Osip Mandelstam Ralph Dutli, 2023-05-30 The personal and political life of the iconic Russian poet Osip Mandelstam is graphically portrayed in this lavishly illustrated book This is the first full scale biography of Osip Mandelstam to combine an analysis of his poetry with a description of his personal life from his beginnings as a young intellectual in pre revolutionary Russia to his final fate as a victim of Stalinism The myth has grown up that Mandelstam was a gloomy miserable figure Dutli deconstructs this stressing Mandelstam's enjoyment of life There are several underlying themes here One is Mandelstam's Jewish background in pre 1914 Russia which he rejected as a young man but reaffirmed in later life Another is the inescapable impact of Russia's political and social transformation His evolution as a poet naturally occupies a large place in the biography which quotes many of his most famous poems including his devastating anti Stalin epigram He produced wonderful poetry before the October Revolution but did not reach his full poetic stature until the 1930s when in exile in Voronezh He was never an official Soviet poet and it was only thanks to the intervention of Bukharin that he was brought back from utter impoverishment The biography gives full weight to his emotional life beginning with his friendship with two other Russian poets Marina Tsvetaeva and Anna Akhmatova followed by love and marriage to Nadezhda Khazina **The Poems of Osip Mandelstam** Osip Mandelstam, 2014-01-20 Selected poems by Osip Mandelstam in English translation Translated and with a postface by Ilya Bernstein Most of the poems are from the 1930s mostly from the Voronezh Notebooks 1935-1937 **Brodsky in English** Zakhar Ishov, 2023-08-15 A deeply researched account of Joseph Brodsky's evolution in English as a self translator and a poet in translation Joseph Brodsky's translations of his own Russian language poems into English new originals have been criticized for their un-Englishness an appraisal based on a narrow understanding of translation itself With this radical reassessment of the Nobel Prize winner's self translations Zakhar Ishov proposes a fresh

approach to poetry translation and challenges the assumption that poetic form is untranslatable Brodsky in English draws on previously unexamined archival materials including drafts and correspondence with translators and publishers to trace the arc of Brodsky's experience with the English language Ishov shows how Brodsky's belief in the intellectual continuity between his former life in the Soviet Union and his new career in the United States including as Poet Laureate anchored his insistence on maintaining the formal architecture of his poems in translation locating the transmission of poetic meaning in the rhythms of language itself This book highlights Brodsky's place within the long history of the compromises translation must make between linguistic material and poetic process

books Among the books published from the library in recent years are The New York Public Library Desk Reference 1998 The Hand of the Poet 1997 Letters of Transit Reflections on Exile Identity Language and Loss 1999 A Secret Location on the Lower East Side Adventures in Writing 1960 1980 1998 and Utopia The Search for the Ideal Society in the Western World 2000 *Seamus Heaney and East European Poetry in Translation* Carmen Bugan, 2017-12-02 Poetry born of historical upheaval bears witness both to actual historical events and considerations of poetics Under the duress of history the poet who is torn between lamentation and celebration seeks to achieve distance from his troubled times Add to this a deep love for and commitment to the Irish and English poetic traditions and a strong desire to search for models outside his culture and you have the poetry of the Irish Nobel laureate Seamus Heaney 1939 In this study Carmen Bugan looks at how the poetry of Seamus Heaney born of the Troubles in Northern Ireland has encountered the historically tested imaginations of Czeslaw Milosz Joseph Brodsky Osip Mandelstam and Zbigniew Herbert as he aimed to fulfil a Horatian poetics a poetry meant to both instruct and delight its readers Carmen Bugan is the author of a collection of poems *Crossing the Carpathians* and a memoir *Burying the Typewriter* Manna Hélène Cixous, 2000-12-01 A prose poem on two married couples involved in the revolutionary struggle One is Nelson and Willie Mandella of South Africa the other Russian poet Osip Mandelstam and his wife Nadezhda In drawing parallels the author stresses the contribution of the wives Comparative Criticism: Volume 12, Representations of the Self E. S. Shaffer, 1990-09-27 This volume explores a theme that has become central in our time as the death of God is widely seen to be succeeded by the death of Man Our contributors set forth its urgency in a variety of contexts Among these Peter Stern gives the paradigmatic history of the bereft damaged and repudiated self in German philosophy and literature from Kleist to Ernst Jilnger In Not I Michael Edwards pursues the theological and psychological consequences of a self without substance Peter France supplies a witty account of the marriage of self and commerce more at home in the eighteenth century tradition of British empiricism and the challenge of Rousseau's refusal of the terms of commerce Raman Selden explores views of the self from the Romantics to the poststructuralists Roger Cardinal probes the secret diary as the genre a contradiction in terms Stephen Bann explores the representations of Narcissus in recent psychoanalytic theory Other contributors include Pierre Dupuy David James Julie Scott Meisami Gregory Blue Mark Ogden and A D Nuttall *The Oxford Guide to Literature in English Translation* Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it

covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e g Virgil s Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e g poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e g the Thousand and One Nights or writers e g Ibsen Proust but the majority offer a critical overview of a genre e g Chinese poetry Spanish Golden Age drama or of a national literature e g Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators

