The Faithful Mormon Fathers Notebook:

The Faithful Mormon Father's Notebook Carol Lynn Pearson, 1979 **Brigham Young University Studies** , 1996

Method Infinite: Freemasonry and the Mormon Restoration Cheryl L. Bruno, Joe Steve Swick III, Nicholas S.

Literski, 2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded Dialogue , 1981 A journal of Mormon thought *Mormon Healer and Folk Poet* Margaret K. Brady, 2000 Mary Susannah Sumner Fackrell Fowler 1862 1920 lived in the village of Orderville Utah which was named for the Mormon communitarian system practiced there She married Henry Ammon Fowler in 1880 and moved in 1888 to Huntington Utah They had eight children and Henry took a second wife becoming a polygamist Mary was not well known outside her community but she led a remarkable life of selfless service Folklorist Margaret Brady intrigued by a photograph and part of a diary set out to piece together who Mary Fowler was using fragmentary materials including Mary s diary poetry and essays her husband s journals a grandson s biography of her records of organizations in which she was active and oral narratives passed down through descendants The life Brady reconstructed was shaped by shared values concerning community and by Mary s conviction of the importance of social interconnections Mary s work as a nurse healer and midwife grounded in traditional medicinal practices extended her reach widely among her neighbors She was an active leader in LDS Church and other organizations for women Her folk poetry written in culturally accepted forms allowed her to examine critique and celebrate the values of her community Brady brings to this reconstruction an eclectic interdisciplinary approach Drawing on reflexive ethnography Brady emphasizes her own involvement with her subject and with the multiple discourses that in combination give her access to Mary Fowler s identity She encourages her readers to collaborate in piecing together the meaning of Mary s life reading her autobiographical texts and others in juxtaposition with Brady s understanding of that life participating in the construction of Mary Fowler s self through her poetry life writings and community service and thereby experiencing the interconnectedness she so prized

The Sanctity of Rural Life Shelley Baranowski,1995-04-06 In this ground breaking study Shelley Baranowski not only explores how and why church going Protestants in eastern Prussia turned to Nazism in large numbers but also shows that the rural elite and the church propagated a myth of the stability the wholesomeness and the class harmony in short the sanctity of rural life a myth that was a key component of Nazi propaganda that helped secure support for the Third Reich in rural areas Of great interest to historians and students of the period as well as anyone interested in how a fringe radical movement gained wide popular support Revising Eternity Holly Welker,2022-05-10 Marriage s central role in The Church of Jesus Christ of Latter day Saints distinguishes the faith while simultaneously reflecting widespread American beliefs But what does Latter day Saint marriage mean for men Holly Welker presents a collection of essays exploring this question The essayists provide insight into challenges involving sexuality physical and emotional illness addiction loss of faith infidelity sexual orientation and other topics Conversational and heartfelt the writings reveal the varied experiences of Latter day Saint marriage against the backdrop of a society transformed by everything from economic issues affecting marriage to evolving ideas about gender An insightful exploration of the gap between human realities and engrained ideals Revising Eternity sheds light on how Latter day Saint men view and experience marriage today **From Mission to Madness** Valeen Tippetts Avery,1998 Avery draws on a large body of correspondence for details of David s life and on his poetry to reveal his personality and emotional struggles She tells of his mental deterioration starting with a probable breakdown early in 1870 and ending with his death in 1904 in the Northern Illinois Hospital and Asylum for the Insane in Elgin where he had been confined for twenty seven years **Religion in the Lands That Became America** Thomas A. Tweed,2025-05-13 A sweeping retelling of American religious history showing how religion has enhanced and hindered human flourishing from the Ice Age to the Information Age Until now the standard narrative of American religious history has begun with English settlers in Jamestown or Plymouth and remained predominantly Protestant and Atlantic Driven by his strong sense of the historical and moral shortcomings of the usual story Thomas A Tweed offers a very different narrative in this ambitious new history He begins the story much earlier 11 000 years ago at a rock shelter in present day Texas and follows Indigenous Peoples African Americans transnational migrants and people of many faiths as they transform the landscape and confront the big lifeway transitions from foraging to farming and from factories to fiber optics Setting aside the familiar narrative themes he highlights sustainability showing how religion both promoted and inhibited individual communal and environmental flourishing during three sustainability crises the medieval Cornfield Crisis which destabilized Indigenous ceremonial centers the Colonial Crisis which began with the displacement of Indigenous Peoples and the enslavement of Africans and the Industrial Crisis which brought social inequity and environmental degradation The unresolved Colonial and Industrial Crises continue to haunt the nation Tweed suggests but he recovers historical sources of hope as he retells the rich story of America s religious past *Second-Class Saints* Matthew L. Harris,2024 On June 9 1978 Church of Jesus Christ of

Latter day Saints LDS president Spencer W Kimball announced a revelation lifting the church's 126 year old ban barring Black people from the priesthood and Mormon temples It was the most significant change in LDS doctrine since the end of polygamy almost 100 years earlier Drawing on never before seen private papers of LDS apostles and church presidents including Spencer W Kimball Matthew L Harris probes the plot twists and turns the near misses and paths not taken of this incredible story
