

# The Fall Of Japan World War Ii

**Nancy Roe Pimm**

## **The Fall Of Japan World War II:**

**The Fall of Japan** William J. Craig, 2015-09-29 New York Times Bestseller A virtually faultless account of the last weeks of WWII in the Pacific from both Japanese and American perspectives The New York Times Book Review By midsummer 1945 Japan had long since lost the war in the Pacific The people were not told the truth and neither was the emperor Japanese generals admirals and statesmen knew but only a handful of leaders were willing to accept defeat Most were bent on fighting the Allies until the last Japanese soldier died and the last city burned to the ground Exhaustively researched and vividly told The Fall of Japan masterfully chronicles the dramatic events that brought an end to the Pacific War and forced a once mighty military nation to surrender unconditionally From the ferocious fighting on Okinawa to the all but impossible mission to drop the 2nd atom bomb and from Franklin D Roosevelt s White House to the Tokyo bunker where tearful Japanese leaders first told the emperor the truth William Craig captures the pivotal events of the war with spellbinding authority The Fall of Japan brings to life both celebrated and lesser known historical figures including Admiral Takijiro Onishi the brash commander who drew up the Yamamoto plan for the attack on Pearl Harbor and inspired the death cult of kamikaze pilots This astonishing account ranks alongside Cornelius Ryan s *The Longest Day* and John Toland s *The Rising Sun* as a masterpiece of World War II history

World War II Keith Wheeler, 1984 *Unconditional Defeat* Thomas W. Zeiler, 2003-10-01 *Unconditional Defeat* the second book in a Pacific War trilogy that is part of SR Books Total War series examines the concluding stages of World War II in Asia and the Pacific from November 1943 until September 1945 Thomas W Zeiler argues that this war without mercy could only come to one conclusion the complete unconditional defeat of Japan by a mobilized overwhelming vengeful United States Zeiler describes these final 22 months of the Pacific War as a story of contrasts While the U S launched a methodical smothering attack with all the means at its disposal Japan fought a fierce yet hopeless defense with diminishing supplies By November 1943 Japan lacked the necessities not just for victory as in the earlier phases of the war but for adequate defense The Japanese had no options The strategic planning rested with the Americans Zeiler s gripping and thorough overview discusses other contrasts between the two foes The Americans planned multiple advances in the Pacific Ocean and on the Asian mainland They used a massive number of troops devised and adopted new amphibious techniques and deployed the new nuclear category of weapons The Japanese stubbornly but desperately clung to their territory often with the basest of defenses By August 1945 the United States forces at sea on land and in the air had brought Japan near complete defeat In addition the Japanese Empire was diplomatically isolated Japanese politics was in turmoil the government faced rebellion and the Emperor stood on the brink of extinction Wracked by the destruction of the homeland from the air and blockade by sea Japanese society veered near chaos and the people peered into the abyss of an uncertain future In the meantime America s military had experienced such horrors at the hands of Japan that the U S made the difficult decision to unleash the atomic bomb Despite the stark differences between the U S and Japan argues Zeiler there was one aspect of the

war that both sides held in common basic savagery Those who were in combat witnessed the sheer hell of war The human disaster is a tragic yet essential element to this story and Zeiler recounts the brutality and suffering experienced by those who fought and lived through the conflict     World War II : The Fall of Japan Jerry Korn,1978     World War II. Keith Wheeler,Thomas H. Flaherty (Jr),1982     **Fall of Japan; World War II**. Keith Wheeler,1983     World War II Keith Wheeler,Time-Life Books,1983 A set of 39 volumes covering the history of World War II from 1939 to 1945     **Downfall** Richard B. Frank,2001-05-01 In a riveting narrative that includes information from newly declassified documents acclaimed historian Richard B Frank gives a scrupulously detailed explanation of the critical months leading up to the dropping of the atomic bomb Frank explains how American leaders learned in the summer of 1945 that their alternate strategy to end the war by invasion had been shattered by the massive Japanese buildup on Kyushu and that intercepted diplomatic documents also revealed the dismal prospects of negotiation Here also for the first time is a comprehensive account of how Japan s leaders were willing to risk complete annihilation to preserve the nation s existing order Frank s comprehensive account demolishes long standing myths with the stark realities of this great historical controversy     World War II ,2006

