

A blurry, artistic photograph of rain falling on a dark surface. The rain is captured as numerous white streaks and droplets against a dark, textured background. In the upper right, there is a bright, out-of-focus light source, possibly a window or a lamp, which creates a soft glow and highlights the falling rain. The overall mood is serene and atmospheric.

had dreams of a Norse warrior And even though she s never fully understood the reason she welcomes the meaningless pleasure of being in a Viking s protective embrace until the day she meets that very Northman on an impulsive vacation to Ireland Though blindsided by the relevance of her dreams and the eerily familiar man within them Lorraine can t help but feel drawn to Leif The more she gets to know him the more she s convinced they ve shared a life together in a time long forgotten As their pasts and present lives begin to intertwine old conflicts and angers rise to the surface Leif and Raine must win the right to be together in this life if Raine can even convince Leif he was once her ancient Viking lover Previously published as *The Fall of Rain* This new edition has been partially rewritten and professionally edited along with a new title and new cover
