

# Civilizational Evolution

The background of the entire image is a composite. At the bottom, there is a view of the Earth from space, showing the blue oceans and white clouds of the horizon. Above this, a bright, glowing light source, possibly the sun or moon, is positioned behind the central figure, creating a strong backlight effect and a lens flare. The central figure is a dark silhouette of a person standing with their arms raised in a gesture of triumph or awe. The person's torso is decorated with a vertical column of five circular, glowing elements in shades of yellow, orange, and red. The upper portion of the image, above the figure, is a deep purple and blue gradient, suggesting a twilight or night sky.
