linguistics, this book invites you to use creative writing not only as a successful method for teaching L2 writing but also as a way to improve student motivation and output for more effective language learning.
