The Fall Of Israel:

The Fall of Israel Dan Steinbock, 2025-01-01 The path to the obliteration of Gaza was paved by the confluence of a set of longstanding forces This great conjuncture has transformed Israel and the occupied Palestinian territories while driving the region to the edge In *The Fall of Israel* Dr Dan Steinbock connects the dots among these lethal headwinds What makes *The Fall of Israel* unique is its comprehensive scope It covers Israel s political economic social and military changes the shifts in the Palestinian struggle for sovereignty Israel s degradation into apartheid rule the attendant atrocities the regional and global reverberations and the human and economic costs both prior and subsequent to Israel s fatal war on Gaza There its nightmarish actions have led to the engagement of the International Court of Justice and the International Criminal Court renewed international boycotts and massive domestic and international protests *The Fall of Israel* outlines the central drivers of this simmering tinderbox the serial expulsions of Palestinians the expansion of Jewish settlements in the occupied territories a half century of failed U S diplomacy in the Middle East and Israel s militarization enabled by the symbiotic bilateral ties with the U S and massive U S military aid In the Gaza War these ties fostered paradigms of devastation such as the Dahiya doctrine and mass assassination factories backed by pioneering artificial intelligence The settlements have contributed to the destabilization of the broader region since the early 1970s and are now compounding its politico economic and geopolitical crisis This book addresses the efforts to institute a Jewish rather than a secular state It shows how the postwar labor alignments were replaced by the hard right coalitions thanks to U S neoliberal economic policies assertive neoconservatism and Jewish American donors It also explains the causes behind the rise of the Messianic far right centrist parties and the failure of the Left The corrosion of Israeli society and politics was already reflected in and driven by an economy constrained by adverse erosion as reflected by the liabilities of its high tech cluster the talent brain drain the threatened welfare state and subsidized religious sector But now the already evident politico economic costs to Israel of the Gaza war have set the stage for extraordinary uncertainty in the foreseeable future

The Two Houses of Israel Omer Sergi, 2023-08-04 The Two Houses of Israel State Formation and the Origins of Pan Israelite Identity bridges the gap between the biblical narrative of the great united monarchy ruled by David and Solomon and archaeological and historical reconstructions of a gradual independent formation of Israel and Judah Based on a thorough examination of the material remains and settlement patterns in the southern Levant during the Late Bronze Age and the Iron Age and on a review of the relevant historical sources this book provides a detailed reconstruction of the ways in which Israel and Judah were formed as territorial polities and specifically how the house of David rose to power in Jerusalem and Judah Omer Sergi further situates the stories of Saul and David in their accurate social and historical context in order to illuminate the historical conception of the united monarchy and the pan Israelite ideology out of which it grew Sergi provides a new history of the early Israelite monarchies their formation and the ways in which these social and political developments were commemorated in the cultural memory of generations to come

American Christian Support for Israel Eric R. Crouse, 2014-10-28 The dominant political theme of the State of Israel is the perpetual quest for security In its first 25 years Israel experienced five wars with Arab states declaring their goal to destroy Israel In American Christian Support for Israel

