Soulsalsa Leonard Sweet, 2009-09-13 Getting a Christian worldview is all the rage these days But how about a Christian worldlife Got one of those Leonard Sweet wants to show you the ins and outs of living an old fashioned faith in these newfangled times In his engaging symphonic thought bytes style Sweet invites you to Mezuzah your inverse Do dirt and do the dishes Cycle to church Give history a shove Cheer rivals from the bench Dance the salsa SoulSalsa unpacks biblical faith in ways that can change how you live in the real world You can be a man or woman who walks the ancient path of a disciple in the world of the future Because the NEW future is NOW and now is the time to practice the 17 Lifestyle Requirements for Membership in the Postmodern Body of Christ It s no longer enough to say Say Amen Somebody It s time to Dance the Salsa Everybody in a culture that desperately needs to see your moves *The Trinitarian Dance* Sharon Tam, 2015-02-02 The Trinitarian Dance presents a model of leadership development based on the Holy Trinity Part one analyzes the present state of the cultural and ecclesiastical situation in Canada identifying specific trends and aspects relating to the need for development of effective leadership in the church This section sets the stage for Part two where a theology of trinitarian leadership is developed based on the dynamic of perichoresis with the motif of a dance used to present a paradigm of transformational leadership Part three offers church based strategies for leadership development concluding with a creative application of the doxological formula that captures the thrust of the entire book and leads it to a finale that includes a benediction of hope for the church through this leadership model *Christian Youth Work in Theory and Practice* Sally Nash, Jo Whitehead, 2014 Churches today face unique challenges as they seek to help young people engage with the Christian faith and youth workers whether employed or volunteer play a key role in supporting this process This book provides a comprehensive overview of Christian youth work drawing together practice theory and theology in a format which is both engaging and informative Serving as both a text and workbook it brings together key youth ministry thinkers and grass roots practitioners to explore significant themes and issues It will be invaluable to those thinking about youth work at a strategic level as well as youth work practitioners Each of the sixteen chapters is followed by a response written from a different perspective modelling reflective practice and theological reflection Topics covered include mission church adolescent identity appropriate relationships spiritual practices youth culture pastoral care work with families education leadership and management inclusive youth work theology lifelong learning ethical dilemmas and the Kingdom of God *A Sociology of Mystic Practices* Dann Wigner, 2018-06-08 This book investigates the process of spiritual borrowing between the emergent church EC and the Christian mystical tradition From its inception the EC has displayed interest in mystic practices but the exact nature of this interest or how these practices are appropriated and reinterpreted in the EC context has not been researched My research shows that the emergent church is appropriating Christian mystic practices by investing these practices with their own theological content The practices themselves are changed to fit in their new context showing that

EC belief shapes EC behavior My study adds a new case study perspective to the sociological examination of the process of spiritual borrowing especially through close inspection of how a spiritual practice changes to fit a new theological context Additionally my book contributes to the study of the complex relationship between belief and behavior *Finding Faith*

Richard Flory, Donald Miller, 2008-02-04 Despite the masses still lining up to enter mega churches with warehouse like architecture casually dressed clergy and pop Christian music the Post Boomer generation those ranging in age from twenty to forty is having second thoughts In this perceptive look at the evolving face of Christianity in contemporary culture sociologists Richard Flory and Donald E Miller argue that we are on the verge of another potential revolution in how Christians worship and associate with one another Just as the formative experiences of Baby Boomers were colored by such things as the war in Vietnam the 1960s and a dramatic increase in their opportunities for individual expression so Post Boomers have grown up in less structured households with working often divorced parents These childhood experiences leave them craving authentic spiritual experience rather than entertainment and also cause them to question institutions Flory and Miller develop a typology that captures four current approaches to the Christian faith and argue that this generation represents a new religious orientation of expressive communalism in which they seek spiritual experience and fulfillment in community and through various expressive forms of spirituality both private and public **A Generous**

Presence Rochelle Melander, 2006-08-28 A Generous Presence is a collection of story driven essays about the philosophy tools and work of coaching that is designed to support all spiritual leaders in deepening and enriching their personal and professional relationships By practicing the coaching tools Rochelle Melander offers spiritual leaders will be better equipped to guide those they work with toward accepting the past creating a life vision and setting goals for the future Additionally the tools provided in this book will help leaders understand themselves and enable them to strengthen their definitions for healthy living raise their awareness about their own life and relationship skills and improve their skills in relating to individuals and groups **You Belong Bible Study Guide**

