The authors build upon the rich traditions of group parent education while incorporating contemporary theory and practice.

*The Way of Song* Shawna Carol, 2003-06-18 Anyone who's gotten so mad they could scream or let out a mellow sigh of relief knows that the voice is a powerful tool for releasing emotions. In this beautifully written guide, singer and teacher Shawna Carol shows how to harness the power of the voice as a means of self-expression and spiritual growth. Using her SpiritSong method, Carol encourages you to sing whether or not you have what is commonly considered a good voice. Stripping away the mystique, fear, and perfectionism that so often surround singing, she begins with simple breathing exercises and builds to simple toning followed by more complete songs. The goal is a feeling of openness, connection, and freedom that comes from self-expression. The singing itself can be done with or without words, alone or in a group. Whether or not you can read music or even carry a tune, *The Way of Song* illuminates a sure path to reconnecting with the joy and the power of singing.

*Nailing Jelly to the Wall* Nancy P. Alexander, 2012 For experts in the field of early care and education, defining and providing technical assistance can be as difficult as nailing jelly to the wall. Learn to effectively coach, mentor, and train early childhood teachers and administrators with guided experiences, strategies, and activities to provide technical assistance in specific program areas like parent involvement, science, outdoor play, music, and art. *Nailing Jelly to the Wall* is written for early childhood consultants, offering an objective outside view of what is needed to improve a program, mentors serving as a role model for others who are building a career in early childhood, coaches helping others in the field of early childhood improve their skills and knowledge by providing resources, demonstrations, and guidance, and program administrators working with their own staff to provide professional development and guidance.

*Studying Babies and Toddlers* Liang Li, Gloria Quiñones, Avis Ridgway, 2017-02-14 The editors of this book have brought together contributors from many parts of the world. As such, the book offers a truly diverse international flavour, reflecting a broad range of research on babies and toddlers. Examining examples from both Eastern and Western cultures, the book's overarching focus is on relationships, yielding a coherence beneficial to early childhood researchers and educators alike. Employing visual methodologies to help bring the chapters to life, the varied research studies presented concern babies and toddlers, relationships, and cultural contexts. Taken together, they offer a unique opportunity to conceptualise the use of a wholeness approach for studying babies and toddlers, our youngest citizens.
