buy and house Networking All in One For Dummies covers all the basic and not so basic information you need to get a network up and running. It also helps you keep it running as it grows more complicated, develops bugs and encounters all the fun sorts of trouble you expect from a complex system. Ideal both as a starter for newbie administrators and as a handy quick reference for pros, this book is built for speed, allowing you to get past all the basics like installing and configuring hardware and software, planning your network design and managing cloud services so you can get on with what your network is actually intended to do. In a friendly jargon-free style, Doug Lowe, an experienced IT Director and prolific tech author, covers the essential up-to-date information for networking in systems such as Linux and Windows 10 and clues you in on best practices for security, mobile and more. Each of the nine minibooks demystifies the basics of one key area of network management: Plan and administer your network, Implement virtualization, Get your head around networking in the Cloud, Lock down your security protocols. The best thing about this book: You don't have to read it all at once to get things done; once you've solved the specific issue at hand, you can put it down again and get on with your life. And the next time you need it, it'll have you covered.

Small Business For Dummies - Australia & New Zealand Veechi Curtis, 2016-06-15. Take your small business to new heights. Thinking about starting a new business? Searching for new ways to run your small business better? Whether you're starting your own business from scratch or looking to grow an existing venture, this easy-to-follow guide helps you reach your small business dreams. Covering everything from marketing and business planning to legal structures and building a positive online presence, this updated edition of the bestselling *Small Business For Dummies* is the essential guide. No Australian or New Zealand small business owner should be without. Unfortunately, nearly half of small businesses in Australia and New Zealand fail within their first year of operation. But the good news is that with the right business acumen, the odds don't have to be stacked against you, and that's where this friendly guide helps. Inside, you'll discover how to develop a blueprint for success with a winning business plan, find your unique selling point and get it out to the masses, deliver on your customers' expectations, secure high rankings on search engines to get your website seen, recruit the best employees to build an unstoppable team and so much more. Includes dedicated chapters for retailers, manufacturers and wholesalers. Covers the rules on superannuation, pay rates and OH&S. Shows you how to market your business more effectively. Guides you step by step through putting your business online. Squash issues before they arise, pounce on opportunities the competition has missed and make your small business thrive with the help of *Small Business For Dummies*.
