The Equitable Schools The Independent Guide To Independent Secondary Schools 1998:

Social Policy, the Media and Misrepresentation Bob Franklin, 1999 A radical collection of chapters by academics journalists and broadcasters which examines aspects of news media reporting of social policy and how such coverage can influence processes of policy making and implementation *The Equitable Schools Book 1999* Sunday Times, 1998-11 Contains information on over 500 independent secondary schools tutorial colleges and British schools abroad The text includes sections on fees assisted places and scholarships number of pupils ratio of boys to girls and pupils to teachers Head Teacher profiles and discipline *The Manhattan Family Guide to Private Schools and Selective Public Schools* Victoria Goldman, 2010-06 The only comprehensive guide to New York City private schools on the market [The Manhattan Family Guide to Private Schools](#) Victoria Goldman, Catherine Hausman, 1999-03 For families residing in Manhattan who wish to send their children to private elementary and high schools this indispensable guide covers over sixty such schools in Manhattan and the adjacent boroughs The authors write from a parent's point of view describing the schools size staff facilities programs philosophy admission procedures tuition scholarships and diversity Now expanded and revised it is a standard reference for Manhattan parents *Building Skills for Black Workers* Cecilia A. Conrad, 2004-04-12 Building Skills for Black Workers assesses the current gap in education and training between African American and white workers and explores possible remedies This multi author volume begins with an examination of the elementary and secondary education system K 12 and concludes with an analysis of public and private worker training programs addressing three broad questions How do workers acquire the skills needed for upward mobility and career advancement What is the current gap in education and training between black and white workers And what strategies would reduce the gaps and improve the labor market outcomes for these workers [The Emancipatory Promise of Charter Schools](#) Eric Rofes, Lisa M. Stulberg, 2012-02-01 This book opens up a critical conversation among progressive educators of various generations races perspectives and social locations concerning one specific school reform initiative charter schools Eric Rofes and Lisa M Stulberg bring together scholars who both study and actively participate in school choice reform and charge them to be bold in their questioning and assertive in their own ambivalence about this complex controversial public issue and to include issues that are underexamined in the school literature such as the impact of school choice on race and class politics and inequalities The editors argue that charter schools are playing a powerful role in reviving participation in public education expanding opportunities for progressive methods in public school classrooms and generating new energy for community based community controlled school initiatives The result is a groundbreaking volume that pushes boundaries questions assumptions and rocks foundations of progressive thought *May's British and Irish Press Guide*, 1900 *Handbook of Urban Educational Leadership* Muhammad Khalifa, Noelle Witherspoon Arnold, Azadeh F. Osanloo, Cosette M. Grant, 2015-06-01 This authoritative handbook examines the community district and teacher leadership roles that affect urban schools It will serve

as a foundation for pedagogical and educational leadership practices that foster social justice equity and advocacy for those who have been traditionally and historically underserved in education The handbook's ten sections cover topics as diverse as curriculum instruction and educational outcomes gender race and class higher education and leadership preparation and support Its twenty nine chapters offer both American and international perspectives *Race at Predominantly White Independent Schools* Bonnie E. French, 2017-11-22 In *Race at Predominantly White Independent Schools* Bonnie E French investigates the management of diversity at predominantly White independent schools in the northeastern United States By conducting in depth interviews with diversity policy developers and implementers within the independent school community French explores current efforts toward racial equity and the relationship between racial equity and diversity Data collected from interviews are supplemented with numerical data from the National Association of Independent Schools that chronicles enrollment and employment of people of color as well as with content analysis of published materials from the independent school community Using Critical Race Theory to frame this critique French argues that the diversity movement by not seeking to challenge the current state of inequality in a meaningful way only serves to strengthen the segregated and unequal status quo *Resources in Education* ,2001-04 **The Chosen City** Nicholas Schoon, 2004-02-24 There is endless talk about the need for an urban renaissance can it happen in the real world In this broad challenging and highly engaging book Nicholas Schoon argues that the foremost priority for regeneration is to make neighbourhoods and cities places where people with choices choose to live The author surveys the last two centuries of metropolitan growth and decay analyzes the successes and failures of recent changes in urban policy and proposes a wide range of radical measures to make the renaissance a reality Comprehensively researched *The Chosen City* is a wake up call for everyone interested and involved in urban regeneration degree students and academics planning and housing professionals architects surveyors developers and politicians The text is illustrated with powerful black and white images from a leading national newspaper photographer

