Soul Of City:

Soul City Touré, 2007-09-03 From the wildly popular author of the groundbreaking debut *The Portable Promised Land* comes an inventive and hilarious first novel about an African American utopia threatened by the darker side of human nature Welcome to Soul City where roses bloom in the cracks of the sidewalk along Cornbread Boulevard musical genres become political platforms and children use their allowance money to buy records from the Vinyl Man Its an unusually peaceful and magical American community with a strong heritage and sense of unity at least thats how journalist Cadillac Jackson first finds it When Jackson visits Soul City on a magazine assignment a mayoral election is imminent and candidates from opposing parties are battling to control the citys soundtrack Amidst the increasingly hostile campaign Cadillac falls for Mahogany Sunflower a beautiful Soul Cityzen and begins a struggle to shed the embattled African American identity hes been taught to adopt in order to exist in a community where the content of his character really does determine a black mans identity What he discovers reveals as much about himself as it does about human nature and the meaning of race in America

Sounds and the City B. Lashua, K. Spracklen, S. Wagg, 2014-05-27 This book explores the ways in which Western derived music connects with globalization hybridity consumerism and the flow of cultures Both as local terrain and as global crossroads cities remain fascinating spaces of cultural contestation and meaning making via the composing playing recording and consumption of popular music

New York City Andrew F. Smith, 2013-11-26 New York City s first food biography showcases all the vibrancy innovation diversity influence and taste of this most celebrated American metropolis Its cuisine has developed as a lively potluck supper where discrete culinary traditions have survived thrived and interacted For almost 400 years New York s culinary influence has been felt in other cities and communities worldwide New York s restaurants such as Delmonico s created and sustained haute cuisine in this country Grocery stores and supermarkets that were launched here became models for national food distribution More cookbooks have been published in New York than in all other American cities combined Foreign and fancy foods including hamburgers pizza hot dogs Waldorf salad and baked Alaska were introduced to Americans through New York s colorful street vendors cooks and restaurateurs As Smith shows here the city s ever changing culinary life continues to fascinate and satiate both natives and visitors alike

Plato's Caves Rebecca Lemoine, 2020 From student protests over the teaching of canonical texts such as Plato s *Republic* to the use of images of classical Greek statues in white supremacist propaganda the world of the ancient Greeks is deeply implicated in a heated contemporary debate about identity and diversity In *Plato s Caves* Rebecca LeMoine defends the bold thesis that Plato was a friend of cultural diversity contrary to many contemporary perceptions Through close readings of four Platonic dialogues *Republic* *Menexenus* *Laws* and *Phaedrus* LeMoine shows that across Plato s dialogues foreigners play a role similar to that of Socrates liberating citizens from intellectual bondage

Americans Against the City Steven Conn, 2014-07-07 It is a paradox of American life that we are a highly urbanized nation filled with people deeply ambivalent about urban life An

aversion to urban density and all that it contributes to urban life and a perception that the city was the place where big government first took root in America fostered what historian Steven Conn terms the anti urban impulse In response anti urbanists called for the decentralization of the city and rejected the role of government in American life in favor of a return to the pioneer virtues of independence and self sufficiency In this provocative and sweeping book Conn explores the anti urban impulse across the 20th century examining how the ideas born of it have shaped both the places in which Americans live and work and the anti government politics so strong today Beginning in the booming industrial cities of the Progressive era at the turn of the 20th century where debate surrounding these questions first arose Conn examines the progression of anti urban movements He describes the decentralist movement of the 1930s the attempt to revive the American small town in the mid century the anti urban basis of urban renewal in the 1950s and 60s and the Nixon administration s program of building new towns as a response to the urban crisis illustrating how by the middle of the 20th century anti urbanism was at the center of the politics of the New Right Concluding with an exploration of the New Urbanist experiments at the turn of the 21st century Conn demonstrates the full breadth of the anti urban impulse from its inception to the present day Engagingly written thoroughly researched and forcefully argued *Americans Against the City* is important reading for anyone who cares not just about the history of our cities but about their future as well

Department of Housing and Urban Development, and certain independent agencies appropriations for fiscal year 1980 United States. Congress. Senate. Committee on Appropriations. Subcommittee on HUD-Independent Agencies,1979 **Collected Poems** Ronald Campbell Macfie,1929

