 Mike Nystrom,2012-01-24 Mildred s Book Store sounded like a catchy name for my collection of book titles and authors
 Mildred to me seemed like a good name for an entrepreneur of a small business like an independent bookstore As in any such
 retail outlet there are different categories of books to appeal to any reader As I began organizing my collection I was able to
 arrange them in eight general categories including a catch all Potpourri section Since they are only titles and not whole
 books I hope that the reader finds favorites in all eight sections I also hope that this will spur an interest in some of these
 various fields that leads to purchases of books in those fields If by having my collection published it both entertains and
 creates interest in new areas of life I will be completely satisfied
