Sound Doctrine:

Sound Doctrine For Today's Christians; What the bible says Rev. Preston N. Jr. Tolliver, 2009-08-17 *Sound Doctrine for Today's Christians* addresses a multitude of today's issues from a scriptural standpoint. The author relies upon the scriptures to provide the commentary as chapter after chapter of Biblical clarity is given to provide sound doctrine for the reader. The end result is a forthright scriptural presentation in complete thoughts as referenced from the King James Version exclusively of the Bible. There are forty chapters presented that cover a gamut of topics from the reasons for reading the Bible to faith issues, differentiation of Christianity in terms of denominations and from other religions, personal life choices and the choices of a nation. Profound statement after statement is presented with the irrefutable clarity of the scriptural basis provided for each statement. This book provides a basis for Biblical doctrine examination and well as an awesome evangelistic thrust.

Sound Doctrine Bobby Jamieson, 2013 *Sound doctrine is the life blood of God's people providing the foundation for the church's unity and witness.* This short readable book speaks to the importance of good theology for godly living. Part of the 9Marks Building Healthy Churches series. Things Which Become Sound Doctrine J. Dwight Pentecost, 1965 Fourteen key Bible doctrines including grace, repentance, sanctification, security and predestination are explained in everyday terms.

Sound Doctrine Charles Ready Nichol, Robertson L. Whiteside, 1920 **Sound Doctrine** Elder Larry Douglas Reid, 2007-11-13 It is my intention to write this reading to the unaware Church of which is in dire trouble with spiritually of the the same. The main trouble is concerning crooked and dishonest leadership which has perpetuated or passed down from previous corrupt leadership. I just like would to try and be the salt and a light in an unsavoury and dark world. I will be needing many ministers trained in the way of the Sound Doctrine message. Just as the Apostle Paul had to go to a nation and to especially the Gentile that knew not God. We will have to go out into the highways and hedges to present this Sound Doctrine way to the now gone amok church world. This means you need to read this writing and make a comparison with what the Bible is saying and what is really going on. **Sound Doctrine** Torben Sondergaard, 2013-10 According to the Bible, sound doctrine creates true fear of the Lord. If this fear of the Lord is missing in our churches as it seems to be, it must be a sign that we do not preach the true Word of God and sound doctrine. Teaching sound doctrine should cause us to see a need to surrender everything to God and to live in the light. There is no darkness, no sin when we are walking in the light. 1 John 1:7 True godliness and holiness is required to walk with God. In this prophetic word to the Church, Torben brings us back to the Bible where sound doctrine is found, including how to address sin in the church and in the individual. Has the church been teaching sound doctrine? Has it become soft on sin? Can the church expect its prayers to be answered if there is sin in the camp? Is the church accursed because it has allowed sin to thrive unchallenged? Can a person truly be born again and continue in conscious sin? Have we been teaching a grace that tramples the blood of Jesus? These are serious questions that must be addressed if we expect God to hear our prayers. His word to the church: REPENT. **Know sound doctrine of Christ in**