Adapting Health Communication to Cultural Needs Piet Swanepoel,Hans Hoeken,2008 The question of what constitutes effective health communication has been addressed mainly by scholars working in American and European cultural contexts Many people who could benefit most from effective health communication however come from different cultures A prime example is the threat posed by HIV AIDS to the people of South Africa Although it is generally acknowledged that health communication needs to be tailored to the target audience s characteristics with cultural background being one of the most salient ones little research has been done on how to achieve this In this book we bring together leading scholars in the field of health communication as well as communication scholars from South Africa As such it can serve as an example of the promises and the limitations of general health communication theories to local praxis as well as provide guidelines for the development of better health communication in South Africa **Liberalism, Black Power, and the Making of American Politics, 1965-1980** Devin Fergus,2009 In this pioneering exploration of the interplay between liberalism and black nationalism Devin Fergus returns to the tumultuous era of Johnson Nixon Carter and Helms and challenges us to see familiar political developments through a new lens What if the liberal coalition instead of being torn apart by the demands of Black Power actually engaged in a productive relationship with radical upstarts absorbing black separatists into the political mainstream and keeping them from a more violent path What if the New Right arose not only in

response to Great Society Democrats but as significantly in reaction to Republican moderates who sought compromise with black nationalists through conduits like the Blacks for Nixon movement Focusing especially on North Carolina a progressive southern state and a national center of Black Power activism Fergus reveals how liberal engagement helped to bring a radical civic ideology back from the brink of political violence and social nihilism He covers Malcolm X Liberation University and Soul City two largely forgotten federally funded black nationalist experiments the political scene in Winston Salem where Black Panthers were elected to office in surprising numbers and the liberal nationalist coalition that formed in 1974 to defend Joan Little a black prisoner who killed a guard she accused of raping her Throughout Fergus charts new territory in the study of America s recent past taking up largely unexplored topics such as the expanding political role of institutions like the ACLU and the Ford Foundation and the emergence of sexual violence as a political issue He also urges American historians to think globally by drawing comparisons between black nationalism in the United States and other separatist movements around the world By 1980 Fergus writes black radicals and their offspring were more likely to petition Congress than blow it up That liberals engaged black radicalism at all however was enough for New Right insurgents to paint liberalism as an effete anti American ideology a sentiment that has had lasting appeal to significant numbers of voters

The Black Utopians Aaron Robertson, 2024-10-01 One of The New York Times s 100 Notable Books of 2024 One of the Washington Post s 50 Best Nonfiction Books of 2024 A Finalist for the Los Angeles Times Book Prize for History Finalist for the Zora Award A New York Public Library Top Ten Book of 2024 A Boston Globe Best Book of 2024 A New Republic Best Book of the Fall A Time Must Read Book of the Year A 2025 Michigan Notable Book A Booklist Best History Book of 2025 Named a Best Book of the Year by The New Yorker Literary Hub Essence Elle Chicago Public Library An extraordinary new work of history and memoir Unforgettable Gabriel Bump The Washington Post A lyrical meditation on how Black Americans have envisioned utopia and sought to transform their lives How do the disillusioned the forgotten and the persecuted not merely hold on to life but expand its possibilities and preserve its beauty What in other words does utopia look like in black These questions animate Aaron Robertson s exploration of Black Americans efforts to remake the conditions of their lives Writing in the tradition of Saidiya Hartman and Ta Nehisi Coates Robertson makes his way from his ancestral hometown of Promise Land Tennessee to Detroit the city where he was born and where one of the country s most remarkable Black utopian experiments got its start Founded by the brilliant preacher Albert Cleage Jr the Shrine of the Black Madonna combined Afrocentric Christian practice with radical social projects to transform the self conception of its members Central to this endeavor was the Shrine s chancel mural of a Black Virgin and child the icon of a nationwide liberation movement that would come to be known as Black Christian Nationalism The Shrine s members opened bookstores and co ops created a self defense force and raised their children communally eventually working to establish the country s largest Black owned farm where attempts to create an earthly paradise for Black people continues today Alongside the Shrine s story Robertson

reflects on a diverse array of Black utopian visions from the Reconstruction era through the countercultural fervor of the 1960s and 1970s and into the present day By doing so Robertson showcases the enduring quest of collectives and individuals for a world beyond the constraints of systemic racism The Black Utopians offers a nuanced portrait of the struggle for spaces both ideological and physical where Black dignity protection and nourishment are paramount This book is the story of a movement and of a world still in the making one that points the way toward radical alternatives for the future

