## **The Exodus:**

*Five Views on the Exodus* Zondervan, 2021-04-13 Gain a thorough understanding of the competing views on the historicity chronology and theological implications of the exodus The biblical account of the Israelite exodus from Egypt is one of the most enduring narratives ever told and is a foundational event for several world religions It resonates across cultures with its timeless themes of redemption and deliverance It is also the only explanation the Bible gives for Israel's origin Despite its unique legacy many scholars regard the exodus as fictitious or a cultural memory that may not be a historical event Even among those who believe the exodus happened there is no consensus regarding its date *Five Views on the Exodus* brings together experts in the fields of biblical studies Egyptology and archaeology to discuss and debate the most vexing questions about the exodus Each offers their own view and constructive responses to other leading views Early Date The Exodus Took Place in the Fifteenth Century BC Scott Stripling Late Date A Historical Exodus in the Thirteenth Century BC James K Hoffmeier A Hyksos Levite Led Exodus in the Time of Ramesses II Peter Feinman Alternative Late Date The Exodus Took Place in the Twelfth Century BC Gary A Rendsburg The Exodus as Cultural Memory A Transformation of Historical Events Ronald Hendel The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion *The Exodus and the Wanderings in the Wilderness* Alfred Edersheim, 1876 *Exodus* William G. Dever, 1997 Few events have shaped Jewish and Christian tradition more than the Exodus from Egypt and few have been as controversial for historians The emphasis in the past has been on understanding the Exodus in light of Israelite history and Israelite origins This book a collection of six papers given at a conference at Brown University looks at new evidence of the Exodus the Egyptian evidence **The Exodus** Peter Feinman, 2021-10-13 Did the Exodus occur This question has been asked in biblical scholarship since its origin as a modern science The desire to resolve the question scientifically was a key component in the funding of archaeological excavations in the nineteenth century Egyptian archaeologists routinely equated sites with their presumed biblical counterpart Initially it was taken for granted that the Exodus had occurred It was simply a matter of finding the archaeological data to prove it So far those results have been for naught The Exodus An Egyptian Story takes a very real world approach to understanding the Exodus It is not a story of cosmic spectacles that miraculously or coincidentally occurred when a people prepared to leave Egypt There are no special effects in the telling of this story Instead the story is told with real people in the real world doing what real people do Peter Feinman does not rely on the biblical text and is not trying to prove that the Bible is true He places the Exodus within Egyptian history based on the Egyptian archaeological record It is a story of the rejection of the Egyptian cultural construct and defiance of Ramses II Egyptologists not biblical scholars are the guides to telling the Exodus story What would you expect Ramses II to say after he had been humiliated If

there is an Egyptian smoking gun for the Exodus how would you recognize it To answer these questions requires us to take the Exodus seriously as a major event at the royal level in Egyptian history **The Exodus Case** Lennart Møller, 2015-01-26 In the spring of 2001 Dr Møller and an American TV crew went to the bottom of the Red Sea to reveal the remains of Pharaoh's army They also discovered several lost places and cities recorded in the Bible and the true location of the mountain where Moses received the Ten Commandments All this evidence is available in *The Exodus Case* Join Dr Møller on his journeys and study for yourself this stunning material supported by more than 500 new colour photos and detailed satellite photos Thoroughly researched and written by Swedish scientist Dr Lennart Møller this book takes you on an exciting journey through early biblical times from Abraham to the Exodus and discloses brand new discoveries by Dr Møller and his team in Egypt Sinai Turkey and in the Middle East *An Introduction to the Old Testament* Tremper Longman III, 2009-05-26 An upper level introduction to the Old Testament that offers students a thorough understanding of three key issues historical background literary analysis and theological message This second edition of *An Introduction to the Old Testament* integrates recent developments in Old Testament scholarship It has many distinctive features that set it apart from other introductions to the Old Testament It's committed to a theologically evangelical perspective Emphasizes special introduction the study of individual books Interacts in an irenic spirit with the historical critical method Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship Deals with the meaning of each book not in isolation but in a canonical context Probes the meaning of each book in the setting of its culture Including callouts charts and graphs *An Introduction to the Old Testament* is written with an eye to understanding the nature of Old Testament historiography Perfect for seminary students professors and Bible teachers and ministry leaders as well as anyone looking for an in depth and balanced approach to Old Testament study **The Exodus of Israel** Thomas Rawson Birks, 1863 **The Exodus Evidence in Pictures, the Bible's Exodus** Paul Backholer, 2018-01-19 Experience a photographic search for the Bible's exodus with 60 colour photos Join two authors and television broadcasters on their four year quest to investigate the mystery of the Hebrew exodus out of Egypt Has archaeology provided us with any data to indicate that Joseph Moses and ancient Israel were in Egypt What was the Red Sea where was the exodus route and can Mount Sinai be found today These are the questions that must be answered in this exciting photographic expedition in Egypt Witness in full colour pictures scenes of Semitic people with multi coloured coats entering ancient Egypt find Semitic settlements in the Bible's land of Goshen and discover how archaeological finds combined with new computer technology can help reveal the face of Joseph and the exodus pharaoh See photos of ancient slaves making bricks discover how lost cities were found plus enter the tombs and the temples of pharaohs Hunt with our explorers as they search for the Red Sea trace the possible exodus routes and watch as they examine the first reference to ancient Israel found outside of the Bible 2020 edition **The Exodus** Richard Green Moulton, 1897 **The Call of Moses and the Exodus Story** Jaeyoung Jeon, 2013-11-05 Jaeyoung Jeon examines and

