for maintaining vibrant conversations about the place of multiethnic literature both inside and outside the academy The Oprah Affect Cecilia Konchar Farr,Jaime Harker,2008-10-16 The Oprah Affect explores the cultural impact of Oprah s Book Club particularly in light of debates about the definition and purpose of literature in American culture For the critics collected here Oprah s Book Club stands in the context of American literary history not as an egregious undermining of who we are and what we represent as some have maintained but as the latest manifestation of a tradition that encourages symbiotic relationships between readers and texts Powered by women writers and readers novels in this tradition attract crowds sell well and make unabashed appeals to emotion The essays consider the interlocking issues of affect affinity accessibility and activism in the context of this tradition Juxtaposing book history reading practices literary analysis feminist criticism and communication religious political and cultural studies the contributors map a range of possibilities for further research on Oprah s Book Club A complete chronological list of Book Club picks is included The Culture and Commerce of Publishing in the 21st Century Albert N. Tabloid Tales Colin Sparks,John Tulloch,2000-03-22 Coverage of the Clinton Lewinsky saga followed in a long trail of media exposures of the more personal details of the lives of public figures Many commentators have seen stories like this and TV shows like Jerry Springer s as evidence of a decline in the standards of the mass media This increasing interest in private lives and the falling off of coverage of serious news is often described as tabloidization The essays in this book are the first serious scholarly studies of what is going on and what its implications are Reality it turns out is much more complex than some of the laments suggest As the contributors show this is not just a U S problem but is repeated in country after country and it is not certain that the media anywhere are getting more tabloid What is more there is no consensus about whether tabloidization is just dumbing down or whether it is a necessary tactic for the mass media to engage with new audiences who do not have the news habit *Tabloid Tales* will be of interest to students and scholars in journalism mass communication political science and cultural and media studies

Light from a Distant Star Mary McGarry Morris, 2012-07-17 *Light from a Distant Star* is a gripping coming of age story with a brutal murder at its heart and a heroine as unforgettable as Harper Lee's Scout. It is early summer and Nellie Peck is on the cusp of adolescence, gangly, awkward, full of questions but keenly observant and wiser than many of the adults in her life. The person she most admires is her father Benjamin, a man of great integrity. His family's century old hardware store is failing and Nellie's mother has had to go back to work. Nellie's older half sister has launched a disturbing search for her birth father. Often saddled through the long hot days with her timid younger brother Henry, Nellie is determined to toughen him up and herself as well. Three strangers enter Nellie's protected life. Brooding Max Devaney is an ex-con who works in her surly grandfather's junkyard. Reckless Bucky Saltonstall has just arrived from New York City to live with his elderly grandparents. And pretty Dolly Bedelia is a young stripper who rents the family's small rear apartment and becomes the titillating focus of Nellie's eavesdropping. When violence erupts in the lovely Peck house, the prime suspect seems obvious. Nellie knows who the real murderer is but is soon silenced by fear and the threat of scandal. The truth as she

sees it is shocking and unthinkable and with everyone's eyes riveted on her in the courtroom Nellie finds herself seized with doubt No one will listen No one believes her and a man's life hangs in the balance A stunning evocation of innocence lost Light from a Distant Star stands as an incredibly moving and powerful novel from one of America's finest writers **A**
