YogaMass Gena Davis, 2017-04-21 YogaMass Embodying Christ Consciousness bridges yogic principles and practices with Christian spirituality and worship as a path for bringing the whole self body mind soul and spirit to the experience of spiritual awakening The author an ordained Episcopal priest weaves together spiritual practices from different traditions with her own discovery that yoga's ancient truths are complementary with Christian beliefs taking one deeper into the spiritual life in ways that people of diverse faiths can embrace Blending yogic practices with Christian spirituality and worship the Reverend Gena Davis has co created an exciting and powerful new practice of spiritual ritual and celebration called YogaMass that leads to embodying Christ Consciousness On and off the yoga mat this book points the way to discovering a whole self spiritual experience and connecting with God through an awakened open mind and heart I loved this book The author the Reverend Gena Davis shares the story of her amazing spiritual journey that culminates in the creation of

the world's first YogaMass service This alone would make the book well worth reading but throughout she integrates sacred writings stories and poems from spiritual masters of western and eastern spirituality all the while never losing sight of her own Christian heritage It is a remarkable accomplishment You will be blessed by this book and want to share it with others

The Reverend Dr John K Graham president and CEO Institute for Spirituality and Health at the Texas Medical Center Houston I am delighted and privileged to encourage those who seek to worship God with all that is within to pick up and digest this spiritual teaching presented by the Reverend Gena Davis Gena has captured the importance of worshipping God with as the Psalmist uttered all that is within me I am fascinated by the interplay of yoga and liturgy within these pages and find myself wanting to go deeper into both I think the Reverend Davis is on to something that has been lacking in our Christian path and tradition The interweaving of her personal narrative and the spiritual insights she gained through the study and practice of yoga unveils how God's truth makes itself known through many different paths The Reverend Dr Richard Kleiman retired Presbyterian pastor Yoga is an exploration based on experiential processes It is defined by our own internal truth Making Yoga universal but deeply personal is something Gena Davis expresses so beautifully Robert Boustany Yoga instructor and master and founder of Pralaya Yoga system

About Time Tim Aldrich, 2017-09-08 Where does all the time go Despite the burgeoning army of machines designed to save us time from cars and aeroplanes to dishwashers and microwaves we don't seem to have any more of it on our hands We simply fill the space we clear with more things to do consuming more spending more and then look around for new ways of saving time And so we spiral onwards upwards ever faster Being busy has become a habit and a habit that gives us high status busy people are important people The business of business is busy ness We are moving from a world in which the big eats the small to a world where the fast eats the slow But the fallout from a society hooked on speed is everywhere It's affecting our health 60 per cent of the adult population in the UK report that they suffer from stress and more than half of these say that this has worsened over the last 12 months It's affecting our family life with a quarter of British families sharing a meal together only once a month And it affects our environment too air travel is a major source of carbon dioxide emissions accelerating climate change as we speed around the world And the faster we live the faster we consume the faster we waste energy and the faster we pollute the planet The faster we seem to be running out of time Is there something fundamentally wrong with the structure and values of this high speed society What are we running from and what are we running towards Sustainable development is all about time It's about trying to safeguard the health of the planet and the people it supports indefinitely unconstrained by time The idea of time offers a novel perspective on what sustainable development is all about Looking at issues affecting society and the environment through the prism of time conveys the urgency of the challenge and leads us to solutions we might not have thought of before About Time edited by the think tank Forum for the Future brings together ten of the world's leading thinkers and writers including Will Hutton Baroness Mary Warnock Sir Martin Rees Ghilleen Prance Jay Griffiths the author

**Mysteries of God** Leticia Gossdénovich Feldman Ed.D, Ph.D,2009-12-09      **Crosscurrents in Phenomenology** R. Bruzina,B. Wilshire,2012-12-06 One of the greatest and oldest of images for expressing living change is that of the movement of waters Rivers particularly in their relentless motion in the constant searching direction of their travel in the confluence of tributaries and the division into channels by which identity is constituted and dispersed and once more reestablished have stood as metaphors for movements in a variety of realms politics religion literature thought Among philosophic movements phenomenology and existential ism are discernible as one such movement of ideas analogous in configuration to the flow of a river in its channel or network of channels The course taken by the stream of phenomenology and existential philosophy in

North America is easily seen from the contents of the six volumes of collected papers from the annual meetings of the Society for Phenomenology and Existential Philosophy that have preceded the present selection. What soon becomes clear in general and is evident as well in the present volume is that phenomenological and existential philosophies are far from being homogeneous; they are far from showing an identity as to the sources from which they derive their energy or the themes that they carry forward toward clarification. And yet there is a confluence, a convergence of orientation, sympathy, and conceptuality. INTRODUCTION 4
