**The Edentians** Gissele Trussell,2023-11-21 With celestial war on the horizon and the failure of Earth Project 606 the rehabilitation of fallen angels and their offspring the Edentian Council is set to abandon humanity Only Danielle Peschard the sole Edentian representative on Earth can appeal to the council on Earth s behalf But can one person truly change the fate of the entire world A renowned archeologist working for the MET Danielle Peschard is familiar with the erudite and complex players in New York s elite circles She is also keenly

aware that things are not as they seem Earth's inhabitants use their free will with little concern for cosmic consequences but Danielle knows the truth that the Edentian Council a group of cosmic beings dispassionately monitoring the evolution of the human race has concluded mankind's gift of free will to be a mistake that must be corrected As the only Edentian to be incarnated in a human body Danielle must reestablish communication with Edentia and disrupt the nefarious plans of those set on enslaving humanity But just as she attempts to take action her interstellar communications cut out and she is brutally assaulted This attack reignites an eternal conflict between the forces operating on Earth and the only way to prevent Earth's destruction by cosmic abandonment is for Danielle to present the best humanity has to offer to the Edentian Council as proof of Earth Project 606's success In a frantic race across the globe Danielle must match wits in mortal combat with The Group a nefarious consortium of planetary tycoons determined to implement a sinister plot and possibly obliterate the human race The Edentians extrapolates conflicts from Earth's present condition and compels readers to wrestle with the origin and purpose of human existence From Paris and the Vatican to the Egyptian pyramids and the Teotihuacan ruins Gissele Trussell takes readers on a thrilling speculative journey that untangles webs of corporate greed political treachery and terrorism against a cosmic multi layer plot that examines and challenges modern beliefs about religion and reality [The Esoteric](#)