Standing with the Chosen People 1948 1975 Eric R Crouse examines how American Christians responded to Israel's wars and the persistent threats to its security While some were quick to condemn Israel as it made difficult and unpopular decisions in its fight for survival in a hostile region conservative Christians were trustworthy supporters routinely voicing uplifting reports Crouse argues that Israel's embodiment of western ideals and its remarkable economic development gave conservative Christians good reasons to favor Israel in a troubled Middle East but the main reason for their unconditional support was the key biblical text of Christian Zionism I will bless those who bless you Abraham and his descendants and I will curse him who curses you Genesis 12:3 Trusting and Toiling on Israel's Behalf ,1904 The Legacy of Israel in Judah's Bible Daniel E. Fleming,2012-07-30 The Legacy of Israel in Judah's Bible undertakes a comprehensive re-evaluation of the Bible's primary narrative in Genesis through Kings as it relates to history It divides the core textual traditions along political lines that reveal deeply contrasting assumptions an approach that places biblical controversies in dialogue with anthropologically informed archaeology Starting from close study of selected biblical texts the work moves toward historical issues that may be illuminated by both this material and a larger range of textual evidence The result is a synthesis that breaks away from conventional lines of debate in matters relating to ancient Israel and the Bible setting an agenda for future engagement of these fields with wider study of antiquity **The Prophets of Israel and Their Place in History to the Close of the Eighth Century, B. C.** William Robertson Smith,1882 **The History of the Religion of Israel** Crawford Howell Toy,1882 *Israel: the 51st State* Morris Glen Bowers,2005-06 One thing that people are slow to learn a thing that they must learn to correctly understand the Bible is that the whole Jewish religion ended at the cross of Christ and a new order became effective The total misunderstanding of Matthew chapter 24 is at the root of most of this confusion If the Messiah didn't come during the time of the Roman occupation of the land of promise then HE will never come It will never happen What the Palestinians feared would happen has clearly happened The killing and confusion in the Middle East is to be laid at the feet of the United Nations England France and the United States The false doctrine of premillennialism and those that teach this subject must take full responsibility for adding fuel to the fire of hatred among the State of Israel and Palestinians The current day denominational preachers that are guilty of teaching this evil doctrine are Billy Graham Garner Ted Armstrong Franklin Graham Jack Van Impe Pat Robertson John Hagee Jerry Falwell Benny Hinn David Cerullo Pat Robison Lou Shelton the Trinity Broadcasting Network and the thousands of less known denominational preachers in your own home towns across America The Bible contains the mind of God the state of man the way of salvation the doom of sinners and the happiness of believers Its histories are true its doctrines are holy its precepts are binding and its decisions are immutable Read it to be wise believe it to be safe and practice it to be holy Spiritual Israel the Butchering of YAHUAH's Word Unknown Hebrew,2019-07-30 Spiritual Israel The Butchering of YAHUAH's Word Lies from the Catholic Church exposes one of the greatest lies in modern religion Did you know the term Spiritual Israel was first promoted in 1958

by Pope Pius XI He taught that anyone regardless of race or lineage who believes in the Messiah is automatically a Semite This doctrine is false and completely unsupported by Scripture The Bible never mentions Spiritual Israel Instead it speaks of a bloodline the chosen people of YAHUAH In this powerful book Unknown Hebrew unravels the Catholic Church s deception and proves through Scripture that Israel refers to a physical people not a spiritual metaphor Consider the words of Paul in Romans 9 1 3 I say the truth in YAHUSHUA I lie not my conscience also bearing me witness in the Ruach Ha Kodesh That I have great heaviness and continual sorrow in my heart For I could wish that myself were accursed from YAHUSHUA for my brethren my kinsmen according to the flesh Paul affirms his heritage again in Romans 11 1 declaring I say then Hath YAHUAH cast away his people ELOHIM forbid For I also am an Israelite of the seed of Abraham of the tribe of Benjamin This book challenges false doctrines and forces you to confront the truth Are you ready to question everything you ve been taught about Israel Are you prepared to uncover the lies of mainstream religion If you re serious about discovering the truth of YAHUAH s Word and His chosen bloodline this book is a must read Discover more Hebrew Israelite truths here [A Brief History of Ancient Israel](#) Victor Harold Matthews,2002-01-01 Grounded in the latest archeological developments Victor Matthews s A Brief History of Ancient Israel presents a concise history of Israel covering the ancestral period conquest and settlement the monarchy and both the exilic and postexilic periods Using supplemental figures and insets the author concentrates on providing a cogent and condensed discussion of events He examines historical geography archaeological data and where relevant comparative cultural materials from other ancient Near Eastern civilizations With an accessible yet high quality introduction A Brief History of Ancient Israel will be of immense value to both students of the Old Testament and the scholars who teach them **The Other Lands of Israel** Liv Ingeborg Lied,2008 According to the current scholarly consensus the apocalypse of 2 Baruch written after the Fall of Jerusalem either rejected the concept of the Land of Israel as a place of salvation or regarded it as of minor importance Inspired by the perspective of Critical Spatial Theory this book discusses the presuppositions behind this consensus with regard to the spatial epistemology it assumes and explores the conception of the Land as a broad redemptive category The result is a fresh portrait of the vitality of the Land theme in the first centuries of the common era and a new perspective on the spatial imagination of 2 Baruch
