The Ethical Basis Of The State:

The Ethical Basis of the State Norman Wilde,1924 **The Ethical Basis of the State** Norman Wilde,1924 The Making of the Modern State B. Nelson,2006-03-15 Nelson provides a historical overview of the theoretical and ideological evolution of the modern state from pre state and pre modern state formations to the present A major theme of the book is the need to understand the modern state holistically as a totality of social political and ideological factors **The Ethical State - An Essay On Political Ethics** John David Garcia,2003-11-11 The Muslim Conduct of State Muhammad Hamidullah,2011 *The Right of the State to be* Fred Manville Taylor,1891 **The Metaphysical Theory of the State (Routledge Revivals)** L. T. Hobhouse,2009-07-15 Originally published in 1918 this enduring work by renowned sociologist and Liberal politician Leonard Trelawny Hobhouse encompasses a series of five key lectures first delivered at the London School of Economics in the autumn of 1917 Outlining Hobhouse s theories on social investigation freedom law and the will of the state this edition revives an important work which has long been unavailable **Friedrich Hebbel's Concept of the State** Avrom Landy,1925 *The Metaphysical Theory of the State* Leonard Trelawny Hobhouse,1918 **The Broadview Anthology of Social and Political Thought , The Broadview Anthology of Social and Political Thought: From Machiavelli to Nietzsche - Modified eBook Edition** Andrew Bailey,2020-12-10 This modified eBook version of The Broadview Anthology of Social and Political Thought From Machiavelli to Nietzsche includes 90% of the material available in the print version This volume contains many of the most important texts in western political and social thought from the sixteenth to the end of the nineteenth century A number of key works including Machiavelli s The Prince Locke s Second Treatise and Rousseau s The Social Contract are included in their entirety Alongside these central readings are a diverse range of texts from authors such as Mary Wollstonecraft Sojourner Truth and Henry David Thoreau The editors have made every effort to include translations that are both readable and reliable Each selection has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contributions within the tradition The result is a ground breaking anthology with unparalleled pedagogical benefits **Columbia University Studies in the Social Sciences** ,1903 Centralizing Tendencies in the Administration of Indiana William A. Rawles,1903 Studies in History, Economics, and Public Law ,1903 *Principles of Justice in Taxation* Stephen Francis Weston,1903 Studies issues in taxation such as the origins economic needs ethics ability to pay and others in local state and federal taxation

Constitutional Development in China, 1982-2012 Lin Li,Jihong Mo,Guoqiang Zhai,2019-11-29 This volume presents an overview of the evolution of the current Chinese Constitution 1982 and the characteristics of constitutional studies since 1978 Readers are introduced to the basic principles of constitutional system in China and gain insights into the real state of Chinese law allowing them to form their own opinions It will also aid commercial communications with Chinese legal professionals as well as enterprises The book covers a number of topics including the history of constitutional communication

After Evil Robert Meister, 2011-01-05
Mainstream human rights discourse speaks of such evils as the Holocaust slavery or apartheid in ways that put them solidly in the past Its elaborate techniques of transitional justice encourage future generations to move forward but the false assumption of closure enables those who are guilty to elude responsibility This approach to history common to late twentieth century humanitarianism doesn't presuppose that evil ends only when justice begins Rather it assumes that a time before justice is the moment to put evil in the past Merging examples from literature and history Robert Meister confronts the problem of closure and the resolution of historical injustice He boldly challenges the empty moral logic of never again or the theoretical reduction of evil to a cycle of violence and counterviolence that is broken once evil is remembered for what it was Meister calls out such methods for their deferral of justice and susceptibility to exploitation Specifically he spells out the moral logic never again in relation to Auschwitz and its evolution into a twenty first century doctrine of the Responsibility to Protect

Dismembering the State P. H. Liotta, 2001-01-01 P H Liotta's previous book *The Wreckage Reconsidered* was acclaimed as a tour de force of scholarship In *Dismembering the State* Liotta continues to challenge numerous assumptions about the disintegration of Yugoslavia His research uses an ecological or holistic perspective to address interwoven questions such as the role of military intervention as coercive diplomacy the use of chaos as a strategy against America's and NATO's technological military predominance and the influence of post Cold War European democratic and economic reforms This book considers how a host of factors from 1991 to 1999 combined to contribute significantly to both the disintegration of the nation state and to the continued instability of the present states of the former Yugoslavia Of interest to both scholars and sophisticated lay readers Liotta has fashioned a scholarly assessment of this timely and complex topic that promises to be as innovative as it is erudite

Culture, Political Economy and Civilisation in a Multipolar World Order Ray Silvius, 2016-10-04
This book seeks to understand how Russia's multifaceted rejection of American unipolarity and de-territorialised neo liberal capitalism has contributed to the gestation of the present multipolar moment in the global political economy Analysing Western world order precepts via the actions of a powerful albeit precarious national political economy and state structure situated on the periphery of Western world order Silvius explores the manner in which culture and ideas are mobilised for the purposes of national regional and international political and economic projects in a post global age The book Explains and analyses the tensions of post Soviet Russia's integration into and simultaneous partial rejection of the capitalist global political economy Provides an overview of the social political and historical origins of Russian samobytnost uniqueness after

the fall of the Soviet Union and demonstrates their significance to contemporary understandings of world order Explores how structures of cultural difference and practices of cultural differentiation interact with the normative legacies of American hegemonic aspirations in contemporary world order structures Evaluates how cultural and civilisational representations are mobilised for state projects and their corresponding regional and international dimensions within the global political economy This book will be of great interest to students and scholars of Russian Foreign Policy IPE and comparative political economy

International Relations and the First Great Debate Brian Schmidt, 2013-08-15 This book provides an authoritative account of the controversy about the first great debate in the field of International Relations Of all the self images of International Relations none is as pervasive and enduring as the notion that a great debate pitting idealists against realists took place in the 1940s The story of the first great debate continues to structure the contemporary identity of International Relations yet in recent years revisionist historians have challenged the conventional wisdom that the field experienced such a debate Drawing on expert contributors working in Canada Europe the United Kingdom and the United States this book includes key participants in the historiographical controversy The book assembles the existing scholarship and provides a thorough analysis of the status of the first great debate in the history of International Relations It is an invaluable examination of the causes and future direction of idealist and realist arguments International Relations and the First Great Debate will be of interest to students and scholars concerned with the foundations of International Relations