Index to Legal Periodicals & Books ,1999 **Schools of Our Own** Worth Kamili Hayes, 2019-12-15 Winner 2020 American Educational Studies Association Critics Choice Award As battles over school desegregation helped define a generation of civil rights activism in the United States a less heralded yet equally important movement emerged in Chicago Following World War II an unprecedented number of African Americans looked beyond the issue of racial integration by creating their own schools This golden age of private education gave African Americans unparalleled autonomy to avoid discriminatory public schools and to teach their children in the best ways they saw fit In *Schools of Our Own* Worth Kamili Hayes recounts how a diverse contingent of educators nuns and political activists embraced institution building as the most effective means to attain quality education *Schools of Our Own* makes a fascinating addition to scholarly debates about education segregation African American history and Chicago still relevant in contemporary discussions about the fate of American public schooling **Gender in the Classroom** David Sadker, Ellen S. Silber, 2016-08-23 What's missing from your

teacher education program According to research studies one glaring omission is gender Tomorrow s teachers receive little instruction or training on the tremendous impact of gender in the classroom Just how does gender influence teaching the curriculum and the lives of teachers and students in the classroom This unique book has been designed to answer these questions Gender in the Classroom is intended to be used across the teacher education curriculum from subject specific methods courses to foundations from educational psychology to student teaching It can be adopted for an entire program or several instructors can adopt it jointly or a single instructor can adopt it as one of several or a supplementary text for a course A comprehensive Instructor s Manual provides information and materials for teacher educators who adopt the text Each chapter offers practical information and skills about gender and sex differences curriculum and specific teaching methods Written in a lively style the text features a number of interactive activities to engage and instruct the reader The chapters follow a common format designed to invite student interest and action Each is built around Essential Equity Questions that focus on pertinent gender related questions and issues in a specific subject area the role of women in education intersections of the teaching profession feminism and teachers as activists for social change gender differences in cognitive ability attitudes and behavior how to teach and implement Title IX how to observe classrooms to see gender bias social studies education English language arts methods science education and mathematics and technology education Interactions in each chapter engage students in activities to promote understanding Each Interaction is linked to one or more specific INTASC standards In the last chapter the emphasis is on applying many of the skills learned previously it gives student teachers and their supervisors several tools they can use for analyzing classroom teaching and detecting gender bias This chapter also includes a culminating activity for identifying and correcting curricular bias In fact many of the techniques in this text can be applied to uncover and correct not only gender bias but racial ethnic and cultural bias as well The Instructor s Manual 978 0 8058 5475 6 is now available electronically please contact our customer service department to request a copy

Privatizing Education Henry Levin,2001-05-24 An insightful and timely look at one of the hottest policy issues in education today the initiative to move education from the public sector to the private sector An ^AAfrican American Dilemma Zoë Burkholder,2021-07-11 Presenting a revealing historical perspective on today s charged schooling choices An African American Dilemma illuminates the tensions between school integration and separation that have shaped the long history of black struggles for equal education and civil rights in the North **Handbook of Research in Education Finance and Policy** Helen F. Ladd,Margaret E. Goertz,2014-12-17 Sponsored by the Association for Education Finance and Policy AEFPP the second edition of this groundbreaking handbook assembles in one place the existing research based knowledge in education finance and policy with particular attention to elementary and secondary education Chapters from the first edition have been fully updated and revised to reflect current developments new policies and recent research With new chapters on teacher evaluation alternatives to traditional public schooling and cost benefit analysis this volume

provides a readily available current resource for anyone involved in education finance and policy The Handbook of Research in Education Finance and Policy traces the evolution of the field from its initial focus on school inputs and revenue sources used to finance these inputs to a focus on educational outcomes and the larger policies used to achieve them Chapters show how decision making in school finance inevitably interacts with decisions about governance accountability equity privatization and other areas of education policy Because a full understanding of important contemporary issues requires inputs from a variety of perspectives the Handbook draws on contributors from a number of disciplines Although many of the chapters cover complex state of the art empirical research the authors explain key concepts in language that non specialists can understand This comprehensive balanced and accessible resource provides a wealth of factual information data and wisdom to help educators improve the quality of education in the United States
