If God Exists M. E. Stearn, 2017-05-11 When I was seven years old the nun teaching my Catechism class told us that Mary immaculately conceived Jesus My mother immediately disabused me of this idea stating unequivocally that Mary was just another fourteen year old who got pregnant arguably and ironically planting the seed for

this book The theist belief that God exists as a conscious entity in some form other than that of matter or energy denies by definition the actual existence of God Atheism denies the belief in God existing as a conscious entity Neither theists nor atheists rely upon evidence to support their belief This thesis proposes that God either exists or doesn't exist and belief does not change the ultimate fact Syllogistically if God exists God exists as some form of matter or energy and God is infinite by definition and since matter and energy can be neither created nor destroyed according to the Law of Conservation God and matter and energy are identical and everything that exists in the cosmos is God Omnideism proposes a logical explanation for the actual existence of God consistent with the laws of physics and theistic purpose for human existence if God exists **The**

R. J. Rushdoony,2009-11-19 An introduction into the problems of Christian philosophy It focuses on the philosophical system of Dr Cornelius Van Til which in turn is founded upon the presuppositions of an infallible revelation in the Bible and the necessity of Christian theology for all philosophy Basic to this study is the belief that presuppositions of human thought in every field must be basically one in order to arrive at any concept which both validates biblical faith and human knowledge The sovereignty of the self contained God is the key to every field in that only the God of Scripture makes all things possible and explicable and is thus the basic premise not only of theology but of philosophy science and indeed all knowledge In that God is the Creator of all things He is their only valid principle of interpretation in that they derive both their existence and meaning from His creative act This belief is herein set forth in terms of various aspects of human thought Again basic to this study is the belief that such a philosophy finds consistent and able exposition in the writings of Cornelius Van Til This work therefore is thus both an exposition as well of Van Til's development of that philosophy a school of thought to which the author subscribes This is Rushdoony's foundational work on philosophy The Crucial Points of the Major Items of the

Bompiani,2020-09-29 Five hundred years ago Martin Luther posted his ninety five theses or grievances to the door of the All Saints Church of Wittenberg and condemned the Catholic Church's teaching of indulgences as nothing but a scheme to raise

money for the church It is a supreme irony of history that five hundred years later it is now a subset of the Protestant Church that is defrauding the faithful The Catholic Church s teaching of indulgences and the evangelical movement s teaching of tithing to be blessed are substantially the same and lead to the same result In both cases the church walks away with a bag of money and the Christian walks away with a bag full of empty promises This book explains why I am losing faith in the church but finding faith in Christ The reason for this is that I began finding answers to some of the most elusive questions about God Something is preventing God from doing all the good that he would otherwise want to do But here is the problem How can God have limitations If he has limitations then he must not be divine However there is one thing that could prevent a good all powerful God from doing all the good that he would otherwise want to do that would not detract at all from his omnipotence What this is and how it holds the key to unlocking some of the most perplexing mysteries of God is explained in this book **Essays on some of the First Principles of Metaphysics, Ethicks and Theology** Asa BURTON,1824

The Proclivity of Time Darnell Whittington,2022-01-12 Where is time taking us Are we all just waiting in line to die or is there more to life s story than this What is time Where does it go and where has it been When did it start and how shall it all end Who created time and for what purpose Why did time start and why are our days measured by it If we reach the end without understanding these things here on the earth our time and lives will be wasted and everything we have done will have been done in vain All of our works and futile efforts will die with us and we will in a sense have failed in our existence To fulfill our purpose in life it is imperative that we live with the end in mind The mastermind behind this concept of time has set everything into motion and every scene unfolds at His directive He is the author and producer of this story called life It is a story of love failure repentance judgement war peace forgiveness redemption sacrifice resurrection and ultimately reconciliation It is our story the human story and the producer of this story God knows exactly where time is taking us and when 5780 5781 We are now entering a season where time and events are converging The clock is ticking and a new day is on the horizon Everything seems as though it is falling apart but in fact from God s perspective everything is coming together for the fulfillment of His plan to restore the Earth and His creation God has not changed His plan He just gave it time to develop The proclivity of time explains the nature and purpose of time captures unforgettable moments in time for reflection analyzes controversial truth for where we are at this moment in time and provides a road map to where time is taking us After all time is the thing that keeps us here and it shall be the thing that takes us away It is a journey we all must take in order to reach our destination It is my hope that within these pages we will come to fully understand time s role in facilitating every aspect of our lives and how God uses time and seasons to bring His plan for humanity and the Earth together Darnell Whittington has served as an Educational Administrator for many years in Monroe Louisiana He holds a Bachelor of Science degree and a Master s degree in Education from the University of Louisiana at Monroe He has authored several books served on the Board of Directors for The Assembly Church of West Monroe and The Voice Network Television station but his
