Small Churches Are The Right Size:

Small Churches are the Right Size David R. Ray, 1982 **Indispensable Guide for Smaller Churches** David R. Ray, 2009-06-01 This book complements the author's earlier titles from The Pilgrim Press *The Big Small Church Book* and *Wonderful Worship in Smaller Churches*. Ray expands on the earlier works by treating such subjects as communal theology, theories and tools for understanding smaller churches, worship, education and finance. His vision is to lead even smaller churches toward the year 2030.

Inside the Small Church Anthony G. Pappas, 2001-11-01 Even as so-called megachurches capture the attention of many church watchers, small congregations continue to dominate America's religious landscape in both rural and urban settings. Although sometimes obscured by their larger siblings, these small churches play a prominent role and hold a unique place in both local and national cultures. How can leaders help to keep these often at-risk churches alive and to meet their potential for ministry? Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations. Drawing on classic and updated articles by a variety of writers from his own small church newsletter *The Five Stones*, from *Alban*, *Journals of Action*, *Information and Congregations*, and adding new pieces developed especially for this volume, Pappas provides timeless ideas on learning to value, pastor develop and lead the small church. In addition to time-honored articles by the editor, other contributors to this volume include Sherry and Douglas Alan Walrath, Gary Farley, Lawrence W. Farris, Loren Mead, Caroline Westerhoff, Steven Burt, Carl Dudley, David Ray, James Lowery and a host of others known for their work and love for the small church. Readers of *Inside the Small Church* will come away with a renewed love and appreciation for these vital congregations as well as with new skills for ministry.

The Everychurch Guide to Growth Elmer L. Towns, C. Peter Wagner, Thom S. Rainer, 1998-08-01 Shows churches of every size how to revive and expand their ministries, breaking through barriers and growing into the future.

Entering the World of the Small Church Anthony G. Pappas, 2000-11-01 This demonstrates amazingly with unflinching honesty and a wonderfully redeeming sense of humor, a resource especially helpful in motivating change and growth by mobilizing the natural strengths of small churches. For you who have been looking for a reliable guide to interpret the world of the small church, look no further since this provides all the insights you need. Includes images and models and strategies that reflect the profound uniqueness of the small church. It clearly shows leaders how to lead within the dynamics and culture of the small congregation. This is theologically sound and eminently practical. A must reading for anyone who is or plans to be a leader in a small church. Excellent for small group study.

Pazmiño, 2002-04-29 To reject power and its legitimate use is ultimately to reject God's gift and intention for Christians as we live in the world writes Robert W Pazmino He defines what authority is and how it is perceived by and operates in various Christian communities He applies these factors and the need for confident authoritative teachers specifically to the ministry of Christian education By What Authority Do We Teach completes a trilogy covering key elements