*Imperial Japan's World War Two* Werner Gruhl,2017-07-12 Gruhl s narrative makes clear why Japan s World War II aggression still touches deep emotions with East Asians and Western ex prisoners of war and why there is justifiable sensitivity to the way modern Japan has dealt with this legacy Knowledge of the enormity of Japan s total war is also necessary to assess the United States and her allies policies toward Japan and their reactions to its actions extending from Manchuria in 1931 to Hiroshima in 1945 Gruhl takes the view that World War II started in 1931 when Japan crowded and poor in raw materials but with a sense of military invincibility saw empire as her salvation and invaded China Japan s imperial regime had volatile ambitions but limited resources thus encouraging them to unleash a particularly brutal offensive against the peoples of Asia and surrounding ocean islands Their 1931 to 1945 invasions and policies further added to Asia s pre war woes particularly in China by badly disrupting marginal economies leading to famines and epidemics Altogether the victims of Japan s World War Two aggression took many forms and were massive in number Gruhl offers a survey and synthesis of the historical literature and documentation statistical data as well as personal interviews and first hand accounts to provide a comprehensive overview analysis The sequence of diplomatic and military events leading to Pearl Harbor as well as those leading to the U S decision to drop the atom bomb are explored here as well as Japan s war crimes and postwar revisionist apologist views regarding them This book will be of intense interest to Asian specialists and those concerned with human rights issues in a historical context     *The World War II Chronicles* William J. Craig,2017-06-13 A virtually faultless account of the final weeks of World War II in the Pacific and the definitive history of the battle for Stalingrad together in one volume The New York Times Book Review Author William Craig traveled to three different continents reviewed thousands of documents and interviewed hundreds of survivors to write these New York Times bestselling histories bringing the Eastern

Front and the Pacific Theater of World War II to vivid life *The Fall of Japan* masterfully recounts the dramatic events that brought an end to the Pacific War and forced a once mighty nation to surrender unconditionally From the ferocious fighting on Okinawa to the all but impossible mission to drop the second atom bomb and from Franklin D Roosevelt s White House to the Tokyo bunker where tearful Japanese leaders first told the emperor the war was lost Craig draws on Japanese and American perspectives to capture the pivotal events of these climactic weeks with spellbinding authority *Enemy at the Gates* chronicles the bloodiest battle of the war and the beginning of the end for the Third Reich On August 5 1942 giant pillars of dust rose over the Russian steppe marking the advance of Hitler s 6th Army The Germans were supremely confident in three years they had not suffered a single defeat The siege of Stalingrad lasted five months one week and three days Nearly two million men and women died and the 6th Army was completely destroyed The Soviet victory foreshadowed Nazi Germany s downfall and the rise of a communist superpower Heralded by Cornelius Ryan author of *The Longest Day* as the best single work on the epic battle of Stalingrad *Enemy at the Gates* was the inspiration for the 2001 film of the same name starring Joseph Fiennes and Jude Law

**The Fall of Japan** William Craig,1979-01 An account of the final weeks of World War II based on personal interviews memoirs and the documents of key figures in both Japan and the United States *WORLD WAR TWO THE FALL OF JAPAN*. Keith Wheeler,1983

*The Rising Sun* John Toland,2003-05-27 *The Rising Sun* is quite possibly the most readable yet informative account of the Pacific war Chicago Sun Times This Pulitzer Prize winning history of World War II chronicles the dramatic rise and fall of the Japanese empire from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki Told from the Japanese perspective *The Rising Sun* is in the author s words a factual saga of people caught up in the flood of the most overwhelming war of mankind told as it happened muddled ennobling disgraceful frustrating full of paradox In weaving together the historical facts and human drama leading up to and culminating in the war in the Pacific Toland crafts a riveting and unbiased narrative history In his Foreword Toland says that if we are to draw any conclusion from *The Rising Sun* it is that there are no simple lessons in history that it is human nature that repeats itself not history Unbelievably rich readable and exciting The best parts of Toland s book are not the battle scenes but the intimate view he gives of the highest reaches of Tokyo politics **Newsweek**