Rhythm in Acting and Performance Eilon Morris, 2017-07-27 Rhythm is often referred to as one of the key elements of performance and acting being of central importance to both performance making and training Yet what is meant by this term and how it is approached and applied in this context are subjects seldom discussed in detail Addressing these Rhythm in Acting and Performance explores the meanings mechanisms and metaphors associated with rhythm in this field offering an overview and analysis of the ways rhythm has been and is embodied and understood by performers directors educators playwrights designers and scholars From the rhythmic movements and speech of actors in ancient Greece to Stanislavski s use of Tempo rhythm as a tool for building a character and tapping emotions continuing through to the use of rhythm and musicality in contemporary approaches to actor training and dramaturgy this subject finds resonance across a broad range of performance domains In these settings rhythm has often been identified as an effective tool for developing the coordination and conscious awareness of individual performers ensembles and their immediate relationship to an audience This text examines the principles and techniques underlying these processes focusing on key approaches adopted and developed within European and American performance practices over the last century Interviews and case studies of individual practitioners offer insight into the ways rhythm is approached and utilised within this field Each of these sections includes practical examples as well as analytical reflections offering a basis for comparing both the common threads and the broad differences that can be found here Unpacking this often mystified and neglected subject this book offers students and practitioners a wealth of informative and useful insights to aid and inspire further creative and academic explorations of rhythm within this field

Café des Artistes John Hartley Williams, 2010-03-30 Welcome to the Caf des Artistes Your host the owner bartender master of ceremonies and only other guest John Hartley Williams Here you will be entertained and diverted by bizarre stories of mapless roads and unreal cities the Ostrich Palisades and the erotic stones of Bonehenge by a spooked version of Rimbaud s La Bateau Ivre by encounters with Malcolm Lowry the floating dead the old men behind the waterfall and the knitted poet by poems about donkey jackets and dancing with donkeys and a one sided conversation with a

decidedly un Romantic polar bear two doors down from Dove Cottage Long celebrated for his ranging restless imagination his baroque elliptical narratives his manic humour and maverick stance Williams returns with another invitation to join him for a jug or two of wine in his out of kilter universe a world that is both strange and strangely familiar Welcome to the Caf des Artistes

A Coat of Many Colors Gregory Freidin, 2010-05-13 Freidin writes just the kind of criticism Mandelstam wrote and which he would have loved grounded in careful reading but never timid quirky but never merely eccentric the product of a mind and sensibility keenly alive to the times both historical and critical Nothing I have read on Mandelstam has so provoked my own thinking as has Freidin's work It is stimulating in every sense of the word and will move the study of Mandelstam off the point at which it has been stuck for far too long John E Malmstad Harvard University Combining as it does sensitive close readings of the Mandelstam texts with an uncommonly wide range of literary and sociocultural reference *A Coat of Many Colors* is a welcome and significant addition to the body of scholarship bearing on one of our century's finest poets Victor Erlich Yale University

Robert Lowell's Imitations and the Cold War Simon van Schalkwyk, 2025-08-07 The first book length study focusing on Robert Lowell's career long preoccupation with the liberal mode of translational adaptation known as imitation Robert Lowell's *Imitations and the Cold War* argues that Lowell's imitations are simultaneously symptomatic of and critically responsive to familiar nodes of Cold War ideology such as containment and contamination secrecy and security post imperial U S expansion and Empire It departs from studies focused solely on *Imitations* 1961 Lowell's book length collection of translational adaptations by demonstrating how imitation shadows Lowell's work from his earliest collections *Land of Unlikeness* 1944 and *Lord Weary's Castle* 1946 through his celebrated mid career collections *Life Studies* 1959 and *For the Union Dead* 1964 and to later works such as *Near the Ocean* 1969 and his contributions of adaptations from the Russian of Anna Akhmatova and Osip Mandelstam collected in Olga Carlisle's anthology *Poets on Street Corners* 1967 Simon van Schalkwyk excavates the imitational substrate undergirding and informing Lowell's compositional method and poetic imagination throughout the course of his career In so doing he shows how imitation enacts at the level of form Lowell's restless investment in Cold War geopolitics and literary networks in ways that inform develop and complicate his more conventional canonization as an unquestionably American poet preoccupied solely and simplistically with personal or autobiographical modes of poetic confession As literary sites at which containment's dualities porosities leakages and contaminants are most clearly displayed Lowell's imitations simultaneously challenge and develop our understanding of confession's presumably strict preoccupation with the personal regional and national frameworks through which Lowell has

commonly been understood **The Penguin Book of Russian Poetry** Robert Chandler, Irina Mashinski, Boris Dralyuk, 2015-02-26 An enchanting collection of the very best of Russian poetry edited by acclaimed translator Robert Chandler together with poets Boris Dralyuk and Irina Mashinski In the late eighteenth and early nineteenth centuries poetry's pre-eminence in Russia was unchallenged with Pushkin and his contemporaries ushering in the Golden Age of Russian literature Prose briefly gained the high ground in the second half of the nineteenth century but poetry again became dominant in the Silver Age the early twentieth century when belief in reason and progress yielded once more to a more magical view of the world During the Soviet era poetry became a dangerous subversive activity nevertheless poets such as Osip Mandelstam and Anna Akhmatova continued to defy the censors This anthology traces Russian poetry from its Golden Age to the modern era including work by several great poets Georgy Ivanov and Varlam Shalamov among them in captivating modern translations by Robert Chandler and others The volume also includes a general introduction chronology and individual introductions to each poet Robert Chandler is an acclaimed poet and translator His many translations from Russian include works by Aleksandr Pushkin Nikolay Leskov Vasily Grossman and Andrey Platonov while his anthologies of Russian Short Stories from Pushkin to Bulgakov and Russian Magic Tales are both published in Penguin Classics Irina Mashinski is a bilingual poet and co-founder of the StoSvet literary project Her most recent collection is 2013's *Ophelia i masterok* Ophelia and the Trowel Boris Dralyuk is a Lecturer in Russian at the University of St Andrews and translator of many books from Russian including most recently Isaac Babel's *Red Cavalry* 2014
