The Evil of Mr. Happiness Allen Sharp,1984-02-01 Young readers choose a range of plot alternatives in this action packed tale in which Mr Happiness plots the destruction of San Francisco by exploding a nuclear device to cause an earthquake All Our Happy Days Are Stupid Sheila Heti,2015-03-10 Two couples each with a twelve year old child travel to Paris within a few moments of discovering each other in a crowd one of their children disappears A day later one of the mothers disappears too The story that follows is a wonderfully strange beautifully composed examination of happiness and desperation complete with a man in a bear suit a teen pop star and eight really excellent songs Sheila Heti s debut play was first commissioned in 2001 for a feminist theater company that never ended up staging it Its turbulent creation became the backdrop of Heti s last novel How Should a Person Be which was named a Best Book of the Year by the New York Times and the New Yorker and now the play itself can be revealed at last With new introductions by Sheila Heti and director Jordan Tannahill All Our Happy Days Are Stupid offers a novel s worth of wisdom and humor of wild hope and dreamlike confrontations and page after page of unforgettable lines Seen until now only by a lucky few its publication is a cause for celebration **Little Sally Sunshine and the Smile Thief** G. T. Bankson,2014-03-14 This kid s story book is the first book of a new children s series of kids learning books Little Sally Sunshine is a combination of children s fantasy superhero children s read along books and kid s adventure books all wrapped up into a nice addition to add to your collection of children s inspirational books It is a simple fantasy story book about an innocent joyful little girl named Sally Sunshine and her faithful dog Mr Happy who live in the Land of Sunshine where life is wonderful and nothing bad ever happens to the children who live there Then one day Sally and Mr Happy accidentally stumble onto a world called The Land of Frowns which is a place where children never smile because of a notorious villain called The Smile Thief who has stolen everyone s smiles and locked them away in a dungeon and that s where the adventure begins This is a kid s chapter book that is a wonderful bedtime kids reading book and storybook to share with your child It is a simple story told in a way that kids can grasp It is written in such a fashion that will give you the opportunity to gently introduce a young formative mind to the sometimes harsh realities of life that he or she will inevitably discover when they go to school and find that not everyone will love them in the unconditional way that you do Finding this out on their own can often become a very traumatic experience for a young child with effects that can last a lifetime But this fun children s fairy tale about Little Sally Sunshine and the Smile Thief who symbolizes a bully will provide an easy gradient and act as a discover book on the topic of bullies and bullying and the people they will come across in life who will not be very nice We all want to shield our children from these types of people but of course this is impossible So the next best thing is educating them before the fact so as to soften the impact of the

experiences when they do happen It is a children s fantasy book that is guaranteed to captivate your child s imagination as each chapter is a cliff hanger that will have them wanting to see what happens next in this action packed adventure series Suitable as a read aloud book for preschoolers or a self read book for older children this children s fiction book will fascinate your child while instilling in them the importance of treating others with dignity and respect despite the negative behaviors of others The underlying theme is how to positively handle bullying and bullies In the modern world bullying is everywhere and the sooner your child is educated about them the better he will be able to deal with bullying when and if he is confronted with it himself Happy Holidays--Animated!
