The Existence Theodore Ihejieta, 2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings *The Extraordinary Life of the Master Beinsa Douno* Vlad Pashov, 2012 Stories by Witnesses Some say I have done a lot I see that I ve done too little What have I done I would say that I ve done a lot if I could put the entire world in order and make everybody happy Now people fight and I sit and speak to myself I ve done too little I didn t manage to persuade these people not to fight There are so many judges convicting innocent people And I say I never taught them these laws Many lawyers advocate injustice There are many brothers and sisters who do not love each other I failed to teach them to love How much work is there for me to do I am often asked Do you preach something which is in accordance with the church I reply I preach things which are in conformity with the great Divine law I don t lie in the face of God for me it does not matter if my teaching conforms to your views For me it is important that my views are in accordance with the great law that I don t lie in the face of God of Heaven of the Angels and Saints this is what matters to me If everybody understands the teaching in this way and think along these lines there is nothing to be scared about Some say You want to form a sect Those who establish sects are according to me very petty people Everybody can form a sect take an axe and chop a tree you ll make a sect or take a hammer and break a stone you ll make a sect Sects are easy to make In an American sect there was a quarrel over an issue in the consecration of the Eucharist is the glass supposed to be raised however those who maintained that the glass was supposed to be raised forgot to raise it We often forget what we are preaching and the principle which unites us Our objective is to establish the Kingdom of God on Earth I want to form a sect but what sect that is To be conductors of God s law which would overwhelm all minds and hearts so that everybody men women children become sons of the Kingdom of God and start living here on Earth the lives they should **The Life of the Rev. The Essential Works of Joseph Benner Joseph Benner, 2023-11-26. The Essential Works of Joseph Benner delves into the spiritual teachings of this influential author, offering readers a profound exploration of the nature of the soul and its connection to the divine. Benner's writing style is deeply reflective and contemplative, guiding readers through a journey of self-discovery and spiritual enlightenment. His use of allegory and symbolism adds layers of depth to his message, inviting readers to ponder the mysteries of existence and the power of the mind. Joseph Benner, a former businessman turned spiritual teacher, drew inspiration from the New Thought movement and the teachings of Christian Science. His personal experiences with meditation and contemplation led him to a greater understanding of the spiritual principles he shares in his works. This collection brings together Benner's most important writings, offering a comprehensive overview of his philosophy and insights into the nature of reality. I highly recommend The Essential Works of Joseph Benner to readers seeking spiritual growth and a deeper understanding of the connection between the mind, body, and spirit. Benner's timeless teachings continue to inspire and enlighten individuals on their spiritual journey.
