The Eruopa Conspiracy Babylon Rising 3:

Babylon Rising: The Europa Conspiracy Tim LaHaye, 2009-10-14 Tim LaHaye creator of the Left Behind series blends suspense and Biblical prophecy in a new series of thrillers with a chilling relevance to the events of our time Here are ancient secrets never before revealed dire warnings and a man who must rise to face the greatest evil of all Michael Murphy is a hero for our troubled times He s an archaeologist and a scholar of Biblical prophecy He s also a man of action hunting ancient artifacts at the risk of his life And this time he s onto a find that will send him toward a confrontation with an evil of unimaginable power For Murphy has unlocked secrets that were never meant to be revealed secrets challenging everything Murphy s ever believed and jeopardizing everyone he s ever loved But that s not all that s at stake For what Murphy has discovered is that the countdown to the end time of all humankind has already begun It s later than anyone thinks And if Murphy fails we all fail

The Europa Conspiracy Tim LaHaye, Tim F. LaHaye, Bob Phillips, 2007 Biblical archaeologist Michael Murphy embarks on a quest to uncover one of the Bible s most significant artifacts a search that forces him to match wits with the evil Talon a mysterious opponent with dire plans for all humankind

Writing the Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature
