The Hidden Seeker:

The Hidden Seeker J. A. Edwards, 2000-07-25 Jessie Mati the Captain of the King's Guards finds her uneventful life turned upside down when a member of the Seeker Council is captured and killed. The secrets that she had been hiding begin to merge one right after another, each more dangerous than the one before. Jessie finds herself fearing for the safety of her daughter and the thought of losing the man she is not allowed to date. She has to decide where her allegiance lies with the king who raised her or the Seeker who gave her life. *The Seeker's Guide to the Hidden Path* Raven Grimassi, 2007 **The Seeker's Guide to The Secret Teachings of All Ages** Mitch Horowitz, 2020-09-30 A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric mystical and occult traditions of the world than Manly P. Hall's *The Secret Teachings of All Ages*. Now historian Mitch Horowitz provides the first companion work to Hall's opus. *The Secret Teachings of All Ages* helps twenty-first century readers enter and experience or re-experience Hall's hallowed pages and also clarifies and expands on some of the book's key themes and topics. Mitch explores developments and historical discoveries since Hall published his *Great Book* nearly a century ago and adds fresh dimensions to subjects including the antiquity and legacy of Ancient Egypt, the mystical origins of the world's major faiths, strange beasts and anomalies in history, and today the origins and esotericism of Tarot, Secret Societies in Myth and Fact, the enduring relevance of astrology. Authorized by Manly P. Hall's Philosophical Research Society, *The Secret Teachings of All Ages* is a feast of esoteric exploration on its own and a worthy companion to history's unparalleled encyclopedia *arcana*. Mitch is a fantastic tour guide to the fringes of reason, high weirdness, deep esoterica, secret societies, and mystery religions. BoingBoing Has the rare gift of making the esoteric accessible to discerning masses. *HuffPost* **The Hidden Power** Luiz Santos, 2024-10-31 The Hidden Power Metatron and the Secret Path Within the pages of this book, a latent power awakens, guided by the enigmatic presence of Metatron, a guardian of hidden truths. The journey is silent, profound, and revealing, with each teaching drawing the reader toward an ancient path reserved for those seeking something beyond the visible. The mysteries of chakras and vital energy are unveiled here, not as mere concepts but as portals leading to the essence of the soul itself. Through practices of alignment and purification, the reader is gently led to a space of inner peace and elevated awareness, where each chakra becomes a link with the universe. Through meditations and visualizations that transcend time, this book calls to those ready to explore the hidden potential of their own energy and attune to the subtle vibrations of existence. Spiritual protection and positive manifestation techniques emerge as tools for a life in harmony with the whole, where each thought and intention resonates within the universal web. *The Hidden Power* offers an invitation, not just to read but to experience, to find within the quiet of its pages a wisdom that reminds us that the divine pulses in every breath and that true power lies in becoming a pure channel of harmony and light.
