Through the Eyes of the Heart Lisa Leon, 2012-06-27 *Through The Eyes Of The Heart* was inspired by a dream and a message from my guardian angel Maria It was the year 2009 when images of the Sacred Heart began to appear to me in many different places and at this time I began to have direct communication with our beloved Maria During visits to a local church Maria would make her presence known to me and allow me to photograph her Maria has asked me to

share my images with the world to use these images to teach others that they need to see through the eyes of the heart We usually want proof that something exists as our minds have been conditioned to not see what lies before us and I hope the messages and images I have to share will do just that From my heart to yours I hope to take you on a journey of what lies beyond so that you may get out of your head and into your heart and see that there is much more to our existence than what lies before us

Through the Eyes of the Heart Dan Festa, 2016-02-25 This book is written as a memoir of 40 plus years of working with human experiences of death grief and bereavement The stories are all similar but uniquely different similar in the sense that they all relate to varying issues embedded in loss They are different in how each of these losses occur The author invites the reader into a world of overwhelming grief brimming with raw emotions The stories are true and tackle the capricious and unpredictable nature of death in a society that seeks to avoid and overcome the reality of death Most of the stories are told from the perspective of a hospital chaplain working with real people While these stories are profoundly sad the author invites the reader to search for and find snippets of hope through a recommitment to life and living constantly holding before the reader the dialectic tension that exists between life and death

Fitness: Through the Eyes of the

Heart George A. James, 2021-10-22 Fitness Through the Eyes of the Heart belongs in a separate category of books in this genre. Books written for fitness and health generally attempt to create one point and gradually build upon it using various points. This book takes the reader through a journey that centers around the heart, its mystique, intricacies, response to physical training, and how nutrition can enhance or decrease its vitality. It tackles previous notions and current concepts regarding the training of the heart. Areas that have been misconstrued are brought into the light. They are challenged with years of research and powerful observations from history. Along with a vast amount of educational points, Fitness Through the Eyes of the Heart conveys four primary points: the caloric fallacy in the fitness industry; aerobics does not build an impregnable heart; all forms of movement can be beneficial but a balanced approach is key; and the heart willing serves the human organism through all its vast experiences.

Eyes of the Heart Segun Julius, 2014-01-07 This book uses inspired words of the Holy Bible to purge the heart of faulty biblical teachings. It originates from a period when the Holy Spirit revealed to the author that many people within the body of Christ were following false teachings. As a result of accepting these false or anti-Christ teachings, their hearts, understandings, and priorities have been derailed from the original intent and purposes of God for their lives. The intent of this book is to set worshipers back on the right path.

"The Eyes of Your Heart" Alison Searle, 2009-04-01 This book develops a theory of imagining biblically that explores the contributions scripture can make to a new way of thinking about creativity, reading interpretation, and criticism. The methodology employed in order to demonstrate this thesis consists of a theoretical exploration of current theological understandings of the imagination and their implications within the fields of literary studies. The biblical texts locate the function generally defined as imagination in the heart, the eyes of your heart. Ephesians 1:18. This book assesses what the biblical text as a literary and religious document contributes to the concept of imagination. Due to the eclectic nature of the individual books that comprise the scriptural canon, the text is considered primarily in terms of its overarching metanarrative, language, genres, and theological propositions. Tracing the various trajectories, the biblical text opens up and the ways in which they intersect with and modify post-Romantic assumptions about the imagination, reconfigures traditional definitions of this concept. A Calvinistic evangelical hermeneutic is deployed to establish a theoretical concept of what it means to imagine biblically. This is further substantiated by a comparative study of authors ranging from the seventeenth to the twentieth centuries: John Bunyan, Samuel Rutherford, Jane Austen, Charlotte Brontë, and C. S. Lewis. Each author's chapter incorporates a close reading of a key text which concretely examines various trajectories of imagining biblically, including creativity, faith, morals, narrative, Romanticism, and eschatology. The conclusion returns to the biblical text and draws these elements together with a definition of the concept of imagining biblically and its implications for literary studies.

The Senses of Scripture Yael Avrahami, 2012-06-15 The Senses of Scripture reveals the essence of biblical epistemology the ways in which ancient Israelites thought about and used their sensorium The theoretical introduction demonstrates that scholars need to liberate themselves from the Western bias that holds a pentasensory paradigm and prioritises the sense of sight The discussion of the biblical material demonstrates that biblical scholars should follow a similar path Through examination of associative and contextual patterns the author reaches a septasensory model including sight hearing speech kinaesthesia touch taste and smell It is further demonstrated that the senses according to the HB are a divinely created physical experience which symbolised human ability to act in a sovereign manner in the world Despite the lack of a biblical Hebrew term sense it seems that at times the merism sight and hearing serves that matter Finally the book discusses the longstanding dispute regarding the primacy of sight vs hearing and claims that although there is no strict sensory hierarchy evident in the text sight holds a central space in biblical epistemology