assesses recently suggested models for the formation of the Pentateuch through a redactional critical analysis of the Call of Moses Exod 3 4 and the Exodus story Exod 5 13 He observes that Exod 3 4 was formed through a series of stages of Deuteronomistic composition and redaction to which some post Priestly additions were made Comparative analysis suggests that the elements of Deuteronomistic formation precede P and that the direction of influence is from the non P narrative Exod 3 4 to the P call narrative Exod 6 Jeon also shows that although some of the literary layers in Exod 3 4 extend through the Exodus story Exod 5 13 the present form of the latter has been shaped by a post Deuteronomistic but pre Priestly composition based on an earlier proto Exodus story He therefore concludes that the Pentateuch or Hexateuch might be the product of a more complicated process of development than the current models describe The Exodus Richard Elliott Friedman, 2017-09-12 The Exodus has become a core tradition of Western civilization Millions read it retell it and celebrate it But did it happen Biblical scholars Egyptologists archaeologists historians literary scholars anthropologists and filmmakers are drawn to it Unable to find physical evidence until now many archaeologists and scholars claim this mass migration is just a story not history Others oppose this conclusion defending the biblical account Like a detective on an intricate case no one has yet solved pioneering Bible scholar and bestselling author of *Who Wrote the Bible* Richard Elliott Friedman cuts through the noise the serious studies and the wild theories merging new findings with new insight From a spectrum of disciplines state of the art archeological breakthroughs and fresh discoveries within scripture he brings real evidence of a historical basis for the exodus the history behind the story The biblical account of millions fleeing Egypt may be an exaggeration but the exodus itself is not a myth Friedman does not stop there Known for his ability to make Bible scholarship accessible to readers Friedman proceeds to reveal how much is at stake when we explore the historicity of the exodus The implications he writes are monumental We learn that it became the starting point of the formation of monotheism the defining concept of Judaism Christianity and Islam Moreover we learn that it precipitated the foundational ethic of loving one's neighbors including strangers as oneself He concludes the actual exodus was the cradle of global values of compassion and equal rights today The True Story of the Exodus of Israel Heinrich Brugsch, 1880 *Exodus and Numbers* John F. MacArthur, 2015-12-01 Although the descendants of Jacob moved to Egypt as honored guests in time they became despised slaves groaning under the mistreatment of Pharaoh In response to the people's cries God called a man named Moses to lead the Israelites out of Egypt into Canaan but their journey took a dramatic forty year detour when they failed to trust in God In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with God's calling of Moses continuing through the giving of the Ten Commandments and concluding with the Israelites preparations to enter the Promised Land This study includes close up examinations of Aaron Caleb Joshua Balaam and Balak as well as careful considerations of doctrinal themes such as Complaints and Rebellion and Following God's Law ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and

author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts

**Moses and the exodus** John Paterson Smyth,1922 *The "Exodus" in Jerusalem (Luke 9:31)* W. Gil Shin,2022-09-12 This book addresses the dearth of study in Lukan scholarship on the transfiguration account and provides a model of new exodus based on the Song of the Sea Exod 15 beyond the two major Deuteronomistic and Isaianic models The proposed Exodus 15 pattern explicates the enigmatic phrase his exodus in Jerusalem in the transfiguration account It also elucidates how the seemingly discordant motifs of Moses and David are conjoined within a larger drama of the new exodus and the subsequent establishment of Israel's eschatological worship space This shows how Luke deals with the issues of temple Acts 7 circumcision Acts 15 and the ambivalent nature of Jerusalem

**Israel in Egypt** James K. Hoffmeier,1999-03-18 Scholars of the Hebrew Bible have in the last decade begun to question the historical accuracy of the Israelite sojourn in Egypt as described in the book of Exodus The reason for the rejection of the exodus tradition is said to be the lack of historical and archaeological evidence in Egypt Those advancing these claims however are not specialists in the study of Egyptian history culture and archaeology In this pioneering book James Hoffmeier examines the most current Egyptological evidence and argues that it supports the biblical record concerning Israel in Egypt

**A Theology of Justice in Exodus**  
Nathan Bills, 2021-03-03 This book traces the theme of justice throughout the narrative of Exodus in order to explicate how yhwh's reclamation of Israel for service worship reveals a distinct theological ethic of justice grounded in yhwh's character and Israel's calling within yhwh's creational agenda Adopting a synchronic text immanent interpretive strategy that focuses on canonical and inner biblical connections Nathan Bills identifies two overlapping motifs that illuminate the theme of justice in Exodus First Bills considers the importance of Israel's creation traditions for grounding Exodus's theology of justice Reading Exodus against the backdrop of creation theology and as a continuation of the plot of Genesis Bills shows that the ethical disposition of justice imprinted on Israel in Exodus is an application of yhwh's creational agenda of justice Second Bills identifies an educational agenda woven throughout the text The narrative gives heightened attention to the way yhwh catechizes Israel in what it means to be the particular beneficiary and creational emissary of yhwh's justice These interpretative lenses of creation theology and pedagogy help to explain why Israel's salvation and shaping embody a programmatic applicability of yhwh's justice for the wider world This volume will be of substantial interest to divinity students and religious professionals interested in the themes of exodus exile and return

**The Exodus Itinerary Sites**  
Michael D. Oblath, 2004 The Israelite exodus from Egypt forms the foundational national origin narrative in the Hebrew Bible Although it is a compelling and popular tale only minimal supportive circumstantial evidence exists beyond the Bible In this book Michael D Oblath details the geographical context within which the Hebrew Bible was written With this backdrop he presents the geographical conceptualization of the exodus as described by the biblical sources Within their references to the various exodus itinerary sites these sources consistently locate the sites in proximity to known geographical locations Oblath indicates that within the geographical memory of the biblical sources the presupposition of an exodus from Egypt is incorrect Rather the narrative describes events originating in the southern region of ancient Israel between the Negeb and the Gulf of Elath
