## **Small Group Communication:**

**The Fundamentals of Small Group Communication** Scott A. Myers, Carolyn M. Anderson, 2008-01-17 The Fundamentals of Small Group Communication provides readers with the fundamentals they need to become functional and productive members of any small group. Readers are introduced to the fundamental issues faced by all small groups such as socialization, development, ethics, diversity, and the procedures utilized by effective small groups, for example, task accomplishment, decision making, climate. With a focus on the individual group member, this textbook encourages readers to reflect on how their communication behaviors, e.g., communication traits, verbal and nonverbal communication, listening style, and practices, e.g., their leadership style, their conflict management style, contribute to their current small group experiences. **Intended Audience:** This textbook is intended for introductory courses in group communication as found in departments of communication studies, leadership, marketing, management, and interdisciplinary studies. Accompanied by High Quality Ancillaries: An Instructors Resource CD is available to qualified adopters. This Instructor's Resource CD is designed to aid you in using easily The Fundamentals of Small Group Communication. The CD has been created by Scott A. Myers, West Virginia University; Katie N. Dunleavy, LaSalle University; Brianna N. Loy, West Virginia University; and Paul E. Madlock, West Virginia University. Each chapter contains the following ancillary materials: Chapter Outline, Test Questions, In-Class Activities, PowerPoint Slides. A list of paper topics is also provided in the section titled Teaching Resources.

**Small Group Communication** Moon Castro, 2021 Groups in Process Larry Lee Barker, Kathy J. Wahlen, Kittie W. Watson, 2001 Practical and concise, this book offers specific techniques to make small group interactions more effective and efficient. Groups in Process continues to balance traditional and progressive approaches to teaching small group communication, drawing together the best of current research and thought on leadership, problem solving, and conflict management. Thorough and up to date, this book serves as a bridge between discussion-based texts and newer interpersonal perspectives. Its straightforward presentation translates theory into practice with a plenitude of real world examples. For those interested in Small Group Communication.

**Small Group Communication** Larry A. Samovar, 1970 Group Communication Peter Hartley, 1997 Group Communication introduces applications of small group dynamics. Hartley shows how an understanding of how groups work and interact can improve the chances of successful team communication and cooperation. Group Communication includes critical reviews of group research, explanation of the difficulties and practicalities of observing groups, analysis of major group processes including conformity and decision making, analysis and case studies of the management team, student seminar project groups, and self-help groups. Practical recommendation for group communication, references, and suggestions for further reading and research.