order to grow in faith and in communion with God Alain Michel FOPOUSSI DJOUAMEDA,2020-03-25 Being in sound doctrine of Christ is fundamental According to the Word of God being a Christian is perfectly synonymous with being in sound doctrine of Christ To obey the Gospel of Christ is to receive his teaching In these end times when the subtle and refined counterfeit of Christian faith is spreading everywhere and when we are constantly subjected to all kinds of trials and attacks more difficult than the others it is more than ever necessary for any true Christian to know sound doctrine so as not to be swept away by foreign doctrines to fight the good fight of faith and to beware of false prophets and false anointed men these voracious wolves who spy on us and look for favourable opportunities to be able to devour us But knowing sound doctrine of Christ is above all necessary for our spiritual growth in order to have an ever deeper communion with our Lord and to get closer and closer to spiritual maturity *Divine Revelation the only test of sound doctrine; or, a further reformation wanted in the Reformed Churches. Kenneth Cox,2009-11-23 SOUND DOCTRINE is ideal for sermon preparation small Bible study group discussion or personal edification **...Turned Unto Fables...** Rev. R. Carlton Ballowe,2012-08-16 We have reached the point the Apostle Paul warned about For the time will come when they will not endure sound doctrine but after their own lusts shall they heap to themselves teachers having itching ears And they shall turn away their ears from the truth and shall be turned unto fables Technological advances gave us mass media modern transportation and televangelism Finally churchgoers didnt have to wait for the itinerant preacher or attend the closest church They could easily drive by several churches on their way to the one of their choice or even take in church from their own living room by way of a televangelist Consequently churches found themselves in intense competition for supporters to fill the pews and coffers Just as in the corporate world market share depends on ones ability to offer a product that is more appealing than the one offered by the competition This resulted in established doctrines being compromised and or new ones being invented all for the sake of appeal When we allow appeal to systematically influence the formulation of doctrine it doesnt just invite error it invites evil Sound doctrine devolves into the doctrines of devils That is where much of the church finds itself today the blind are leading the blind in promoting the doctrines of devils and paving the way for the Antichrist Even him whose coming is after the working of Satan with all power and signs and lying wonders And with all deceivableness of unrighteousness in them that perish because they received not the love of the truth that they might be saved And for this cause God shall send them strong delusion that they should believe a lie That they all might be damned who believed not the truth but had pleasure in unrighteousness This book holds some of the basic doctrines of the church up to the light of Gods Word so the reader can decide if they are fables the doctrines of devils or truth **Sound the Alarm** Elder Tramaine L. Jarrells,2012-08-07 Sound the Alarm exposes the tactics of the Antichrist and the strategies used by the false prophets to deceive mankind The inspiration and the revelation were given to Elder Tramaine Jarrells while preaching on the battle field for the Lord Elder Jarrells unveils the true meaning of sound doctrine and the lies being preach in todays churches all over the country She informs the nations that the last roundup before Christs imminent return is near and the wakeup call has already begun Gods word and the power of the Holy Spirit teaches and alarms all attentive vessels about the spirit of deception and perversion that are prominent in the world Grasp the word of the Lord that He may guide you in the right direction and shield you from Satans evil devices In addition wrap yourselves in the love and power of God for perilous times are not on the way but are already here *Expository notes, with practical observations, on the New Testament* William Burkitt,1832 Zealous for Good Works Todd A. Wilson,2018-10-02 Todd Wilson s church was devoted to the gospel and had long aspired to be the kind of city on a hill Jesus talks about in the Sermon on the Mount They wanted their hurting neighbors to see the light of Christ and be drawn to meet Jesus But how What practices actually make something like that possible They found the answers they were looking for in Titus In that often overlooked book of the Bible

they discovered a call to be zealous for good works the kind of good works that are like a bright light shining in the darkness Zealous for Good Works is an exposition of Titus with a particular focus on mobilizing the church towards acting in kindness and goodness toward her neighbors This book is for anyone who's ever wanted to make a difference in the world and see their church do the same but wondered how to make it happen Zealous for Good Works offers you field tested scripturally based practical answers that you and your church leaders will get excited about putting into practice Titus 2:11-14 For the grace of God has appeared bringing salvation for all people training us to renounce ungodliness and worldly passions and to live self controlled upright and godly lives in the present age waiting for our blessed hope the appearing of the glory of our great God and Savior Jesus Christ who gave himself for us to redeem us from all lawlessness and to purify for himself a people for his own possession who are zealous for good works Good and Comfortable Words David M. Powers, 2017-08-30 Thanks to coded notes taken by the teenager John Pyncheon this volume transports the reader virtually back to Sundays in the seventeenth century when the community gathered to listen to the Rev George Moxon The setting was Springfield Massachusetts founded in 1636 by John's father William Pyncheon As a note taker John recorded just what he heard in this rare resource which allows the reader to listen in on the weekly sermons he documented in the 1640s This symbol by symbol transcription into a word for word text preserves the character of the minister's original remarks and reveals Moxon as an able engaging speaker who offered encouragement and challenge to the growing plantation he faithfully served through its earliest years on the edge of a wilderness Not only do the sermons in this collection provide snippets of popular theological discourse at particular moments in the 1600s they also point to issues of the day and they help us get inside the thoughts and word patterns of that era
