Songs Of The Open Road:

Song of the Open Road Walt Whitman, 2022-06-21 Walt Whitman's poem was first published in the 1856 collection *Leaves of Grass*

Detours Salil Tripathi, 2015-12-29 When Salil Tripathi began writing a travel column for a well known newspaper he consciously decided to veer off the beaten track and not showcase the food and drink or the fabulous hotels and world class restaurants of a country. Instead it was his insights into a place that defined a country and its people when viewed from the prism of history, culture and literature. Culled from his extensive travel writings, *Detours: Songs of the Open Road* is split into three parts: the first section called *War*, the second titled *Words* and the third called *Loss*. *Remembrance* is a wonderful personal journey about countries he visited with his wife who died in 2006 and which he later revisited with his sons as remembrance to a beloved. *Detours: Songs of the Open Road* is a remarkable travel diary of a man who holds your hand and takes you through fascinating journeys which you make your own by the end of his travel.

Notes and Sources for Folk Songs of the Catskills Norman Cazden, Herbert Haufrecht, Norman Studer, 1982-01-01 *Notes and Sources to Folk Songs of the Catskills* also published by the State University of New York Press is the companion volume to *Folk Songs of the Catskills*. It contains extensive reference notes that exemplify and support detailed citations in the commentary preceding each song. The book also includes a comprehensive list of sources including books, broadsides or pocket songsters, disc recordings, music publications, periodicals, tape archives and other miscellaneous material as well as information on variants, adaptations, comments or references, texts and tunes. These notes are designed to provide succinct reference information.