Candace Payne, 2020-06-02 Have you ever wondered why a true sense of fulfillment abundance freedom joy and connection seems elusive Sometimes our biggest questions are answered in ways we just didn't consider With insight and exuberance Bible study teacher Candace Payne walks through the five ways God names Himself in relation to us and how each name adds a layer of truth to how we belong It has nothing to do with us but everything to do with Him and He meets us at every turn to prove it In this six session video Bible study dig deep into the characteristics of the God who claims us considers us names us and loves us Understanding who we are through who God says He is erases all the boxes we've put ourselves and others into and unleashes joy filled freedom This study challenges groups to get honest and real in their discussion time and to explore the truth in what Scripture says about who God is and what that means about us It also includes personal fun work instead of homework that will inspire you to think differently and respond to all things more like a true Child of God Sessions include Do I Belong The Good Shepherd The Heavenly

Father The Bridegroom The Head of the Body The Source of Belonging Designed for use with You Belong Video Study available on DVD or streaming video sold separately **What Matters Most** Leonard Sweet,2012-03-13 Belief can exist in isolation but faith requires a relationship Why wade in the shallows of belief when you can plunge into the depths of faith Belief involves a different way of thinking but faith brings about a new way of living It grows through direct experience and a close relationship both of which come as you follow Jesus As Christians we often talk about developing a personal relationship with Christ but instead of pursuing a relationship we pursue knowledge We are tempted to place confidence in our definite settled beliefs which offer a pale substitute for the daily adventure of an honest relationship with Jesus In **What Matters Most** Leonard Sweet presents a challenging and compelling approach to belief that is joined by dynamic engagement with God You are invited to explore the uncharted regions of faith by following Jesus completely on his terms Once you begin you will never go back to mere belief **Ministry Marketing Made Easy** Yvon Prehn,2012-08-21 *Facilitation Skills for Ministry* Jo Whitehead,2013-08-15 Facilitation is a way of leading which is empowering and participative The word facilitation comes from the Latin to make easy and facilitation is a way of managing processes that enable people to engage in learning belonging participating or growing This book is designed for those who wish to encourage and empower through their leadership skills Facilitation is about managing process drawing people in enabling them to contribute and holding the boundaries and values of a context to create a safe and productive place Many ministry training courses do not teach facilitation skills per se and ministers are often left to learn on the job Some become effective facilitators through reflection on their practice others develop tacit skills Many others flounder when it comes to facilitating effectively and participatively In a culture where ministry roles increasingly involve community involvement and working with congregations who expect to participate in decision making and ministry this skill set is one that is increasingly needed This is particularly important in pioneer contexts where a more team based approach is the norm **Seeing Jesus** Robert Hudson,2021-11-23 Jesus ascended to heaven End of story But then how do we explain the many Christians in nearly every century since who claimed to have seen heard met and touched Jesus in the flesh In **Seeing Jesus** Robert Hudson explores the larger than life characters throughout Christian history who have encountered the actual face or form of the resurrected Christ from the apostles Thomas and Paul in the first century to Charles Finney in the nineteenth and Sundar Singh in the twentieth Hudson combines history biography spiritual reflection skepticism and humor to unpack awe inspiring and sometimes seemingly absurd stories from a surprise sighting of Jesus in a cup of coffee to Christ appearing to Julian of Norwich during a life threatening illness to assure her that all manner of thing shall be well Along the way he uncovers deeper meaning for us today Through Hudson's quirky and lyrical prose we get to know people of unflinching faith like Francis of Assisi Teresa of Avila Silouan the Athonite and Sojourner Truth those who claim radical encounters with Jesus The result is a fascinating journey through Christian history that is at once thoroughly analytical and deeply devotional **Jesus Drives Me Crazy!** Leonard Sweet,Leonard I.

Sweet,2003 Creative author and speaker Sweet believes that Christians should never be considered normal members of society Christians must see the world differently because they re transformed by Christ "A" is for Abductive Leonard I.
