Inside the Music of Brian Wilson Philip Lambert, 2007-03-19 Inside the Music of Brian Wilson is as author Phillip Lambert writes in the prologue completely and intensely focused on the music of Brian Wilson on the musical essence of his songs and the aesthetic value of his artistic achievements It acknowledges the familiar biographical contexts of his songs but it tells completely new stories about the birth and evolution of his musical ideas identifying important musical trends in his work heretofore undisclosed inter song connections within his music or between his music and that of others and the nature and extent of his artistry It aims not just to identify great songs but to explain exactly what makes them so Lambert a renowned musicologist brings to this work to life with both his professional expertise and an infectious personal appreciation of the power of pop music His clear engaging tone and accessible writing style allows even a musically inexperienced reader to follow him as he traces Wilson's musical evolution with a particular focus on the years leading up to the writing and recording of Pet Sounds and SMiLE albums which many consider to be the masterpieces of his oeuvre Inside the Music of Brian Wilson is the definitive book on Wilson's music and is essential reading for fans of Brian Wilson the Beach Boys and great pop music Includes THREE amazing Appendixes Appendix 1 Brian Wilson Song Chronology Appendix 2 Four Freshmen Albums 1955 1961 Appendix 3 Favorite Songs and Influences Through 1961 The most complete song chronology ever

published **Reading Smile** Dale Carter, 2021-05-31 First conceived in 1966 but only completed in 2004 Brian Wilson Presents Smile has been called the best known unreleased album in pop music history and an American Sergeant Pepper Reading Smile offers a close analysis of the recording in its social cultural and historical contexts It focuses in particular on the finished work's subject matter as embodied in Van Dyke Parks' contentious yet little understood lyrics with their low resolution highly allusive portrayals of western expansion's archetypes from Plymouth Rock Massachusetts to Diamond Head Hawaii Documenting their multiple references and connotations it argues that their invocations of national self definition are part of a carefully crafted vision of American identity society and culture both in tune and at odds with the times Critical of the republic's past practices but convinced that its ideals values and myths still provided resources to redeem it the recording is interpreted as a creative musical milestone an enduring product of its volatile radical countercultural times and an American pop art classic Of particular relevance to American Studies and popular culture scholars Reading Smile will also appeal to those interested in 1960s popular music not least to fans of Brian Wilson Van Dyke Parks and the Beach Boys