**The Japanese Empire Disaster** Jean Sénat Fleury,2021-01-22 The book demonstrates that even if during the first period of the Shwa era 1931 1945 the real driving force to war was the Japanese military Hirohito as supreme commander gave full support to the army On multiple occasions as an emperor he sanctioned many government policies Accordingly he was responsible for the war and for the atrocities that the Japanese troops committed in Asia during the Pacific War *Japan s Empire Disaster* is a book of information and training a reference document that should be read as an educational tool on the history of the modernization of Japan and the war launched by Emperor Meiji and Hirohito to build Japan Empire in the Pacific and East Asia The book shares the view of the author on Hirohito s responsibility on the events that marked Japan s entry into the war that began

when Japanese troops invaded Manchuria on September 19 1931 and culminated with Japan's surprise attack on the U S naval base at Pearl Harbor on December 7 1941      The Library of Congress World War II Companion David M.

Kennedy,2007-10-02 An indispensable reference on World War II produced by the Library of Congress and edited by Pulitzer Prize winning historian David M Kennedy With hundreds of illustrations and quotations from contemporary documents this will be the most authoritative popular reference on World War II The noted historian John Keegan called World War II the largest single event in human history More than sixty years after it ended that war continues to shape our world Going far beyond accounts of the major battles The Library of Congress World War II Companion examines in a unique and engaging manner this devastating conflict its causes conduct and aftermath It considers the politics that shaped the involvement of the major combatants military leadership and the characteristics of major Allied and Axis armed services the weaponry that resulted in the war's unprecedented destruction as well as debates over the use of these weapons the roles of resistance groups and underground fighters war crimes daily life during wartime the uses of propaganda and much more Drawn from the unparalleled collections of the institution that has been called America's Memory The Library of Congress World War II Companion includes excerpts from contemporary letters journals pamphlets and other documents as well as first person accounts recorded by the Library of Congress Veterans History Project The text is complemented by more than 150 illustrations Organized into topical chapters such as The Media War War Crimes and the Holocaust and two chapters on Military Operations that cover the important battles the book also include readers to navigate through the rich store of information in these pages Filled with facts and figures information about unusual aspects of the war and moving personal accounts this remarkable volume will be indispensable to anyone who wishes to understand the World War II era and its continuing reverberations      *Smoky, the Dog That Saved My Life* Nancy Roe Pimm,2019-02-21 World War II soldier Bill

Wynne met Smoky while serving in New Guinea where the dog who was smaller than Wynne's army boot was found trying to scratch her way out of a foxhole After he adopted her she served as the squadron mascot and is credited as being the first therapy dog for the emotional support she provided the soldiers When they weren't fighting Bill taught Smoky hundreds of tricks to entertain the troops Smoky became a war hero herself at an airstrip in Luzon the Philippines where she helped save forty airplanes and hundreds of soldiers from imminent attack After the war Bill worked as a Hollywood animal trainer and then returned to his hometown of Cleveland Ohio He and Smoky continued to perform their act even getting their own TV show How to Train Your Dog with Bill Wynne and Smoky Nancy Roe Pimm presents Bill and Smoky's story to middle grade readers in delightful prose coupled with rich archival illustrations Children will love learning about World War II from an unusual perspective witnessing the power of the bond between a soldier and his dog and seeing how that bond continued through the exciting years following the war      *Japan's Role in International Politics since World War II* Edward R.

Beauchamp,2013-04-11 The best scholarship on the development of contemporary Japan This collection presents well over

100 scholarly articles on modern Japanese society written by leading scholars in the field These selections have been drawn from the most distinguished scholarly journals as well as from journals that are less well known among specialists and the articles represent the best and most important scholarship on their particular topic An understanding of the present through the lens of the past The field of modern Japan studies has grown steadily as Westerners have recognized the importance of Japan as a rising world economic force and an emerging regional power The post 1945 economic success of the Japanese has however been achieved in the context of that nation's history social structure educational enterprise and political environment It is impossible to understand the postwar economic miracle without an appreciation of these elements Japan's economic emergence has brought about and in some cases exacerbated already existing tensions and these tensions have in turn had a significant impact on Japanese economic life The series is designed to give readers a basic understanding of modern Japan its institutions and its people as we stand on the threshold of a new century often referred to as the Pacific Century United States Naval History United States. Department of the Navy. Library, 1969 **The Rise of Modern Japan** Linda K. Menton, 2003-01-01 Graphs charts photographs maps and timelines enhance a history of modern Japan
