## **The Epistle Of James Proven Character Through Testing:**

*The Epistle of James* Zane Clark Hodges, 1994      *The Wisdom of James* John P. Keenan, 2005 In this fascinating book John Keenan offers a classical commentary on the New Testament Letter of James section by section informed by a thorough study of contemporary Jamesian scholarship His approach is unique in that it employs Mahayana Buddhist Philosophy as the interpretive lens to focus on this early Christian text The author argues that the first chapter of James letter presents wisdom as non discriminative in a manner very similar to Mahayana Buddhist teaching on wisdom And James insistence upon deeds of compassion and justice recommends a notion of Christian practice that is quite close to the Mahayana ideal of Bodhisattva engagement in the world Because of these areas of resonance James is particularly amenable to a Mahayana reading that enables us to elicit fresh insights from the text      **James** Craig L. Blomberg, Marianne J. Kovalishyn, 2009-10-06 Concentrate on the biblical author's message as it unfolds Designed to assist the pastor and Bible teacher in conveying the significance of God's Word the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of every passage of the New Testament book in the original Greek With a unique layout designed to help you comprehend the form and flow of each passage the ZECNT unpacks The key message The author's original translation An exegetical outline Verse by verse commentary Theology in application While primarily designed for those with a basic knowledge of biblical Greek all who strive to understand and teach the New Testament will benefit from the depth format and scholarship of these volumes      Did Jesus Teach Salvation by Works? Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e.g. John 2:23, 25, 8:31, 46 A profession of faith made at some point during one's life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e.g. Rom 3:21, 4:25 Gal 2:16, 21 Eph 2:8, 9 there is every good reason to understand that Jesus' teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one's life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one's initial conversion but one's final entrance into heaven      **Nelson's New Illustrated Bible Commentary** Thomas Nelson, 1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles maps charts and illustrations all in one volume Clear and

**Loving God through the Truth, Second Edition** Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world

**Shut up and Show Me!** Bruce Atkinson, 2014-09-01 In the style of the author's bestselling work No More Law this study on the New Testament letter of James boldly deals with such topics as the character and life of the contemporary Christian the misconception that Paul and James disagreed on the gospel Christians overcoming trials by aggressive faith the nature of tests and trials justification by works and its relationship to justification by faith the power and misuse of the tongue and so on The book is provocative to holy living in Jesus Christ for today's church Publisher

**Back to Faith**, **Christians in an Age of Wealth** Craig L. Blomberg, 2013-11-26 What does the Bible say about money material possessions and stewardship In Christians in an Age of Wealth Craig Blomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money Taking a close exegetical look at this topic as it's discussed in Scripture Blomberg answers the toughest questions about Christianity and wealth Is there any one key to keeping possessions in their proper God intended perspective Are there limits on how rich we should become or on how poor we should allow others to get What does a truly Christian economic system look like How does the Bible's teaching on wealth fit into the gospel Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness He expands on the concept of giving generously even sacrificially to those who are needier demonstrating how Christians can participate in God's original good design for abundance and demonstrate the world altering gospel of Christ \_\_\_\_\_ Part of the Biblical Theology for Life series this practical and challenging book will help you and your church ground your worldly
