## **The Fall Of Jerusalem:**

**The Fall of Jerusalem** Flavius Josephus, 2006 It is fatal to show pity in a time of war Led by the mighty Titus the Roman army besieges Jerusalem Arrows rain over the city day and night and battering rams assault its defensive walls Inside the people curse their fate resistant to the last but maddened by hunger After days of rebellion at last their city falls The citizens plead for mercy but as the Romans march on the Temple of Masada the most sacred sanctuary of the Jewish people flaming torches blaze above their heads

G. F. Brandon, 2010-06-01 What lies between the authoritative preeminence of the Mother Church of Jerusalem and the virtual extinction both of its life and apparently of all its local records Dr Brandon finds that the full significance of the fall of Jerusalem in AD 70 has been strangely neglected amongst scholars In this original and exhaustive study he shows that this catastrophic event was of profound importance not only for the development of early Christianity but possibly also for its very survival Besides an ordered survey of other ancient historians this book demonstrates an extensive study of New Testament origins and many will find special interest in the light it throws upon the origin and purpose of canonical works This book faces serious problems of New Testament study that have generally been too easily dismissed and it makes a definite and original contribution towards their solution *The History of the Siege and Destruction of Jerusalem, Etc Jerusalem, 1832*

Henty,2017-06-12 Preface In all history there is no drama of more terrible interest than that which terminated with the total destruction of Jerusalem Had the whole Jewish nation joined in the desperate resistance made by a section of it to the overwhelming strength of Rome the world would have had no record of truer patriotism than that displayed by this small people in their resistance to the forces of the mistress of the world Unhappily the reverse of this was the case Except in the defense of Jotapata and Gamala it can scarcely be said that the Jewish people as a body offered any serious resistance to the arms of Rome The defenders of Jerusalem were a mere fraction of its population a fraction composed almost entirely of

turbulent characters and robber bands who fought with the fury of desperation after having placed themselves beyond the pale of forgiveness or mercy by the deeds of unutterable cruelty with which they had desolated the city before its siege by the Romans They fought it is true with unflinching courage a courage never surpassed in history but it was the courage of despair and its result was to bring destruction upon the whole population as well as upon themselves Fortunately the narrative of Josephus an eyewitness of the events which he describes has come down to us and it is the storehouse from which all subsequent histories of the events have been drawn It is no doubt tinged throughout by his desire to stand well with his patrons Vespasian and Titus but there is no reason to doubt the accuracy of his descriptions I have endeavored to present you with as vivid a picture as possible of the events of the war without encumbering the story with details and except as regards the exploits of John of Gamala of whom Josephus says nothing have strictly followed in every particular the narrative of the historian G A Henty Chapter 1 The Lake Of Tiberias Dreaming John as usual I never saw such a boy You are always in extremes either tiring yourself out or lying half asleep I was not half asleep mother I was looking at the lake I cannot see much to look at John It s just as it has been ever since you were born or since I was born No I suppose there s no change mother but I am never tired of looking at the sun shining on the ripples and the fishermen s boats and the birds standing in the shallows or flying off in a desperate hurry without any reason that I can make out Besides mother when one is looking at the lake one is thinking of other things And very often thinking of nothing at all my son Perhaps so mother but there s plenty to think of in these times Plenty John there are baskets and baskets of figs to be stripped from the trees and hung up to dry for the winter and next week we are going to begin the grape harvest But the figs are the principal matter at present and I think that it would be far more useful for you to go and help old Isaac and his son in getting them in than in lying there watching the lake I suppose it would mother the lad said rising briskly for his fits of indolence were by no means common and as a rule he was ready to assist at any work which might be going on