Entertainment-Education and Social Change Arvind Singhal, Michael J. Cody, Everett M. Rogers, Miguel Sabido, 2003-12-08 Entertainment Education and Social Change introduces readers to entertainment education E E literature from multiple perspectives This distinctive collection covers the history of entertainment education its applications in the United States and throughout the world the multiple communication theories that bear on E E and a range of research methods for studying the effects of E E interventions The editors include commentary and insights from prominent E E theoreticians practitioners activists and researchers representing a wide range of nationalities and theoretical orientations Examples of effective E E designs and applications as well as an agenda for future E E initiatives and campaigns make this work a useful volume for scholars educators and practitioners in entertainment media studies behavior change communications public health psychology social work and other arenas concerned with strategies for social change It will be an invaluable resource book for members of governmental and non profit agencies public health and development professionals and social activists *Hearings, Reports and Prints of the House Committee on Banking, Currency, and Housing* United States. Congress. House. Committee on Banking, Currency, and Housing, 1976 "Invisible Cities" and the Urban Imagination Benjamin Linder, 2022-11-08 In 1972 Italo Calvino published Invisible Cities a literary book that masterfully combines philosophy and poetry rigid structure and free play theoretical insight and glittering prose The text is an extended meditation on urban life and it continues to resonate not only among literary scholars but among social scientists architects and urban planners as well To commemorate the 50th anniversary of Invisible Cities this collection of essays serves as both an appreciation and a critical engagement Drawing from a wide array of disciplinary perspectives and geographical contexts this volume grapples with the theoretical pedagogical and political legacies of Calvino's work Each chapter approaches Invisible Cities not only as a novel but as a work of evocative ethnography place writing and urban theory Fifty years on what can Calvino's dreamlike text offer to scholars and practitioners interested in actually existing urban life **Oversight Hearings on the New Communities Program** United States. Congress. House. Committee on Banking, Currency and Housing. Subcommittee on Housing and Community Development, 1975 *Translations from the Vedas. By J. Muir*, 1870 Commerce Today, 1973-10 *The Right Side of the Sixties* Laura Jane Gifford, Daniel K. Williams, 2012-07-25 The 1960s were a transformative era for American politics but much is still unknown about the growth of conservatism during the period when it was radically reshaped and became the national political force that it is today In

their efforts to chronicle the national politicians and organizations that led the movement previous histories have often neglected local perspectives the role of religion transnational exchange and other aspects that help to explain conservatism s enduring influence in American politics Taken together the contributions gathered here offer a cutting edge synthesis that incorporates these overlooked developments and provides new insights into the way that the 1960s shaped the trajectory of postwar conservatism

Principles and Practice of Social Marketing Rob Donovan,Nadine Henley,2010-10-28 This fully updated edition combines the latest research with real life examples of social marketing campaigns the world over to help you learn how to apply the principles and methods of marketing to a broad range of social issues The international case studies and applications show how social marketing campaigns are being used across the world to influence changes in behaviour and reveal how those campaigns may differ according to their cultural context and subject matter Every chapter is fully illustrated with real life examples including campaigns that deal with racism the environment and mental health The book also shows how social marketing influences governments corporations and NGOs as well as individual behaviour The author team combine research and teaching knowledge with hands on experience of developing and implementing public health social welfare and injury prevention campaigns to give you the theory and practice of social marketing

Beautiful Reward Jeffrey Langer,2008-03 Dear Reader For six months I ve been lifting weights with the Muscle Mafia at Gold s Gym and hanging out with bar bands writing songs hoping one of my lyrics make it to the big time This book is about people s private side they seldom share their family and friends The songs were inspired by hundreds of wonderful people I interviewed in South Beach It s been said that a vacation in South Beach is like a trip to a movie set a fashion shoot and a tropical paradise all rolled into one That s a pretty good description of the way it feels in South Beach Fun in the sun excitement glamour everlasting pampering of the body soul and mind believe me folks South Beach has it all To all the fans of *Along The Road To Heaven* and *A Sense of Wonder* who sent me e mails begging for a third poetry song book of Florida here it is Jeff Langer *Beautiful Reward* is Mr Langer s tenth book He s written songs for hundreds of bands in South Florida In 2006 Mr Langer won the prestigious America s Brightest Songwriter Award and has received lavish praise from the International Poets Society and Rolling Stone Magazine

Eliminating Gender-Based Violence Ann Taket,Beth R. Crisp,2017-09-11 While promoting access to resources and systems of support for those affected by gender based violence is absolutely crucial this new book focuses attention on the important question of how communities can take action to prevent violence and abuse Using examples of current research and practice the book explores the actions that can be taken in individual sectors of society our schools faith communities campuses on our streets and using new popular technologies The contributors draw on global examples to highlight the importance of learning from the study of the interaction between socio political contexts and effective policies and strategies to address gender based violence Chapters take up the challenge of exploring the construction of effective programmes that address cognitive affective and behavioural domains They discuss

what people know how they feel and how they behave and include the important challenge of how to engage men in working towards the elimination of gender based violence offering positive messages which build on men s values and predisposition to act in a positive manner Importantly such strategies place the responsibility for preventing gender based violence on the society as a whole rather than on vulnerable individuals This book is essential reading for anyone interested in gender studies women s studies social work sociology law and health studies Its unique approach focuses on the achievement of prevention at the earliest possible stage and examines the issue through a society wide but community focused lens
