Soul Rescuers:

Soul Rescuers: A 21st century guide to the spirit world Terry O'Sullivan, Natalia O'Sullivan, 2013-11-28 Terry and Natalia O'Sullivan are the UK's leading soul rescuers. This book leads the reader into the realms of life after death through stories of encounters with ghosts, spirit beings and ancestors of the spirit world. Soul Rescue From Sunrise Pete Dawson, 2025-08-21 Peter Dawson is a renowned Psychic Medium, Channeller and Healer. He has over 30 years' experience communicating with the souls of the dead. As a child, spirits would visit him in the middle of the night much to the dismay of his siblings. Terrified, Peter tried to ignore them until in adult life he could ignore them no more. He sought out experienced spiritual teachers for development and guidance, eventually accepting his gifts as he began to understand his true purpose in life. It was then that communication with spirit began to flow effortlessly. He finally understood that spirit only wish to bring healing and peace to their loved ones by helping them understand that life does continue on once their earthly journey is complete. Peter has complete thousands of one to one readings over the years and has demonstrated his gifts at countless events at Spiritualist churches across the UK. He wants everyone to understand that there is so much more to life than what we see with our physical eyes or indeed what we experience with our physical senses. Just an ordinary guy who just happens to communicate with non physical beings, some who may have walked this earth and others who have not. His book is a must read for anyone wanting a glimpse into his fascinating world. **The Fire and the Soul** Pasquale De Marco, 2025-05-11 The Fire and the Soul is a powerful and moving exploration of the Holocaust told through the stories of survivors, rescuers and witnesses. This comprehensive book covers the history of the Holocaust from the rise of Nazism to the liberation of the concentration camps. It also examines the courage of the rescuers who risked their lives to save Jews from the Nazis and the resilience of the survivors who rebuilt their lives after the war. The Fire and the Soul is a must read for anyone who wants to understand the Holocaust and its impact on the world. It is a powerful reminder of the dangers of hatred and intolerance and a testament to the power of hope and resilience. This book is divided into ten chapters each of which explores a different aspect of the Holocaust. The chapters are: The Shadow of War, The Courage of the Rescuers, The Resilience of the Survivors, The Lessons of the Holocaust, The Fire and the Soul, The Legacy of the Holocaust, The Importance of Dialogue, The Power of Forgiveness, The Call to Action, Hope for the Future. Each chapter is filled with powerful stories and insights from survivors, rescuers and witnesses. These stories are a testament to the human spirit and the power of hope. The Fire and the Soul is a powerful and moving book that will stay with you long after you finish reading it. It is a must read for anyone who wants to understand the Holocaust and its impact on the world. Mind, Body, Soul and Spirit in Transactional Analysis Gordon Law, 2006 Relationships may be understood as the contact that emerges from observable social roles underpinned by inter personal attitudes Using transactional analysis and other approaches this book presents a series of models based on an analysis of the relationships that are created when contact between people links images and roles to confirm existential life positions Because the models provide a meta level framework for understanding and influencing any sequence of interaction irrespective of setting or TA specialism they give ample scope for practitioners to exercise widely differing preferences techniques and strategies for interacting with clients in ways that encompass a transpersonal or a spiritual view of relationships

Dreams of the Soul Miran Horvat, 2013-07-25 What could be better than opening a beautiful book on a long cold winter evening and allowing oneself to be comfortably transported on the wings of imagination across different areas of the world and to experience its beauties and its dark sides or for instance take a walk through a winter forest heavily laden with soft snow which is joyously sparkling under the sunrays that are playfully penetrating the spruce tree branches and follow a walker explorer and his friend Brick the dog The two of them are exploring the near and far surroundings of their home situated in the high mountain world The explorer's grandpa lives in that home in his younger years he was a diplomat who was sent on important missions throughout the world in order to help solve difficult global problems Even now in his old age he is trying to help the suffering humanity He is therefore endowed with rich life experience and broad knowledge which greatly attracts the young explorer Thus an interesting conversation develops between them which takes place during the carefree time of winter holidays
